Are you fighting against middle-age?

ONE OF the most critical periods of a woman's life comes between 45 and 50. Most women dread the approach of middle-age because they know, only too well, the depressing ailments it brings.

Gleanings From Tryon And Vicinity

Mrs. Ed. Boswell and Miss Elsie of Victoria are passing a few pleasant days visiting relatives in the Provincial Capital.

A motor party Mr. and Mrs. Moses Woodside; Mr. J. C. Woodside; Mrs. Heeny, and Mr. Hartford Woodside, visited Clinton, P. E. I. on Sunday last.

To Mr. and Mrs. Dan Dart, of Tryon on Tuesday, October 4th, a daughter (stillborn).

Mr. and Mrs. Fred MacDonald, of Hampton, P. E. I., were visitors to Tryon on last Sunday.

The many friends of Miss Florence Mabey of Tryon very much regret her departure from the social circle of the community on Saturday last for Boston, Mass., where she will be the guest of her sister. Although we each and everyone hope she may have a very pleasant vacation, we also hope she may get sufficiently homesick to return again soon.

Mrs. (Dr.) Bell of Cape Traverse spent Friday and Saturday of last week in Tryon, where she was the guest of Mr. and Mrs. Donald Bell.

Recent visitors from Augustine Cove to S' Side were the Messrs. Willard Wadman; Eddy Wadman; Milton Carr; Fred Leard and John MacKenzie.

Isn't it wonderful—Just a drop or two of Putnam's on any sore corn and out comes all the pain. After a few applications the corn shrivels up and drops off. No scar, no pain, no pinching from tight shoes any more. You can dance or wheel and the sloven when the shoes suddenly started. Besides only Putnam's Corn Extractor, having two bones broken in her leg she also sustained a bad cut on the face. Her complete recovery substitute for Putnam's—it's the one hoped for in the near future.

One Drop Of "Putnam's" Corns Stop Aching

Mr. and Mrs. Warren Lord and party of Summerside, P. E. I. passed through Tryon on Saturday of last week.

A deep gloom was cast over the entire community of Tryon when the news spread on Friday, October 7th, that Doreen, the little 13 months old daughter of Mr. and Mrs. Hiram Howatt had been called to her heavenly home, where Jesus waits, "suffering little children to come unto him." The sympathy of their many friends are with the sorrowing father and mother. The funeral services which were held on Saturday, October 8th, were conducted by the Rev. G. Somers, pastor of United Church at Tryon. Interment was made in the People's Cemetery at Tryon.

Mr. Carl Boulter, one of Victoria's most popular young men departed on Monday, October 3rd for Vancouver, B. C. His many friends wish him Bon Voyage and the best of luck in his attempt to win fame and fortune, and here to be able to say of him "One of the successful Islanders abroad."

One of our enthusiastic sportsmen was very much surprised to see a goose flying over him last week with a trap attached to its foot, in which it had been unfortunate enough to become ensnared.

Mr. and Mrs. Elmer Dawson and Master Kenneth of Augustine Cove and Mr. and Mrs. V. D. Howatt, of Tryon, motored to Hunter River on Sunday and enjoyed their trip immensely.

The rain on Saturday, which had been predicted for many days stopped digging operations for a short time. One old sage told me "The fies had their washing out and it was a sure sign of rain, and he certainly "knew his onions."

Our local potato King, Mr. Lewis Howatt, of Tryon, reports a very good crop, with very little rot. Mr.
