Victoria Intermediate Champs And Holders of Herald Trophy

By winning the sudden death game from the Halifax Wanderers on Saturday night the Victorias not only won the Intermediate Maritime Championship, but became the holders of the Halifax Herald Trophy.

The Victorias win is the best boost to Hockey the Island has received in years. The Island champions and will go a Maritime chamions and will go a long way in once again bringing Canada's National winter pastime to the front on the Island.

The Victorias are deserving of every praise in annexing such a popular verdict from the Wanderers, every man on the line-up done his part and done it well and in Saturday night's fixture it was a case of good sports winning from good sports.

The main idea of the Victoria Club in organizing was to give more young players a chance to get into the game with the view in mind of producing more hockey material to uphold the honor of the Island in hockey circles, that they succeeded, ample proof was furnished the hundreds of fans that witnessed the game on Saturday night.

Prince Edward Island and particularly Charlottetown should be proud of the Vics showing made against home and outside teams since they organized late in the season and it is to be hoped that the Victorias Intermediate hockey team achievements will not soon be forgotten and that the boys who so nobly fought to the last bell to bring the Island the championship will receive some little recognition of their good work in placing the Island once more on the hockey map of the Maritimes.

RAID SUCCESSFUL. —Prohibition Inspectors, accompanied by a Police Officer, yesterday afternoon made a raid upon a residence on Water St., and were successful in obtaining two cans of liquor.

CHILD INJURED.—What might have been a more serious accident occurred yesterday afternoon on Water Street when Doris, the seven year old daughter of Mrs. Hamilton was hit by a sloven while proceeding in a westerly direction. The little child was severely bruised about the hip and back of the head. It is not known exactly just how the accident happened, but according to the little girl's story, she was having a ride and in trying to get off the sloven was pushed by another little girl. Had the child fallen beneath the heavy wheels only providence alone knows what may have happened. Clear of a severe shaking up with no internal injuries sustained, it is expected that Doris will be fully recovered in a day or two. If the little girl's story is correct the above should serve as a warning to truckmen and others driving teams to keep children away from the vehicles or more serious results are bound to follow.

PERSONALS

Rev. R. J. McDonald, St. Columba, leaves this morning on a visit to Quebec, Montreal and Toronto.

The Misses Kathline and Gertrude Cameron, Summerside, spent the week end in the city the guest of their sister, Mrs. Leo MacDonald, returning home yesterday.

The many friends of Mrs. Lawson Douglas will regret to hear that she has entered the P. E. Island Hospital yesterday and will undergo an operation today.

President Doyle And Reinstatements

Mr. S. F. Doyle, M. P. B. President, who has been attending the Maritime Amateur Hockey Association meeting, which was held in Kentville last week, returned home Saturday night.

Mr. Doyle interviewed by a Guardian representative states that there is a wonderful revival of interest in the different branches of sport this present year, chiefly due to the reinstatement of many of our Maritime athletes, many of whom have been under the ban of suspension previous to the war.

Regarding the suspension of most of our athletes it may be said that such were classified as professionals in class "A" and "B" without the vote of the full executive, and many of these cases were never bulletined as being suspended. After receiving affidavits from these athletes in question and after going thoroughly into each particular case the M. P. B. Executive found that they were being classified wrongly, and that the majority of said cases should never have gone to the A. A. U. of C. for their judgment; hence all those who have been fortunate in receiving back their amateur status complied with the rules and regulations governing same, and with the concurrence of the M. P. B. Executive. Continuing, Mr. Doyle said that it may also be mentioned that the M. A. H. A. placed itself on record as endorsing what we have done and concurring with the M. P. B's interpretation of the constitution of the parent body.

Meeting with representatives of mostly affiliated clubs. Doyle remarked that there was hardly a dissenting voice over said reinstatements. In fact it was felt that only by co-operating fully with the Maritime Branch officials could athletics be brought back to the standard of past years.

