

House Work

Need Not Wear Her Out

The drudgery of house work seems never ending to tired-out, dispirited women who suffer from female complaints or irregularities. Inflammation and ulceration of the womb and ovaries cause fearful bearing down pains which are aggravated by much standing on the feet, and lifting necessary in house work.

But let no woman despair of relief from this torture. That famous tonic reconstructor of diseased or disordered female organism,

Lydia E. Pinkham's Vegetable Compound

has cured more than five hundred thousand American Women, and it will cure you. When monthly periods are painful or irregular, when backaches and headaches drive out all ambition, Lydia E. Pinkham's Vegetable Compound will bring back health, strength, and happiness.

It Made Me a Well Woman

Dear Mrs. Pinkham:—Lydia E. Pinkham's Vegetable Compound has done more for me than doctors or medicines. I suffered for four months with suppression of monthly periods. Headaches were a daily occurrence. Pains in my back and limbs made it hard for me to attend to my domestic duties.

The medicines I had taken did not help me, and I was in misery and despair until one day I read an account of your Vegetable Compound, and decided to try it, and I thank God that I did so, for it not only regulated my monthly periods, but made me a well woman.

MADAME CAROLINE MARTINEAU, 22 La Chapelle St., Quebec, Que.

For over an hour and a half he held the undivided attention of his hearers. A vote of thanks moved by Dr. Alex. McNeill, seconded by R. H. Campbell and supported by W. H. Brown, G. M.
