EFFECT OF THE ARMISTICE ON HOARDED MONEY.

There is reason to think that hoarding was practised a great deal more during the war than is generally believed. With peace assured, the hoarded money is now beginning to appear, and it is to be hoped that quite a lot of it may go to buy War Saving Stamps.

In the United States it is estimated that \$1,500,000,000 were hoarded by foreigners during the war period. Banking authorities say that since the signing of the Armistice, this hoarded money has come out to a surprising extent and this opinion is confirmed by the savings bank deposits in New York State this class of deposits increased by \$39,400,000 during the period from December 28th, 1918 to January 12th, 1919.

Undoubtedly the cessation of hostilities has had similar effect on hoarded money in Canada, for it is well known that hundreds of people of foreign birth drew money out of the bank and either carried it on their person or hid it. The question is—how much of this money will go into War Saving Stamps? The whole country is vitally interested in seeing that a large portion of it is thus invested, while it is to the interest of the person holding such money to put it to this use.

CARDIGAN FARMERS AND MEMORIAL HIGHWAY

At a meeting of the Cardigan Farmer's Institute, held on March 17, quite a discussion took place re a Memorial Highway.

The opinion of the meeting was entirely against the building of such an expensive roadway at the present time, when the country is burdened with such a load of debt. The cost of building a road like this would fall principally on the farmers who would derive the least benefit from it.

The following resolution was unanimously adopted by a standing vote. Whereas it has been proposed to build a highway to our soldiers, and whereas such a highway would entail an enormous expenditure of money, and whereas all the country is not now in a position to meet such expenditure, therefore resolved, that we, the members of the Cardigan Farmer's Institute assembled together, place ourselves on record as opposed to the building of a such a memorial for our soldiers.

HORSE NOTES

Kensington will hold races on February 9th, and probably a second meeting later on in the season. They will affiliate with the National Trotting Association.

Mr. Henry Hooper has secured from Mr. Paynter, Kensington the fast Acquiri pacer, Oma, 2:25 1/4. This mare has had only a limited amount of track work and has paced miles in 2:19, we look for her to do 2:15 this year.

A meeting of secretaries representing forty tracks will be held in Fredrickton to form an association, similar to the P. E. Island, Racing Circuit. It is being recognized by our friends in N. B., that in union is strength.

Topa Girl 2:19 1/4 formerly owned by the MacKinnon Drug Co., but now of Sydney, N. S., met with a defeat, in a recent race with Nick R. owned by LeMoine Bros., "Jack Henderson" piloted the mare and thousands are said to have changed hands.

It will be good news to horsemen of this city to learn that Mr. Jas. Arbing the popular caretaker of the Charlottetown Driving Park intends starting work on the track at an early date. This will give us a chance to get ready to brush with the N. B. horsemen whose seasons are usually very early.

The owner of "Jellico" is gone. He has matched the namesake of the naval hero with Nick R. and is getting the cash ready to prove his theory that he has the winner. Mr. Hammond Kelly who has yet to drive

SWAIZEMA CURES ECZEMA

Extract from Article (Dated Nov. 20, '15) on the Adulteration of Food and Drugs by United States Food Specialists.

Swalizema is a blood purifier and tonic builder of extraordinary merit. There came to my notice, while in Kitchener, a case in which a most miraculous cure was effected through this wonderful remedy. A gentleman whose injured leg, caused by a simple "bark of the skin" as he termed it had developed into a running ulcerated sore; for two years eminent specialists had treated, at enormous expense, the injured limb, without success. He was induced to try Swalizema, which resulted in an absolute cure. Add this with the purchase of two bottles only. The case in question coming as it did under my own personal observation, warrants me in telling readers of this page of one of the most remarkable "short cuts" to health I have ever seen.

Guaranteed and sold in Charlottetown by Hughes' Drug Co. Limited and the Two Mace.

a losing race in the Sydneys has gone down to drive "Jellico". The race will probably be pulled off today.