Having also visited Saint John, Mr. Doyle met many delegates representing clubs there, and receiving their opinions is satisfied that starting with a clean sheet is the only means by which all athletes can be satisfied and the general public interested. About fifteen or more of Saint John's athletes had their suspension lifted, and whenever the other athletes comply with the rules governing reinstatements, their cases will receive every consideration.

Halifax has fallen into line over the good work accomplished by the present M. P. B. Executive, and in the near future her banned athletes will have received their amateur cards. From Cape Breton, Pictou County and many other points of Nova Scotia, it is a safe bet added Mr. Doyle, to say that sport was never patronized as it was during the past season. The same may be said of Saint John and Northern New Brunswick where reinstated athletes played a prominent part. Therefore Maritime athletes should feel elated in having selected men who have Maritime interests at heart.

This year has surely been the banner one due to the consideration that our athletes have received from the Maritime Province Branch Executive.

In conclusion said Mr. Doyle, if the M. A. H. A. and M. P. B. Executives work harmoniously in the interests of amateur sport there is no doubt that the Maritimes will soon add to its roster many names that have been dimmed the past few years, due to the attitude of some members of past executives.

There is yet a considerable number of athletes in the Maritimes still under the ban, and it would be a good idea for those who wish to get back to fill out forms, etc., and forward same promptly so action may be taken at once.

The Black Cat

(By British United Press)

LONDON, March 21. — A black cat decided to cross the street at Blackburn. In consequence of its decision.

A tax swerver,
Mounted a footpath,
Smashed down a fence,
Tore through a shrubbery.
Went over the embankment of the River Darwen.

On the way down the branch of a tree prevented the car from falling into the water. The driver was unhurt, so the black was lucky after all!

QUEEN HOTEL

Since taking over this Hotel we have spent many thousands of dollars in repairs and improvements. It is now the finest Hotel of its class in the Maritime Provinces. It appeals to those who want a comfortable Hotel and splendid table and excellent service at a moderate price.

Rates from $3.00 to $4.00 per day.

Trinity Church Choir Entertained

The music committee of Trinity Church entertained the choir and guests last evening in the social room of the church. There were approximately ninety present and after an excellent dinner was served by the Ladies Aid of the church the following program was carried out:

PROGRAM

Toast—"His Majesty, the King." God Save the King.
Remarks by the chairman, Mr. Henry Smith
Address — Lieutenant Governor Heartz
Vocal solo—Mrs J. J. Stewart
Address—Lt.-Col. G. O. Fallis, O. B. E.
Remarks—Professor Fletcher
Violin solo— Miss Kathleen Hornby
Address—Rev. Mr. Ryan
Vocal solo—Mrs Fletcher
Address—Dr. Ramsay
Vocal solo—Mrs J. A. Lawson

Lt.-Col. Fallis was the principal guest of the evening and delivered a splendid address, giving reminiscences of his trip to England and France and his lecture tour through the United States.

On completion of the program an informal social time was held, the whole evening being very much enjoyed by all present.

A vote of thanks moved by Mr. G. F. Hutcheson and seconded by Lt.-Col. Full was tendered to the ladies of the congregation for providing such an excellent repast. Also a vote of thanks to the music committee was moved by Mr. George Tweedy and seconded by Mr. A. R. Gillis, which was responded to by the chairman.

AT ROTARY

At the Rotary luncheon yesterday, the speaker was Rotarian George Fallis, or as he is known throughout Canada as Lieutenant Colonel Reverend G. O. Fallis, B. D., C. F. P., of Vancouver, Senior Canadian Chaplin in France during the Great War.

Rotarian Fallis took as the theme of a powerful and eloquent address "The Foundation of Rotary."

The following are some of the outstanding thoughts stressed:—

The fundamental need of the world is a new appreciation of service. I wish to elaborate what I conceive to be the foundations of Rotary. Knowledge or better still understanding growing out of knowledge. Service is based on fellowship and the function of Rotary is to create fellowship.

