

THE POPE'S CONDITION.

ROME, Sept. 8.—The Pope yesterday felt some improved physically, as he remained longer than usual in the gardens. He allowed the pontifical photographer to take several sittings of him both in his carriage and walking. He then posed for a photographer in Raphael's Loggia. To the photographer who asked permission to sell the portrait, the Pope said "certainly," give them as large a circulation as possible, thus showing to the world my complete recovery."