Mr. Milton Bell, Charlottetown has bought from Wellington McNeill, Southport, the fast pacing gelding Acquired by Aquiri (2:27 1/4) dam by Kalol (2:19 1/4). Mr. McNeill landed a five heat bout with Acquired on the Pownal Bay ice this winter and put the cleaner on a bunch of classy pacers. The Aquiri's sell like hot cakes on a frosty morning.

Mr. Henry Hooper, the renowned horseman of Ch'town, has bought from Mr. Wm. Paynter, Long River, the game race mare Oma 2:25 1/4. Oma was sired by that bulldog race horse Aquiri, (2:27 1/4) and she inherits his staying qualities, her dam is Oma, (2:25) by Parkwood (2:21). Mr. Hooper will be assisted in his training operations by his first Lieutenant "Brent" who will give the mare preliminary training, but when she turns around for the "dough" the "old gent" will be on "the chariot" and you want have to use a periscope to find out where they are at the end of a mile.

DAVID GUY, 2:05 1/4

It does not take a trotter long to attract national attention, if he has enough speed and racing manners to win a few events in the Grand Circuit. This was amply demonstrated last season by David Guy, who pulled up lame at the Columbus September meeting, where he defeated Nella Dillon in one of the futurities in 2:05 1/4 and was in turn defeated by Peter June. This colt made his first start in his three year old form at the North Randall August meeting in a class race which he won and in which he equalled the time record of 2:08 1/4 that he made at Toledo. He was given this race to stay him up for the Matron Stake the following week at Philadelphia, where he finished in front of Nella Dillon, Peter Vonia, Hollywood Bob, Selka and Peter June, winning one of the heats in 2:05 1/4, his mark. David Guy also won his engagements at Poughkeepsie and Hartford and finished second to Hollywood Bob at Syracuse before going to Columbus, his card for the season showing seven starts of which he won five and was second in two. In these races he trotted twenty heats of which he won fourteen, thirteen of them being below 2:10 and four below 2:06.

In the matter of inheritance, David Guy is an inbred Wilkes, the lines through his sire Guy Axworthy tracing to the brothers William L. and Guy Wilkes, while the blood of Aley-one and Onward are also united in his dam, Belle Zombro. She was got by Zombro, the son of McKinney that sired San Francisco, out of Belle Gibson, 2:24 1/4, a daughter of the Electioneer horse Norval and Lulu J., that also produced Maplewood Norval, 2:23 1/4. Lulu J. was got by Onward out of Lottie Wall, the dam of Eula G., 2:24. She was by Strathmore out of Clara G. by Pacing Abdallah, a son of Alexander's Abdallah, the sire of Goldsmith Maid, 2:14. David Guy is a trotting bred trotter and in his showing last year proved that he is all that the term implies in class, speed, and deportment.

More Soldiers Arrived Last Night

A group of thirteen more men from overseas arrived in the city last night. Very short notice was received of their coming, but in quick time a reception was prepared by the League of the Cross Band and representative men being on hand to greet them on their arrival.

They were conveyed in automobiles upon their arrival and taken to the Great War Veterans Hall on Queen Street where the Ladies Auxiliary of the G.W.V.A. had a nice luncheon ready for them, after which addresses of welcome were delivered by Premier Arsenault, Mr. W.F. Tidmarsh, Rev. Dr Fullerton and Corporal P.A. Hughes. Before the proceedings closed hearty cheers were given for the returned heroes.

The men who arrived last night were as follows:— Lieut. R.F. Campbell, Charlottetown. Sgt. B.G. Perry, St. Nicholas. M. Bernard, O'Leary. G.L. McIntosh, Tignish. J. McDonald, Milburn. J.E. McKinnon, Kensington. G. McLellan, New London. Also the following whose addresses could not be secured:— Sgt. D. H. Currie, G. Billard, H. Jarvis, M. Dalton, A. Peters, G. Rafferty, N.B. McDonald, G. Moncrieff, J. Reading, A. Cox, E. Coughlan.