When fellowship exists between individuals and nations, service will automatically follow.

The fellowship is based on understanding, and understanding is based on knowledge. Where is the finest possible fellowship in the world—in the home. Why? Here knowledge of each other is complete. Lack of understanding is the straight preventative to fellowship.

It follows then that Rotary must place knowledge in a high position. Knowledge of each other in the home; of individual members in the club; of Rotary ethics; of local problems needing Rotary ethics; of one's own business, and its needs of Rotary principles; of State problems and lastly knowledge of international problems.

The greatest disintergrating force is ignorance. Ignorance is the mother of suspicion eliminate the ignorance and the suspicion disappears: Nothing requires so much knowledge as an honest judgment.

It is fundamental to Rotary in its desire to give vital service that it shall believe in humanity. How can one serve well if it does not believe in that which it wishes to serve? No Rotarian can ever use the term "poor weak human nature." Rotary Says "Human nature is the grandest stuff ever made and deserves the universal application of service." John Fisk was a Rotarian in philosophy when he said: "The most outstanding feature of man is his improveableness," and Huxley when he said: "I can see no limit to the extent to which intelligence will and service may modify the conditions of existence. The intelligent service that has converted the wolf into the faithful guardian of the flock may eventually destroy selfishness in man."

Rotary is a great humanitarian movement. You cannot be a cynic and a good Rotarian. There is no cynicism in Rotary, no cynicism in Jesus. The solution of the cross is that Jesus looked back to surface appearances and saw the majesty of humanity. We cannot serve humanity if we fail to vitally believe in it.

Understanding is not enough. Sympathetic outlook is not enough. That is to say, our understanding must go more than emotional. The vital factor in the development of Rotary is the will. We must substitute good nature by good will. A good many of us are not Rotarians because we good naturedly know and emotionally feel, and then fail in action. We see what ought to be done and fail to do it.

The most frightful spectacle in the world is a person who knows a need so vividly that he or she weeps emotionally and then does nothing. Fickle friendship without service or sacrifice. Whole modern psychology proves we are not friends until we act what we know and feel ought to be done. You are not a Rotarian until you act the service of Rotary and your sympathetic nature tells you what ought to be done. A Rotarian is one who gives the service he knows and feels ought to be given.

The chairman in extending the thanks of the members said it was the greatest message of Rotary which has ever been delivered before the Club.

The President, Mr. J. A. Webster, also added his tribute to the speaker, commenting enthusiastically on his inspiring and stimulating address.

Colonel Fallis conveyed greetings of the Rotary Club of Vancouver, and in the course of his address gave some valuable advice as to the carrying out of certain activities of that club, when he was a member of the Board of Directors, especially along the lines of studying and solving community problems.

The guests present were Rev. Ross C. Eaton, Rev. Dr. E. H. Ramsay, Mr. A. B. Cosh and Mr. P. W. Turner.

The Markets

(Canadian Press)

OTTAWA, Ont., Mar. 21.—(Eggs) Western receipts have been delayed somewhat through eastern stormy weather but are still ample to supply demand. Receipts in the east are increasing.

Toronto—Market is steady with dealers quoting country shippers for ungraded eggs delivered extras 30, firsts 28, seconds 24 to 25. Prices to retailers extras 36, firsts 34, seconds 30 to 31.

Montreal: Market is steady and unchanged. Dealers are quoting for ungraded eggs delivered, extras 32 to 34, firsts 30 to 31, seconds 27 to 28, rices to retailers extras 38 to 40, firsts 35 to 37, seconds 33 to 34.

Winnipeg: Prices to country shippers are fairly steady with dealers still quoting for ungraded eggs delivered, cases returned, extras 30, firsts 28, seconds 24. Prices to retailers extras 36, firsts 35, seconds 31.

