THE KING'S COUNTY GUARDIAN

Office in Montague, Capt. W. A. Johnstone, Manager

The latest news, first of all. H. D. McEwen, Morell, was in Charlottetown Saturday.

The schooner Enterprise is in Montague with a cargo of molasses.

Any person who desires to act as this paper's representative at Souris, should write Manager, The Guardian, Charlottetown, at once.

On Sunday morning, in the Presbyterian Church at Murray Harbor, Rev. A. J. McNeill, before delivering his sermon, quite properly called the attention of his congregation to the annual school meeting which takes place this evening, pointing out the duty of the rate-payers, whom he said should view the situation from a broad and patriotic standpoint.

The following are the Montague market prices:—Oats, per bus. 50c., potatoes per bus. 30c., butter per lb. 15c., hides per lb. 7c., eggs per doz. 10c., and pork per lb. 8 to 10c.

Lumps Like Iron On His Fingers

Peculiar Trials of a Westerner That Neglected His Rheumatism.

This is no ordinary case—five doctors endeavored to relieve and cure Mr. J. E. Germaine, Port Arthur, and all failed to bring in this awful suffering even temporary relief. "I am over sixty years of age," writes Mr. Germaine, "and as far back as I can remember I have always suffered from rheumatism. It was principally on the large muscles of my back, but extended to my limbs and made me quite a cripple and I found it very difficult to get work. I am a grain shoveller, and any work seemed to make matters worse. I did very little towards a cure till last fall when my case became very acute. I was unable to stand the chilling winds and outdoor exercise at all. I went from one doctor to another—five in all—but got no relief. My muscles and joints stiffened, ached intensely and hard lumps came out on the tendons of my fingers and wrists. In blank despair I went to the drug store and got five bottles of Nerviline—paid one dollar for the five. I took it internally and used it outward as a rub. Two days made a change—a week saw an improvement—four weeks saw me well. I was cured, free of stiffness, pain and suffering. Nerviline did it all. How I do wish all sufferers would use Nerviline also. I'm sure it will cure them all. Thousands of cases just like this could be told—nothing else is so certain in rheumatism, neuralgia, sciatica, and lumbago as Nerviline. Scientific substitutes, and try a 25c. bottle to-day.

MIRACULOUS ESCAPE OF TWO FAMILIES.

OTTAWA, June 15.—During a severe thunderstorm, last night, a large frame house on the Montreal Road in which two families were at the time sleeping, was almost completely wrecked, and the inmates, consisting of four adults and five children, escaped death or serious injury in a miraculous manner.

GENEROUS OFFER IS BEING CONTEMPLATED.

LONDON, June 15.—It is stated here that the Canadian Government is contemplating a "very generous financial offer to Imperial Government" to be expended in the Naval Defense, in such a way as may be decided by Imperial Government at an Imperial Defense Conference.

NEW TRADE MARKET FOR NEWFOUNDLAND.

ST. JOHN'S, June 15.—Richard Griggs, Imperial Trade Commissioner for Canada, arrived here yesterday from Montreal to assist in organizing a Board of Trade and also in creating a Trade Department of the Government. The movement, which is in the interests of opening new markets for Newfoundland, has support of all sections and political parties.

Family Physician Said Incurable She Was Cured Completely by Dr. Hamilton's Pills.

A Terrible Experience With Indigestion.

Another example of the marvelous merit of Dr. Hamilton's Pills comes from Kingston, where Mrs. E. V. Holton was snatched from the grave and restored to sound health by this wonderful medicine. "Three weeks ago I was taken suddenly ill. My head throbbed and ached and I became so dizzy that I had to go to bed. There was a terrible feeling of weight and fullness in my left side and all the region of my stomach and liver was sore even to touch. I was in a terrible state—had no appetite, in fact I was afraid to eat because of the suffering I had to endure after meals. I got so bilious and had such pains across my eyes that I could scarcely see. My doctor said I had incurable indigestion. "As a last hope I used Dr. Hamilton's Pills, I saw clearly they were doing me good and continued the treatment. My appetite and strength gradually returned—my color improved and day by day the stomach and liver derangements were less troublesome. All symptoms of biliousness and indigestion have now had to go. I am cured by Dr. Hamilton's Pills. "The same medicine that so wonderfully cured Mrs. Holton will cure anyone else of biliousness, constipation, indigestion, headache, poor color and stomach trouble. Get Dr. Hamilton's Pills to-day—refuse any substitute. 25c. per box, or five boxes for \$1.00. By mail from The Cattarhogue Company, Kingston, Ont.

HIS GREATEST HAPPINESS.

Four-year-old Lee's older brother was just convalescing from an attack of typhoid fever, and the fact that all solid food had been forbidden, not even much liquid could be given, had made a very strong impression on Lee's mind. The little fellow and his mother were invited out to dinner with a friend. Shortly after our arrival there the friend said, "Well, Lee, we haven't any playthings for little boys. What shall we do to amuse you?" And Lee replied, "Just let me eat."—The Delinquent for July.

A GOOD STOMACH.

Means Good Health, Cheerfulness, Ambition, Persistence and Success.

Mi-o-na will cure your dyspepsia or any other stomach trouble by building up the flabby walls and making the stomach so strong that it will digest food without peptic or other artificial aid.

In other words, Mi-o-na cures dyspepsia by removing the cause.

Mr. Geo. J. Jenkins is the agent for Mi-o-na in Charlottetown and he says to every reader of the Guardian whose stomach is weak, who has indigestion or dyspepsia, that Mi-o-na is guaranteed to cure or money back. The price is only 50 cents a large box, and one box is all you need to prove that you are on the right road to health and happiness.

Mr. Geo. J. Jenkins, of corner Mill and Park Streets, Charlottetown, Ont., says: "For about ten years I have been severely troubled with stomach trouble and indigestion so bad that I could not retain my food after eating. I could not eat meat, or scarcely anything, and had headaches and constipation. I secured a package of Mi-o-na with the result that now after having taken two boxes I am entirely cured and can eat anything, digest perfectly and am feeling fine. Mi-o-na also overcame my constipation. I am only too glad to publicly endorse and recommend Mi-o-na."

Whoever "The Expert Tailors" are There will go-- Those who Desire Expert Tailoring. This fact was clearly demonstrated in our case last week. We have been only a few days in our new store, yet the amount of business we have done in that time, nearly double that of any full week in our history—and that is saying a good deal. We are going to exert every effort during the next couple of months to break all our past records—in the way of business getting, and from present indications our tasks will not be a difficult one. Our bright new store is just three blocks below our old one. From the centre of the town, it will only mean a few steps for you in order to reach us—and will allow a short walk to stand between them and a suit of clothes—Tailored by Experts. Leave us your order to-day; we guarantee satisfaction. Remember the place 73 Lower Queen St. dmwfmf.