Most of these men came from Halifax by the White Star liner Baltic which landed 2700 overseas men there on Thursday.

On board the Baltic were the 43rd Battalion, of Winnipeg, which came home with a strength of thirty-one officers and 550 men, and is under the command of Lieut.-Colonel W.K. Chandler, D.S.O.

After forty-one months' service in France, the First Mounted Rifles, under the command of Lieut.-Colonel Burnett Laws, D.S.O., returned to Canada on the Baltic, with twenty-one officers and 524 other ranks. This Battalion, raised in Winnipeg, went overseas in June, 1916, and was in France in September of the same year. During its service overseas approximately 200 officers and 5,500 other ranks passed through the Regiment. Like the other units of the Third Division it has been in most of the big "shows," and distinguished itself.

Interesting War Talk By Corp. Fraser

Corporal Fraser, recently returned from Germany, gave last night in St. Dunstan's Parish Hall one of the most interesting war talks heard in the city for some time. Corporal Fraser is a fluent and pleasing speaker and his war story, mainly personal experiences and events with which he was personally familiar, was both thrilling and informative. He detailed in well chosen language the early days of the war, the difficulties met and overcome, the getting under way of the army, its successes and reverses; told of his experiences in Russia and in German prison camps, his release and return. The story was listened to with breathless interest by a large audience. Mr. Joseph McCarey presided and the pleasure of the occasion was added to by vocal solos by Miss Marion Griffith, Miss Lucy Blanchard and a violin solo by Miss Kathleen Hornsby. A vote of thanks was tendered the lecturer at the close, moved by Mr. W. F. Tidmarsh, seconded by Mr. John Anderson, and supported by Mr. P. A. Hughes.

DEATH OF MR. J. A. MATHESON

Mr. J. H. Gregor, Prince Street yesterday received the sad news by wire that his brother-in-law Mr. John A. Matheson, formerly Fishery Inspector for this Province had passed away at 1:30 Thursday afternoon in hospital in Revelstoke, B. C. Mr. Matheson's friends here had received intimation that he had not been feeling well for some two weeks past, but nothing serious was anticipated. News of his death came as a great shock not only to his immediate relatives but to his many friends in the city and Province. The late Mr. Matheson left Charlottetown on January 10th last to visit his brother, Mr. George Matheson in Revelstoke, expecting to return in the spring, but fate ordained otherwise. The late Mr. Matheson was a native of Brackley Point. He was born Sept. 3, 1844, the son of John and Anna Matheson, both of whom were natives of Scotland. The paternal grandfather, Roderick Matheson who was born in Scotland, came to Prince Edward Island in 1806 having purchased property at Portage and died at the remarkable age of 102 years and his wife died at the age of 99 years. The father of the late Mr. J. A. Matheson, whose name was John Matheson, located at Black River, Brackley Point, where he engaged in shipbuilding after an active career as a sea captain.

The late Mr. J. A. Matheson, as a boy attended school at Brackley Point and completed his training at Prince of Wales College. In 1863 he moved to Alberton and entered the employ of the late Governor Howland who conducted a general merchandise business, and later served with Herbert Bell of the same place, after which he engaged on his own account in the fishing and general merchandise business, establishing stores at Mimlatash and Campbellton, in which he continued until 1897, when he accepted the appointment of Inspector of Fisheries, a position which he held until his retirement on September, 30, 1889.

In 1881 Mr. Matheson was elected to the Provincial Legislature as Liberal representative from the first district of Prince County and was re-elected to the position continuously until 1892. He was a capable legislator and served his constituents faithfully.

On July 20, 1881 Mr. Matheson was married to Miss Emily M. Clouser a native of England, who predeceased him a few years ago.

He is survived by the following brothers and sisters: Roderick, Charlottetown, Walter at present in Vancouver, George, in Revelstoke, Mrs. John McMillan, Brackley Beach, Mrs. Charles Fraser and Mrs. James H. Gregor, Charlottetown.

The body will be brought home for interment.
