Tiny Challenger Ready For First Contest Of Series

Neither Pilot Ventures Any Predictions — Wood Has Yet To Be Forced Out Of Race By Mechanical Difficulties.

(By David J. Wilcox Associated Press Staff Writer.)
ALGONAC, Mich., Sept. 1.—Her bottom carefully coated with three layers of graphite, Miss Britain III, the tiny English-built hydroplane with which Hubert Scott-Paine hopes to lift the Harmsworth Trophy was declared by her mechanics and pilot tonight to be as nearly ready for tomorrow's contest with the giant defender, Miss America X, as their skill and ingenuity could make her.

can "give Wood a race," and finish each heat against him. Wood has said his boat is ready for a stiff race and he has no fear that it "might crack" under the extra speed he may be forced to develop. In all his Harmsworth careers Wood had never been forced out of competition by mechanical difficulties—a fate which has overtaken virtually every foreign contender. Wood was beaten in one Harmsworth heat by Kaye Don in 1931. Aside from this instance, however, only one other contender ever finished a race against the grey-haired speedboat wizard of Algona. All the others have been pursued by a jinx that clogged fuel lines, fouled spark plugs, cracked crankshafts or otherwise put them out of competition.

HOLY NAME TOURNAMENT

Ch'ship Won By Great Village

(Canadian Press)
TRURO, N. S., Sept. 1.—Great Village captured the Central Nova Scotia baseball league championship today by defeating Shubenacadie 13-10. Both sides were rampant at the bat but errors by Shubenacadie told against them.

McLean Trophy

The beautiful McLean Trophy so generously donated by Hon. A. E. McLean at the beginning of the baseball season of 1931 now has been awarded to Tignish.

True, the above prize has not at all been afflicted with wanderlust; nor has a change of climate, or scenery been at any time necessary to fulfill the clauses of the Constitution which controls its residence.

During the seasons of 1931-32 and 33, it was decided on the field of "Swat" just where Mr. Trophy would spend the remainder of his ornamental life, and at the end of each season Tignish always had the greater rights. At the conclusion of the third season; those rights became absolute, and the McLean Trophy is now the legitimate property of the Tignish Athletic Club. We congratulate Tignish team on their splendid success, and the sporty spirit they always displayed in their contact with opponents. We regret very much, that the prowess of Tignish was so broadcasted that some of the finalists were uncontented games. This condition may be good strategy on the part of those who default, but even if Tignish team should grow a little heady, they will not neglect to develop brown to a corresponding degree for the season of 1934.

The following is the lineup:
Hollis Morrissey (Captain) Catcher; Jimmy McDonald, Pitcher; Jerry Buote, First Base; Oswald Murphy, Second Base; Hector Buote, Third Base; Willie Allan, Short Stop; Gregory McInnis, Right Field; Alban Murphy, Centre Field; Francis Hennessy, Left Field; Willie Perry, Spare; John A. Hackett, Coach; J. B. Morrissey, Manager.

WINS JUNIOR BALL TITLE

(Canadian Press)
SPRINGHILL, N. S., Sept. 1.—Breaking into a batting rampage that lasted throughout eight innings, Springhill Red Sox beat Amherst St. Pats here today to win the Cumberland County junior baseball championship 15-2. St. Pat's made their two in the last frame which the Sox left unfinished.

ANCHORS TAKE FIRST GAME OF PLAYOFFS

Eastern Section Title-holders Lose Close Tilt to West-end Team — Score is 3 to 2.

"Hooker" White's sharp single to right field in the sixth inning, scoring E. Stanley from second base, enabled the Anchors to turn back the Eastend Ravens last night 3-2. It was the first game of the final series for the Industrial Baseball League title. The winners will be decided by the team winning four out of seven.

The game was close and hard fought all through with the breaks eventually deciding the tilt. The losers gained a two run lead in the second frame when Martin singled to open the inning; O'Connor was struck by a pitched ball and then J. Monteith came through with a safe hit, scoring the two men on base. Dillon fanned, Monteith at second; W. Monteith drew a pass but O'Neill fouled out to Chipman to end the inning.

Professional Title Won By Pearce In Decisive Manner

Giant Australian Gives Impressive Display Of Sculling To Defeat Ted Phelps Of England By Nearly Quarter-Mile.

(By Elmer Dulmage Canadian Press Staff Writer.)
WATERFRONT, Toronto, Sept. 1.—Skill toying with the great names of sculling, giant Bobby Pearce, of Australia, tonight took over the world's professional throne by defeating Ted Phelps, stocky Thames boatman from England by nearly a quarter-mile in a three-mile duel for the title.

Just As Easy
It was just as easy for the six-foot blonde as it was for him to sweep aside the amateurs in other days, and win two Olympic championships, the historic Diamond Soula and the British Empire title. A crowd of 45,000 watched him pull away from the champion in the first 25-yards and parade along to the finish in a grand triumphant march.

Losers Collapse
Phelps collapsed at the finish, after pulling over the line, a minute and 20 seconds after the new champion had driven his trim shell into new title waters. Pearce's time was announced as 19 minutes, 25.6 seconds—one of the fastest three-mile trips ever made in a singles shell.