Saskatchewan: Dealers are quoting country shippers for ungraded eggs, delivered, extras 37, firsts 35, seconds 30. Prices to retailers are extras in cartons 42, firsts loose 38 to 39, seconds 34 to 35.

Edmonton: Dealers are quoting country shippers extras 26, firsts 24, seconds 19. Prices to retailers extras 34, firsts 32, seconds 26.

Calgary: Dealers are now quoting shippers for ungraded eggs extras 26, firsts 24, seconds 19. Prices to retailers extras 30, firsts 29, seconds 23.

Vancouver: Market steady with prices to producers extras 23 to 25, firsts 21 to 23, pullet extras 20 to 21.

MONTREAL, Que., March 21.—The export trade in Canadian grain on the Montreal market today was again very quiet, there being practically no demand from any source. The domestic trade in cash grain was also slow, but the tone of the market was steady and prices were unchanged. The local and export demand for spring wheat flour was of a limited character, but prices ruled steady. The winter wheat situation was also quiet, but the feeling was firm. The millfeed market was again active and firm. The market for standard grades of rolled oats was quiet and prices were unchanged. A fairly active business was done in eggs and prices ruled steady. The receipts were 1,373 cases. The market for potatoes was without any new feature to note, prices being about steady under a fair demand. Sales of odd cars of Quebec white stock were made at $1.10 per bag of 90 pounds in bulk, ex-track. Prices for all grades of butter were well maintained under a continued good demand for small lots to meet immediate requirements. The receipts were 330 packages. The trade in cheese continued quiet in all districts and prices were unchanged. The receipts were 106 boxes.

TO FIGURE IN MAINE AND N. B. RACING CIRCUIT

Prince Edward Island to Play Prominent Part in the "Big Show" – Great Racing This Fall, With Largest Entry List in History of the Sport.

Prince Edward Island will figure for the first time in the Maine and New Brunswick racing circuit, a combination of down east fairs furnishing continuous racing from July to October and offering upwards of $50,000 in purses. This will make one of the strongest chains of meetings that has ever been gotten together in Canada and will bring together without doubt the greatest array of racing material in the history of eastern Canada.

The circuit starts off at Bangor, Maine, on the 23rd of August. Following Bangor comes Houlton, Maine, August 30th to September 1st, then Presque Isle, Maine. On September 14th, 15th and 16th it switches to Woodstock, N. B., and the next week Fredericton rings in from September 20th to the 23rd. There are just enough days intervening to give the horses a rest before their long trip to Prince Edward Island where the racing starts at Charlottetown on September 28th and continues to the 30th.

Charlottetown has already named seven early closing stakes consisting of the following: 2.14 Class Trot and Pace, 2.17 Class Trot and Pace, 2.22 Class Trot and Pace, 2.20 Class Trot, 2.25 Class Trot, 2.30 Class Trot, 2.30 Class Pace. Each event will be for a $500 purse. In addition there will probably be one or more classes which will be late closers.

The dates for the first payment on all stakes will be the same throughout the circuit, namely, May 10th, and the second payment follows on June 15th. In all the stakes except Charlottetown horses must be named on the first payment, but in the Charlottetown stakes horsemen are given the privilege of withholding the names of their horses until the final payment is made September 1st. This plan has appealed to horsemen for the reason that it gives them an opportunity should their horse become injured to sell their stake to others and therefore their entry is not a total loss. We believe Charlottetown can look forward through its previous excellent record for furnishing good square dealings to the campaigning horsemen and through its new connection with the Maine fairs, to the largest entry list in history, and if such proves to be the case racing patrons will see wonderful contests this fall.

VICTORIA HOTEL

One of the largest and best equipped Hotels in Eastern Canada. Contains 120 rooms, 44 of which have private baths. Completely renovated in the past few years. Few Hotels throughout Canada and the United States have its splendid table. Courteous service to all Guests. Telephones in rooms.

Rates $4.00 to $5.00 per day.
