SUNDRIDGE ECHO INTERVIEWING HIM

William Doeg, a Farmer of Grey County, has a Word to say Regarding Dodd's Kidney Pills.

The Local Paper Publishes a Column About His Case—Worst Form of Rheumatism—Dodd's Kidney Pills Have Proven a Blessing to Him.

SUNDRIDGE, Ont., Sept 27(Special).—The Echo of this place has published a signed statement which cannot fail to interest all who understand the full meaning of the word Rheumatism from personal experience. A representative of that paper interviewed Mr. William Doeg, a well known farmer of Some Township, who was cured of Rheumatism by Dodd's Kidney Pills this spring, and he gave out the following statement for publication: "For four years I suffered excruciating torture, during which time I was scarcely an hour free from pain. These troubles commenced in my back where it often remained stationary for months and so intense was the pain that I could not lie down or take rest, but had to sit night and day in a chair. The pain would then remove to other part of my body and when in my knees, disabling me from walking, confining me constantly to my room. "I was treated by several doctors and also tried many medicines, without receiving any benefit. Almost in despair I feared I would never again experience the pleasure of being free from pain. "Early this spring my attention was called to some remarkable cures of Rheumatism effected by Dodd's Kidney Pills. I procured a box, and soon found they were doing me good, so I kept on, until now I can say I am a new man, entirely free from pain and have continued so ever since, being able to attend to my daily duties on the farm and able to work. I verily believe this great change was effected by Dodd's Kidney Pills and I think it my duty to make this statement public for the benefit of all afflicted as I was."

Mr Charles Comeau, of Negusac New Brunswick, says:

"I AM NOW CURED THANKS TO Paine's Celery Compound"

Dyspepsia and Liver Trouble Ever Banished.

The Wells & Richardson Co., Limited. Dear Sirs, I can conscientiously recommend Paine's Celery Compound to all who may be suffering from dyspepsia and liver trouble. For years while living in Black Brook, I suffered from a complication of troubles, and was so bad with dyspepsia that I could not touch a morsel of food. I found it difficult to sleep and what little I did get was often broken with horrid dreams. Intense sufferings from every complaint added to my load of agony; I also had dizziness, pains in the back, and was pale, haggard and despondent. I kept doctoring and dosing without deriving the slightest benefit, and finally gave up all hope of getting well. One day my daughter, who had read of a wonderful cure by Paine's Celery Compound, begged me to try one bottle of the medicine. I told her it was no use to throw away money, but she pleaded so hard, that to please her, I bought a bottle, and before it was used I felt better. Encouraged so much, I continued with the medicine and improved every day. I am now cured thanks to Paine's Celery Compound. You cannot wonder that I consider Paine's Celery Compound the greatest medical discovery in the world. I urge all who are suffering to try this great medicine and test its virtues.

Yours truly, CHAS. COMEAU.
