

Why a Cold "Hangs On."

Stop and think a minute. The tickling in the throat, the tight feeling in the chest and that racking cough are only the results of the cold, not the cold itself. To apply a soothing medicine to the irritated membrane does not cure the cold. The lungs, throat and nose are nature's exits for the poison, but the cold is in the system.

Shiloh's Consumption Cure will Cure a Cold.

It will cure a cold when it has developed so far as to be Consumption. "Shiloh's" supplies the blood with the vitality necessary to kill the germs and drive the dread disease out of the system.

Why keep on treating the results of the disease. Take "Shiloh" and you will cure the disease itself, and leave the system strong to resist future attacks. "Shiloh" is guaranteed to cure. If you are dissatisfied after using two thirds of the bottle take the remainder back to your druggist, and he will refund the whole of the purchase money.

James South of Vancouver, writes:

"S. J. Wells & Co., Toronto—I suffered for years from a cough and tried scores of remedies. Occasionally it would disappear for a few days, but would inevitably return—worse than before—I tried Shiloh's Consumption Cure and from the first day my cough was relieved and finally it left me. For over eleven months I have been quite well and I never tire of praising your grand medicine."

The Pioneer states that the track made by the Stanley during her eventful sojourn on the S'Side, Cape Tormentine route is almost open and has not been crossed for some days past. That the track is almost open is pretty near correct but just as that paper was going to press, yesterday forenoon a team crossed the track referred to quite near the railway wharf where teams have been crossing daily. It is considered very dangerous however, and any one valuing their life or that of their horse, should travel clear of this route.

A VERY pretty wedding took place at the home of Mr. Cornelius Leards, Lower Bedeque on Tuesday evening March 26th when his daughter Miss Helen was united in marriage to Mr. Howard McFarlane of Sea Cow Head. The ceremony was performed by Rev. E. P. Calven. The bride was neatly dressed in a suit of pearl grey with white trimming. After the ceremony a few of the most intimate friends partook of a repast such as can be gotten up on'y by women like Mrs. Leard. The many friends join in wishing Mr. and Mrs. McFarlane a happy journey through life.

Great Victory.

BARNABY RIVER, N. B. Mar.—Few cases of illness and recovery have excited the interest in this community, as has the kidney trouble of Mr. Cornelius Crotte.

Mr. Crotte's treatment by the doctors at home and in the hospital, and the fact that they absolutely gave him up as a case beyond all hope, is well known. His subsequent restoration by the use of Dodd's Kidney Pills reads like a miracle. "For five years I have suffered off and on with kidney trouble. Last fall I had an attack, for which the doctors had little hope of my recovery. I was obliged to go to the hospital for treatment, but it did me no good, so I came home given up by the doctors. A friend suggested Dodd's Kidney Pills. From the first box I improved. Now I am at my work every day."