BRITISH STAR SUCCEUMS TO U.S. CHAMPION

(Associated Press)
EXMOOR COUNTY CLUB, Highland Park, Ill., Sept. 1.—England's hopes of winning the United States women's golf championship prize were struck dead at Exmoor today by the defending champion, Virginia Van Wie of Chicago. She defeated Enid Wilson by the astounding score of 6 and 5 by shooting under par.

Miss Wilson spread-eagled her field for four successive days with a burst of par-breaking golf. Then she went stale.

Joining Miss Van Wie in the finals was one of her firmest friends, Helen Hicks of New York, 1921 champion, who romped home with a victory almost as big as Miss Van Wie's, a 6 and 4 conquest of Maureen Orouit of Hawthorth, N. J. The two American girls will meet for the title tomorrow over 36 holes.

REGISTERS 20TH VICTORY

(Canadian Press)
TORONTO, Sept. 1.—Luke Hamlin registered his 20th victory of the season against 18 defeats when Maple Leafs defeated Rochester Red Wings 4-3 in the opener of a three-game series. The Wings got nine hits off Hamlin but he was strong in the pinches. He also contributed a timely single that drove in the tying run in the sixth inning after the Wings had twice gone to the front.

ENTRIES KEEP COMING

Entries for the Kelly-McInnis 10-mile marathon keep coming in, the latest to be received being that of Alex McEachern, of Mt. Stewart. The Mt. Stewart boy was an entrant in last year's race and is reported to be in wonderful shape. Word from Bristol, the home of Harry McEwen, twice winner of the Patriot race, is to the effect that Harry is hard at it and is in the best shape of his career.

DOWN THE BACK STRETCH

The Grand Circuit is idle this week, that is there will be no racing. It will be resumed next week at the Indiana State Fair, Indianapolis.

Some good racing took place on the final day of the Grand Circuit at Springfield, Ill., last Saturday. Uncle Tom, a comparatively green pacer by Colonel Armstrong, won the 2.15 Pace in straight heats, stepping the third and final heat in 2.01. The three year old pacer for 2.20 paces was won by Gene Volo by Peter Volo, best time 2.06%. The 2.20 trot by Laonic, a converted pacer, in straight heats, best time 2.08%. The 2.20 pace was won by Abbie Scott, best time 2.03% in the second heat, Flo Henley winning the first heat in 2.05.

Canadian thoroughbred circles have received a stunning blow with the announcement that Wilfred Davies of the Thorncliffe Stables will retire from active participation in the sport. All the horses in training will be sold at a public auction. The Davies stable was the oldest thoroughbred racing establishment in Canada.

Among the many welcome visitors at Exhibition time to our Province was W. S. Newsome, who formerly resided in Charlottetown. Mr. Newsome is a great lover of the horse, also a good judge of speed and every winter while here he had a fast one. We remember one particularly good pacer he had the winter of 1914. This lad Mr. Newsome entered along with some others in a race. The boys commenced to shout and make such an awful racket that the pacer who had no such restraining influences as the hoppers, made a break finding that this was an effective way of disposing of an opponent the others kept it up every heat with the result that the best horse did not win. W. S. took it in good part, however, knowing it was only meant in fun, but the next day he put an ad. in the Examiner for fifty men to shout at the next races of the Charlottetown Driving Club.

By the way, Mr. Newsome in conversation with the writer, has some kind words to say regarding our Fair. He has been an attendant at the famous Brockton Fair for many years and states that the Charlottetown Exhibition races and show are second to none, taking everything into consideration, and that the Weatherman appeared to be deeply interested.

Sport Briefs

Softball, a modified version of indoor baseball but on a smaller field, is spreading throughout Canada and is also going strong in mid-western United States, there being no less than 500 clubs in Colorado. Toronto is one of the keenest cities for it in Canada, it being a favorite sport at noon hour.

Damon Runyan, the great sports authority writing in the New York American, says it is great exercise which involves no terrific exertion and no tremendous skill, nor is it expensive. Softball has much of the appeal of golf; anybody can play it, young, old or female.

A code for school sports is being promulgated by Dr. Samuel Osbourne and others of the Germantown Academy, Pa. Briefly it is as follows:

1. Never to criticize or dispute the decision of an umpire or referee, even though the decision is obviously wrong.
2. Never resort to unfair tactics in order to win.
3. To preserve a friendly feeling to all rivals.
4. Never to have an alibi when the team loses.

Connie Mack, the manager of the Athletics, whose son was graduated from Germantown Academy last year, wrote to Dr. Osbourne saying,

"I want you to know how much I approve of the whole plan."

The climate of southern California must be very appealing and very delightful for the foreign athletes who started at the Olympic games a year or more ago many have stayed on. Others departed resolved to return. There are at present living there, Felix Renner, Austrian track man, Taika Gon, the Japanese marathon runner, Simeon Forbice, Philippine high jumper, Jorge Perry from Columbia and Jorge Navarro from Ecuador.

Now they are prescribing more novelty for baseball in order to invigorate it and give it more popularity. Says the Boston Post, "Baseball is the one sport that has not changed in thirty years. Baseball, with the sole exception of Babe Ruth who was a fortunate accident has offered nothing specially novel."

American girl athletes are now in training in order to tour Europe with an all-American field hockey team. They will meet the teams of many nations at Copenhagen, Denmark, early this coming month, in the triennial competition of the International Federation of Women's Hockey associations. England
