For  
**DR. MILES' CALENDAR**  
For 1920

It is FREE and the best large-figure Calendar published. It gives the weather forecast for each day in the year, also time of Sunrise and Sunset and phases of the Moon. "An exceptionally complete and useful Calendar!" That's what everybody says. The edition is limited. It is therefore very important that you call early so that you will be sure to get this splendid free Calendar at the beginning of the year.

Just go to your druggist, tell him your name and address, and that you want Dr. Miles 1920 Calendar. He will do the rest. —FREE.

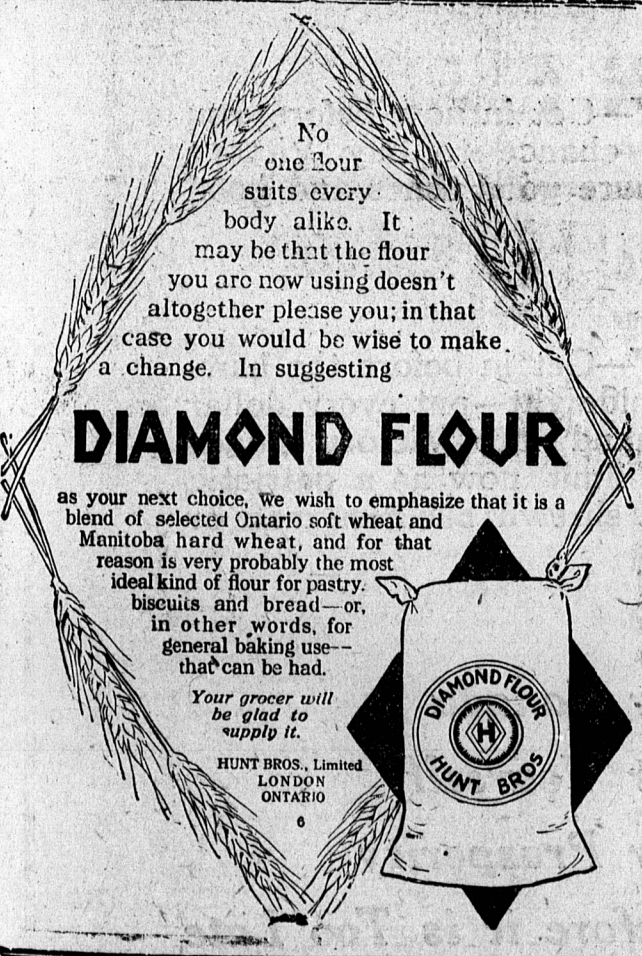

No one flour suits every body alike. It may be that the flour you are now using doesn't altogether please you; in that case you would be wise to make a change. In suggesting

**DIAMOND FLOUR**

as your next choice. We wish to emphasize that it is a blend of selected Ontario soft wheat and Manitoba hard wheat, and for that reason is very probably the most ideal kind of flour for pastry, biscuits and bread—or, in other words, for general baking use—that can be had.

Your grocer will be glad to supply it.

**FRIDAY**

**TO VISIT P. E. I.**—The St. John Telegraph says: Rev. Arthur McKenzie of the archdiocese of Vancouver was in the city over the week-end and was a guest at the Bishop's Palace. Father McKenzie is on his way to Prince Edward Island, where he will spend about a month.

**ROTARIAN BALL GAME.**—As a result of Major Fred Smith's visit to the Rotary Club yesterday a practice ball game for Rotarians was held in the Y. M. C. A. Gymnasium last night. A dozen Rotarians turned up and under the tuition of Major Smith and Rotarian Sidenius three games were successfully and enjoyably played. The directors of the Y. M. C. A. have resolved to feature business men's physical exercises and an hour each week between five and six o'clock every Thursday will be set apart for that purpose.

**ISLAND NURSE GRADUATES.**—The Boston Post says: a banquet was given last night by the staff of doctors of the Frost Hospital, Chelsea, Mass., in honour of the graduating class of nurses of September 1919. The names and home addresses of the graduates are as follows: Miss Anna Neilligan, St. Louis, Prince Edward Island, Miss Agnes Murphy, Canton, Mass, Miss Mary Reardon, Canton, Mass, Miss Catherine MacInnis, Halifax, N. S., Miss Grace Grutchfield, London, England, Miss F. M. Toddle, St. John's, Nfld. The Boston Post wishes all the young graduates much success in the different fields of nursing.

