Cut This Out

OLD ENGLISH RECIPE FOR CATARRHAL DEAFNESS AND HEAD NOISES.

If you know someone who is troubled with head noises, or Catarrhal Deafness, cut out this formula, and hand it to them, and you will have found the means of saving some poor sufferer perhaps from total deafness. Recent experiments have proved conclusively that Catarrhal Deafness, head noises, etc., were the direct cause of constitutional disease, and that salves, sprays, inhalers, etc., merely temporize with the complaint and seldom, if ever, effect a permanent cure. This being so, much time and money has been spent of late by a noted specialist in perfecting a pure, gentle, yet effective tonic that would quickly dispel all traces of the catarrhal poison from the system. The effective prescription which was eventually formulated, and which has aroused the belief that deafness will soon be extinct, is given below in understandable form, so that any one can treat themselves in their own home at little expense.

Secure from your druggist 1 oz. Parmit (Double Strength), about 75c. worth. Take this home and add to it ½ pint of hot water and 4 oz. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day. The first dose should begin to relieve the distressing head noises, head ache, dullness, cloudy thinking, etc., while the hearing rapidly returns and the system is invigorated by the tonic action of the treatment. Loss of smell and mucus dropping in the back of the throat, are other symptoms that show the presence of catarrhal poison, and which are often entirely overcome by this efficacious treatment. Nearly ninety per cent. of all ear troubles are directly caused by catarrh; therefore, there must be many people whose hearing can be restored by this simple home treatment.

Every person who is troubled with head noises, catarrhal deafness, or catarrh in any form, should give this prescription a trial.

Important Note: In ordering Parmit always specify that you want double strength. Your druggist has it or he can easily get it for you. If not send 75c. to the International Laboratories, 74, St. Antoine St., Montreal, Que., Can., and they will supply you. Postal note or money order.

ATTRACTIVE PHOTO.—In the show case of Bayer's studio on Grafton Street appears an excellent large sized photo of Dr. Leo Frank the well known fox rancher. Judging by the picture the doctor is evidently as much an enthusiast over canines as he is about foxes for in his hands he is holding a couple of the cutest looking Ruby Spaniels one would wish to see, which were purchased from Mr. George Chilton, the well-known dog fancier.

ST. DUNSTON'S JUNIOR DEBATING SOCIETY.—A junior debating society in connection with St. Dunstan's has just been formed. The office holders are: President, W. J. Maxwell Murphy; Vice-President, Mr. Martin J. McGulgan; Secretary, Mr. Ernest P. McCarvell. On Wednesday last the first debate was heard, the subject being—"Resolved that the Volunteers are more efficient than the Constabulary." Several excellent speeches were made on both sides, and the result of the vote was conscript 31, volunteer 21. The meeting was then adjourned till next Wednesday evening, when the subject of the debate will be—"Resolved that the Automobiles should be run in Prince Edward Island." Affirmative W. J. Maxwell Murphy, negative Mr. Eugene Rooney.

WHOOPIING COUGH.—There appears to be an epidemic of whooping cough around Glenwood district as many as four of family suffering from it now. It is well that mothers should know that whooping cough is very contagious when the cough first begins. Then it is very dangerous to suckling children between 1 and 3 years. The mothers should know if a child of hers has taken the disease she should see that the little one is kept apart from other children for the length of five weeks. Then in addition the other members of the family must keep away from school unless they have had whooping cough. A little knowledge would save many a little one's needless suffering.—W.

At Montague on October 6th 1916, Sarah Campbell, daughter of the late Donald Campbell, and wife of the late Robert Stewart, passed to her eternal reward, after a lingering illness of several years. Mrs. Stewart who was 58 years of age, leaves to mourn her loss, and revere her memory, one loving and ever faithful daughter Lulu, and two sons, Ira and Jay, all at home, also one sister in the United States, and three brothers who, too are absent from their native Province. The deceased was a devoted Christian, a loving mother and a kind and affectionate wife. In disposition, she was quiet and retiring and the esteem in which she was held was attested by the many beautiful floral tributes, which were placed by loving hands upon her casket. The funeral service was conducted at the home of the deceased, by Rev. G. C. Henry of the Christian Church, of which she was a loyal member. The interment took place in Brudenell Cemetery, and notwithstanding the cold day, a large crowd gathered to pay their last respects to one so dearly loved and highly honoured. The only daughter and sons, have the sincere sympathy of the entire community, as they mourn for their kind and affectionate mother.

There passed away at the P. E. Hospital, on Saturday, Nov. 11th Mrs. Thoma McKinley, aged 21 years, only daughter of Mr. and Mrs. Samuel McKay, Riverton, N. S., leaving a sorrowing husband and little daughter to mourn their loss. On Sunday evening Rev. Dr. Fullerton, assisted by the choir of St. James' Church, held a short funeral service at the home when he spoke in tender words of the useful life so early cut off and the loss sustained by her husband, little daughter as well as parents to whom their daughter's sudden death was a severe shock. The following morning the remains, accompanied by Mr. McKinley and Mr. and Mrs. McKay were forwarded to her old home for burial when her old pastor, Rev. G. C. McIntosh of Stellarton, and Rev. Mr. McVicar of Eureka officiated. The floral tributes were very beautiful and included several from her old home, expressive of the deep sympathy for the bereaved.—From Charlottetown: Pillow, Carvell Bros.; wreath, employees Carvell Bros.; crescent, Mr. and Mrs. Monside; wreath, Gay Sharan Church choir; wreath, Master Orvell and Ellen McKay; anchor, Mr. and Mrs. J. Particulars of the death of Lieut. Glen Norton who was killed in action on October 3rd, are now at hand.

