

Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. 12,000 Unemployed In Winnipeg City

(Special to the Guardian.)

WINNIPEG, July 31.—According to a statement given out today by officials of the Dominion Employment Bureau here, between 10,000 and 12,000 persons are unemployed in the city of Winnipeg at the present time.

Rheumatism Conquered

I say that I can conquer rheumatism with a simple home treatment, without electrical treatment, stringent diet, washing baths, or in fact any other of the usual treatment recommended for the cure of rheumatism.

Don't shut your eyes and say "impossible" but put me to the test.

X-Ray of Rheumatic Hand

You may have tried everything you ever heard of and have spent your money right and left. I say "well and good," let me prove my claims without expense to you.

Let me send you without charge a trial treatment of DR. LAMON'S RHEUMATIC CONQUERER. I am willing to take the chance and surely the test will tell.

So send me your name and the test treatment will be sent you at once. When I send you this, I will write you more fully, and will show you that my treatment is not only for banishing rheumatism, but should also cleanse the system of Uric Acid and give great benefit in kidney trouble and help the general health.

This special offer will not be held open indefinitely. It will be necessary for you to make your application quickly. As soon as this discovery becomes better known I shall cease sending free treatments and shall then charge price for this discovery which will be in proportion to its great value. So take advantage of this offer before it is too late. Remember the test costs you absolutely nothing. F. H. DELANO 800 L. Devo Blvd, Syracuse, N. Y.

NOTE: Orders for Delano's Rheumatic Conquerer will be filled from their Canadian Laboratories without duty.

Britain's Wealth Again Evidenced

(Special to the Guardian.)
LONDON, July 31.—The British Victory Loan subscriptions amounted to £767,800,000, it was announced today in the House of Commons by J. Austin Chamberlain, Chancellor of the Exchequer. This exceeds the amount previously announced.

Made a Splash

Duncan was driving home from market in Perthshire, where the roads are perilous by reason of the many headlong brooks or "burnies" that run across them. He was sitting on the front seat of the gig with his wife behind him, her back to his. Presently he met Donald, who hailed him: "How are ye, Duncan?" "Am fine, How's yersel?" "Brawly. And the wife?" "The wife's well. She's there behind me." Donald eyed him curiously. "Na, na man," he said at length, "she's no behind ye." Donald turned and meditated at the empty seat. "Aye, aye," he said deliberately, "that would be the splash."

A child's dinner should be light and easily digested.

Soak salt fish in milk to freshen it for immediate use.

Veranda luncheon sets may be made of white crepe.

Wash the flatirons in soda and water before heating.

Vegetables greens should be canned the day they are picked.

A teaspoonful of salt will season a quart of vegetable soup.

IN MEMORIAM

MRS. NATHANIEL WESTAWAY

An estimable lady and one who enjoyed to a more than ordinary degree the love of all who knew her, passed away at Montague on Sunday evening, July 27th in the person of Mrs. Westaway, widow of Mr. Nathaniel Westaway of Lower Montague. The deceased, formerly Miss Mary McInnon, was very widely known for her genial companionship and loving disposition and although she had attained the advanced age of eighty years, she retained to the last the beautiful characteristics of mind and heart which endeared her to all. On the death of her husband, some forty years ago, she removed to Montague where she resided with her daughter, Mrs. Maynard F. McDonald, until her death and where also she added to her long list of friends. She leaves to mourn three daughters, Mrs. Maynard F. McDonald, Montague, Miss May Westaway, Montague and Mrs. William Thompson, Boston, also one stepdaughter, Mrs. James Manuel. The funeral took place on Tuesday 29th, in the Georgetown Episcopal Cemetery, the service being conducted by Rev. Mr. Stewart in the absence of Rev. Canon Simpson. Many beautiful floral tributes from friends far and near, bore mute but eloquent testimony to the esteem in which she was held. The pallbearers were Messrs. George L. Thompson, Leith Poole, Horatio Nelson, Daniel McLean, Robert McMillan and Daniel McGregor. To the bereaved the Guardian tenders respectful sympathy.
