DR CRAPSEY QUITS THE CHURCH; WON'T RECONT

Again Denies "The Immaculate Conception" And Refuses to Make Any Retraction of His Statements.

ROCHESTER, N. Y., Dec. 1.—Bowling to the will of the church, but refusing to make a "cowardly retraction" of the belief which induced the church to terminate his ministry, the Rev. Algernon S. Crapsey, rector of St. Andrew's Church has renounced his ministry in the Episcopal faith in a letter to Bishop Walter.

In this letter Dr. Crapsey reaffirms his belief that the "notion of the origin of Jesus that a son of man was born without a human father, is without foundation in history," as shown by careful study of the Scriptures. He writes:

"When I say of Jesus that He was conceived by the Holy Ghost, born of the Virgin Mary, I do not mean that the great and living God in order to get into His world had to violate His wonderful law. * * * Such a notion is most repugnant to my ideal of a wish and holy G. d. * * * Jesus was not lessened in my worship. He was ennobled by this discovery.

"When I reached the conclusion," as I did some years ago, that the infancy stories were not historical, I did not cease to believe in Jesus. A son of God all the more, in my estimation, because He was the son of man.

DENIES ASCENSION IN THE FLESH.

"Now this conception of Jesus, based upon a careful study of Holy Scriptures is of the very warp and woof of my intellectual and spiritual life, and it is not probable that it will ever change. I will carry it with me into that spiritual world where I shall see Jesus face to face. But I am told by judicial decision that this conception is not permissible in the mind of a minister of the Protestant Episcopal Church. I bow to that decision, cannot change my mind—I therefore leave the church."

Dr. Crapsey also asserted that "when I say of Jesus that He ascended into heaven I do not mean that with His physical body of flesh, blood and bones He floated into space and has for 2000 years been existing somewhere in the sky, in that every physical body of flesh, blood and bones.

"Such an existence would seem to me not glorious, but horrible, and such a conception is to me not only unbelievable; it is unthinkable. What I do mean by this phrase is that Jesus having accomplished His work in the flesh ascended into the higher life of the spirit."

Declaring that he is about to carry the case to the free intelligence and enlightened conscience of the world, Dr. Crapsey counsels the "hundreds of clergymen and thousands of laymen in the Protestant Episcopal church who have reached the same conclusion," as he has, not to be dismayed and to stay where they are.

"I appeal," he says, "from those in places of authority in the church itself to the great body of people."
He concludes: "To leave this ministry is to break my heart. But better a broken heart than made false and lopsome by cowardly retraction."

Don't Let Your Piles Grow

Every Hemorrhoidal Ulcer is a Fertile Field for Cancer and Other Deadly Diseases.

TRIAL PACKAGE FREE.

Constipation unchecked brings inflammation, inflammation begets piles and piles too often superinduce tumors of malignant nature.

It is almost folly to allow this condition to continue. If you have piles the veins of the rectum are congested, and the excessive straining of the abdominal walls to force a passage in many cases leads to rupture and cracking of the tissues.

There is no greater suffering than this if you are a sufferer from piles you know it. It is foolish to think that any amount of cathartics will relieve you. On the contrary purgatives are favorable to the production of hemorrhoids. Do not be deceived either by the illusion that an operation always cures. It sometimes does, but the

There is No Greater Torture Than Piles.

agony of the operation is too great to warrant the experiment, except as a last resort.

There is only one natural way to cure piles. There are medicines which together heal the mucous membrane of the bowels and rectum and give it life. The Pyramid Drug Co. have prepared suppositories convenient for insertion into the affected part and containing the soothing, healing invigorating medicines needed to effect a quick and permanent cure. That these do cure piles is proved by the voluntary testimonials of thousands.

By every mail we get letters like this: "Wishing to give credit where credit is due I feel it my duty to humanity—as well as yourself—to write you regarding your pile remedy. I have not finished my first box and am now well. After the first treatment of Pyramid Pile Cure the soreness left and the swellings have kept decreasing. I also used your pills and am feeling like myself again. Thanking you kindly I am yours truly, C. Crowley, 170 9th Ave., Seattle, Wash."

We do not ask you to take our word. We are willing that you should try our treatment and decide for yourself. Send to the Pyramid Drug Co., 72 Pyramid Building, Marshall Mich., and you will receive a free trial package by return mail. After you have used the contents of this package you can secure exactly the same medicine, if you will ask for the Pyramid Pile Cure.

For sale at all druggists. 50 cents per box.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupier of space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagant.—American Medical Journal

IMPORTANT

The Charlottetown Guardian is the only Prince Edward Island newspaper that places its circulation figures before the public. Prospective advertisers are invited to call and investigate the Guardian's circulation statement before placing their advertising elsewhere.