He was struck with the fragment of a shell while looking after the communications of his Brigade, and lived one hour after he was struck. He had a military funeral and was buried in the Cemetery at Albert, France.

Letters of sympathy from Gen. Sir Sam Hughes, the Duke of Connaught Sir James Aiken and others, spoke of the splendid character of Lieut. Norton and his conspicuous bravery at the front.

In one of his letters to his mother received after his death, in speaking of his brother Wendell, whom his mother thought too young to go overseas, he said, "Don't hinder him; encourage him to go, this is the place for every young man. Although I am sick and tired of it all, I never for one moment regretted having come."

Lieut. Norton, who was in his 25th year was born at Cardigan Bridge, P. E. Island and attended Prince of Wales College before leaving for Winnipeg, where the family now reside. The Winnipeg Free Press gave the following further particulars: Lieut. Glen Norton reported killed in action, was a son of J. F. Norton, of the Norton Land Co., who resides at 113 Chestnut street. Another brother, Jack Norton, who went to the front early in the war, was gassed and is seriously ill in England. A third brother, Wendell Norton, is at present with the 196th battalion at Camp Hughes. The Norton boys were among the first to offer their services and they went to France in 1915. The late Lieut. Norton went to the front as a private. He was appointed to the staff in July last, and since that time held the important position of signalling officer to a Canadian Infantry Brigade. He has been through all the heavy fighting in which the Canadians took part. Before leaving Winnipeg he was a law student with the firm of Aikins, Fullerton & Co.

WASHINGTON, November 16.—Announcement last night of the State Department's action in instructing the American Charge d'Affaires at Berlin to communicate with the German Foreign Office on the subject of deportation of Belgians, brought out a flood of inquiries today for details and explanation of the department's action.

Secretary of State Lansing repeated the department's action as it was set out in last night's despatches, and made this statement:

"The United States has not made an official protest to Germany, but has suggested to her what a bad effect on neutral opinion, particularly in the United States, such action might have. The instructions to Charge Grow, to discuss the matter with Chancellor von Bethmann-Hollweg, were sent at the suggestion of the Belgian Government.

"The American action was not meant, in any sense, to be a criticism of the German Government's policy. We do not know the full facts in the situation and cannot form a judgment until we have heard them."

without the power to enforce them. The only voices which could speak with influence now were the voices of the cannon on the various fronts. "It is useless," said the Marquis of Crewe, "to threaten in the terms of a peace until we are able to impose these terms by obtaining complete victory."

The admiralty, continued the Lord President, had been singularly successful in the destruction of enemy submarines, but the efficiency in dealing with this menace had increased. The Earl of Lytton, Civil Lord of the Admiralty, having denied that the fleet had departed from its traditional

LONDON, November 16.—Of the total British tonnage of steam merchant shipping of 1,000 tons and over at the beginning of the war, the net loss to September 30, 1916 was slightly over 2½ per cent. Thomas J. McNamara financial secretary of the British Admiralty, told a questioner in the House of Commons today. This, he said, includes losses from all causes, whether war or marine risks.

(Canadian Press Despatch)
LONDON, November 16.—The matter of the destruction of British shipping by German submarines came up in the House of Lords this afternoon. Baron Sydenham invited the Government to make a declaration in the nature of "a ton for ton" policy, in behalf of Great Britain and her Allies, as a reply "to the monstrous proceedings" of the German submarines. He declared that there was an uneasy feeling in this country that the submarine menace was more serious than the authorities were willing to admit.

Admiral Lord Beresford said that Great Britain had arrived at a serious crisis calling for energy and foresight. It was time for plain speaking, because the House of Commons and the newspapers had been misled by the most autocratic government since the time of Pharaoh.

"Had the blockade been properly enforced from the first," he asserted, "we should not have been faced by this submarine menace." The Marquis of Crewe, Lord President of the Council, replying for the Government, said it was useless to make such declarations as Lords Sydenham and Beresford demanded.

Over 400 Complete Songs with Words and Music • Over 500 Pages

Lead, Kindly Light

The words of this beautiful hymn were written by Cardinal Newman and published anonymously in 1832, in the "British Magazine." John B. Dykes composed the music, and both words and music are known and loved wherever the English language is spoken. Cardinal Newman was for many years a priest of the Catholic Church in England, being made a cardinal in 1879. He will long be remembered for his masterful defense of his faith in a controversy with the great Gladstone, known at the time as "the battle of the giants." His whole life was one of sincerity and saintliness, and his memory will always be revered by his countrymen. He died in 1890.

The music was written by the author of "Nearer My God to Thee," and "Jesus, Lover of My Soul"—as noted above—who ranks among the greatest of English musicians.

"Heart Songs" contains many sacred songs and melodies which are adapted to ritualistic work, as well as home, church or Sunday school. The music and words are the highest expression of true religious faith, regardless of creed or denomination.