**SUCCESSFUL RANCHER AND POULTRYMAN.**—Mr. J. B. Rompough of Fern Garden, Mount Edward Road is extending his wellknown foothold there and is putting in fifteen additional pens, making a total of twenty-five. Mr. Rompough reports good luck with his pups this year, having sold quite a number for breeders, and still retaining some. As a poultry raiser Mr. Rompough has had wonderful success this season. His pen of eight hens have just completed their laying year and in the year they produced a total of 1522 eggs. One of his hens has laid a total of 283 eggs since the first of January. A wonderful record. Mr. Rompough uses all trap nests in his poultry run and a complete record in this way kept of every egg that is laid.

**MCKENZIE-NICHOLSON WEDDING.**—A very quiet but pretty wedding took place at the home of Mr. Peter Nicholson of Clyde at 615 on the evening of Wednesday, November 5th, when her second daughter, Christy Ann was united in marriage with John D. McKenzie of Hartsville. The ceremony was performed by Rev. R. H. Stavert in the presence of a number of the immediate relatives and friends of the contracting parties. The young couple were unattended. The bride who was given away by her brother Duncan was dressed in mace silk. When the ceremony was over the guests sat down to a dainty lunch to which all did ample justice. After a short wedding trip to Sackville and other points in New Brunswick, Mr. and Mrs. MacKenzie will reside in Hartsville. Mrs. MacKenzie's travelling suit was a beautiful brown serge with picture hat to match. The Guardian joins in wishing the young couple many years of happy wedded life.

**PHYSICAL EXERCISE FOR BUSINESS MEN.**—Rotarian R. L. Cottor was chairman at the Rotary Club in the Rose and Gray yesterday, when an excellent and much appreciated address was given by Major Fred J. Smith, Secretary of Physical Education of the Y. M. C. A., on the value of physical exercise to a business man—how to keep fit. The Major, who had charge of the recreation and physical drill department of the Y. M. C. A. overseas gave a vivid account of the effect of healthful recreation in maintaining the morale of the forces at the front. Now that the boys are home something should be done in every community to maintain interest and participation in recreation, not only on the part of the returned soldiers but the scholars in the public school and those boys who had left school. A program should be planned for next summer so that the physical condition of the rising generation in civil life would be as well looked after as was that of the boys at the front. He advocated for business men an hour's simple physical exercise three times a week, and said the Y. M. C. A. were providing for this for all who cared to take the advantage. A number of members enrolled, and a hearty vote of thanks was accorded the Major for his address.

Mr. Chester McLure, Manager of the Fur Sales Board, has just returned from New York having gone there to meet with the fur interests regarding Silver Fox skins.

Mr. McLure when asked about the recent London sales reports, stated that the decline of 50 per cent on Silver Fox skins at the November Auction Sales in London was nothing more than could be expected, as the fox breeders were entirely the cause of the decline themselves, due to improper marketing of skins. He also said there was only one thing that can avert a serious decline of Silver Fox and that is some system of co-operative marketing, or in other words, the fox breeders controlling the sale of their own product.

It looks as if the beginning of the end of high prices is in sight, as the American markets will also be affected by the decline in London, unless some precaution is used in marketing our goods. The American markets at the present time have absorbed practically all of last year's offering without showing any unfavorable depression, but on the other hand showing a stronger market.

Mr. McLure through the Fur Sales Board has made arrangements through different furrers and in fact has secured their orders to supply their requirements with a number of skins. These will be procured either by consignment or will, if necessary be purchased from the breeders. With the quantity of skins offered this year being possibly less than last season, the fox breeders should be in a position to hold together and work out a basis so that no types of skins would be made to material suffer a great depression. However, this matter remains entirely with the people themselves.

**NAVY LEAGUE CAMPAIGN.**—The collections for the Navy League are now beginning to come in from the country. An exceptionally good return was from Granville Poll, amounting to \$50. The people of that district are to be congratulated upon the interest they have taken in this worthy cause. It is expected that all country districts will be making their returns shortly.

