### IN MEMORIAM

MISS KATIE MacAULAY  
On the 28th day of November last, the district of Tracadie Cross, and vicinity was saddened when the news of the death of Miss Katie MacAulay became known. By the death of this lady we have lost one of the most respected and charitable ladies that ever resided here. Although she was not in robust health for some time previous to her demise, she was only one week confined to the bed. She was attended in her last illness by Reverend Father Murphy. Her funeral which was very largely attended, went its way to the Catholic Church at Tracadie where a Requiem High Mass was celebrated by Reverend J. B. McIntyre for the repose of her soul. Her remains were laid in the adjoining cemetery to await a glorious resurrection. She leaves to mourn three brothers, Angus J. on the homestead, Joseph of Donaldson, Ronald of Bangor, Maine, and two sisters Mrs. John Murphy of Charlottetown, Mrs. Ricks of Oakland, California. May her soul rest in peace.

### JOHN STEWART

The residents of Stanchel and adjoining settlements were surprised when they heard of the death of one of their respected neighbours—John Stewart. He accompanied by his brother Malcolm, started for New York at the beginning of the year when he had a serious operation performed. Although of a strong, robust nature yet it pleased the Disposer of all events to call his spirit back to Himself on January 8th. The brother was unable to accompany the remains having taken a severe attack of La Grippe. The body arrived home on January 11th and the funeral took place from his residence on the following day. Although the notice was short a large number attended the service which was performed by the Rev. Daniel MacLean and interment took place in Springton Cemetery. The deceased was unmarried and leaves behind to mourn their loss one sister Mary, who lived with him, Mrs. Courtney of New Westminster, B. C. and one brother Malcolm. Another brother Alexander died in December last in New Westminster, B. C. The following acted as pall-bearers for their respected neighbor and friend, Mr. Henry Dixon, John MacDowell, Daniel Dixon, Donald Nicholson, J. D. Matheson and Donald Lamont.

### HARRY BALDERSON

The funeral of the late Harry Balderston, took place from his father's residence on Tuesday, January 16th, and although the day was not very favorable a large number from city and country attended. Harry was one of the bright young men of the Province graduating very early in life from the P. W. C. and taught for a few years, but on account of declining health had to retire. For the last two years he bore sickness so patiently that his patience and joy of those who visited him, but also of those who waited upon him. With firm faith in the atonement made by Jesus Christ on Calvary's cross he committed his spirit unto Him who bore our sickness and carried our sorrow, who was wounded for our iniquities. We look upon the cold and silent form of one so young and so bright and wonder why an All-wise God should remove him into eternity. But we are told in His word that "He will make all things work together for good to those who love Him to be called according to His purpose." That should be sufficient for us, and how before Him in the submission and say "They will be done." Harry leaves behind not only parents but a number of brothers—one of whom Chester—is serving his King and Country—sisters and a very large circle of friends to mourn his loss. The burial service was performed by the Rev. D. MacLean and Messrs John Beaton, Edward Stewart, Wm. MacCallum, Stewart Henry, Harold Beaton and John MacLaren, interment in Calvary Church Cemetery. Harry has not lived in vain although for only 21 years.

"S. O. S." CALLS FROM VESSEL IN DISTRESS

POSTON, Jan. 21.—Wireless signals of distress from the Swedish steamer Scandinavia, three times repeated and the last call very faint, were picked up early Friday morning by the British freighter Star Point, her officers reported upon the steamer's arrival from Liverpool today. As the Scandinavia's calls gave no position, and as the Star Point at the time was battling with a gale, it was explained, no attempt was made to reach the distressed vessel.

### GIRLS! DRAW A MOIST CLOTH THROUGH HAIR, DOUBLE ITS BEAUTY

Try this! Hair gets thick, glossy, wavy and beautiful at once.

Immediate—Yes! Certain?—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine—and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, and brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses purifies and invigorates the scalp, forever, stopping itching and falling hair but what will please you most will be after a few weeks use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty soft hair, and lots of it, surely get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet appointments.
