Notwithstanding the reported scarcity of oysters on Prince Edward Island, heavy shipments are being made, the boats running to the mainland carrying hundreds of barrels each trip. The largest single shipment was on Saturday last, when the boat from Summerside for Point du Chene landed 400 barrels at the latter place. These oysters were all for the upper Canadian market, where the demand is, as usual, good. The best hand picked oysters are quoted in Halifax at \$7 per barrel.—Journal.

On Friday evening the choir of the Methodist Church Kensington gave a "Service of Song" which was well deserving a larger audience. The young people have only been in training for a very short time but reflect much credit on their teacher Miss Bentley, who has spared neither time nor pains to prepare them. Mr. Ackland principal, of the High School presided, and as this was his first appearance in that capacity in Kensington the admirable manner in which he performed his duties makes all feel sure that it will not be the only one. His address on music was an eloquent one. The program was a lengthy one and was excellently rendered. Miss Bentley presided at the organ with her usual ability. The soloists, some old favorites such as Alf. Glover, Mrs. Gordon Tuplin and Miss Bentley all did well. Mrs. McFadyen made her first appearance as a soloist and charmed all present with her splendid rendition of "The Man of Galilee". Two male quartets sung by G. Tuplin, W. Bentley, B. Paynter and S. Tuplin were well received. Two mixed quartets were given, one by Misses R. Lowther, G. Bentley and Messrs Tuplin and Bentley and the other by Misses L. Casely, G. Bentley and Messrs Tuplin and Bentley. Most of the performers in those quartets were amateurs. A good recitation by Georgia Bentley and a reading by Mrs. Lowther with the choruses made a splendid program. The proceeds go towards supplying the choir with much needed books.

Springhill Tribune:—"Rev. Mr. Sisam was given a very cordial reception at the parish hall by the parishioners, Thursday evening of last week. There was a goodly number present, and all enjoyed meeting the genial rector and his wife. Mr. Sisam has already made a splendid impression as a preacher. His knowledge is deep and extensive, his manner is easy and graceful, and his speech extemporaneous and fluent. Years of usefulness and power are undoubtedly before him in Springhill. One of the pleasant features of the reception was the presence of the pastors of the Methodist, Baptist and Presbyterian churches, who all extended a very cordial and pleasing reception to the new pastor. Mr. Sisam gracefully replied."