**THEY MAY GET A SURPRISE.**—Joe Ahern, who is allowed to use up considerable space in the Halifax Mail, spouts as follows in the last issue of that paper: The Manager of the local hockey team which will invade Springhill, Amherst and Charlottetown during the New Year, has already signed up five players, and after giving the bunch the once-over, he is getting for the Rangers, Kings and Vics on the Island. Talk about speedboys, well this bunch will go so fast that the invaded towns will think that Ottawa Senators are in town.

**SUCCESSFUL AUCTION.**—The auction at Frank H. Roper's, East Royal, Wednesday was very successful. There was a large attendance and good prices were realized. The total proceeds were in the vicinity of \$2,000. The live stock sold included some pure bred Guernsey cattle in the breeding of which the Roper Bros have specialized with a large measure of success, winning the highest prizes at fairs at home and abroad. Among the purchasers of Guernseys were Captain John L. Read of the carrier; J. T. McKay, Moncton, N. B. E. J. Smith, E. Wheatley and L. W. Roper Charlottetown. Cattle were also sold to St. Dunstan's College, Irwin Ferguson, Milton; D. N. McKay, Bradshaw and others. The highest price paid was \$163. The horses also sold well, among the buyers being Brenon MacMillan who has bought Mr. Roper's farm. Mr. Peter Brodie, M. L., was the auctioneer.

**HOWATT-MCNEILL WEDDING.**—A very quiet but pretty wedding took place at the home of Mr. and Mrs. Wm. McDougall of Hunter River at 745 on Wednesday, Nov. 5th, when Miss Josie M. McNeill, daughter of Mr. and Mrs. Walter McNeill of Milton, was united in marriage with Mr. Vernon T. Howatt of Charlottetown. The ceremony was performed by Rev. R. H. Stavert in the presence of a number of the immediate relatives and friends of the contracting parties. The groom was attended by Mr. Geo. A. McDonald, while the bride was waited upon by her sister Miss Katie McNeill. The wedding march was played by Miss Eda Nicholson and "The Voice that Breathed o'er Eden" was well rendered by Miss Lulu Silliphant and Miss Ruby McDougall. After the ceremony was over the wedding party left by car for the home of the bride's father where a sumptuous repast awaited them. Mrs. Howatt's travelling suit was of navy blue serge with hat to match. Mr. and Mrs. Howatt will reside in Charlottetown. The Guardian joins in wishing the young couple many years of happy wedded life.

**WE** were among the first to put up tea in sealed packages.

We were the first to use automatic electric weighing machines so as to insure accurate weights.

We were the first to make known the qualities of the now world-famous ASSAM teas.

And we are now the first to adopt a new package for the better protection of these fine quality teas.

The lead package has served its purpose well for generations, but it was easily broken or torn, allowing not only a loss of tea from the package but exposing the tea to the air, odors and dust that it was so necessary to protect the tea against.

Our new package—the waxed board carton—is stronger, more secure and more completely air tight; altogether the best container for tea that has yet been devised.

**With Three-Point Suspension Springs New Overland 4 Seems to "Sail Over the Roads"**

**THE** new Three-Point Suspension Springs of Overland 4 permit the wheels to go up and down but protect car and passengers from ordinary road jolts. Bumping, twisting, swaying and vibrating are wonderfully lessened.

The springs of Overland 4, attached at the ends of a 130-inch Springbase, give the riding comfort and road steadiness heretofore possible only with cars of long wheelbase and great weight, yet Overland 4 retains the light weight and economy advantages of 100-inch wheelbase.

Three-Point Suspension Springs protect the car from the hammering and wear of road blows. They lengthen its life and reduce upkeep costs.

Equipment of Overland 4 is dependable and complete from Auto-Lite Starting and Lighting to Demountable Rims.

250,000 miles of test have made the strength and endurance of this car a matter of record.

See Overland 4 at the first opportunity. Ask for Booklet. Overland 4 Touring, \$1195; Roadster, \$1195; Coupe, \$1845; Sedan, \$1995. Prices f. o. b. Toronto, War Tax included.
