

# THE MOST EFFICIENT WRINGER

The Connor double automatic stream-lined wringer, finished in lifetime vitreous porcelain, adjusts itself to wring most efficiently articles of varying thickness. It requires no hand adjustment. The drainboard automatically tilts itself to shed water in the proper direction. Large resilient rolls, running on ball bearings for long life and silent operation, add to the efficiency of the wringer and are kind to clothes. Because the Connor is built stronger to last longer it carries the longest and strongest guarantee ever written for a washer. See the Connor today.

### Face Broke Out In Large, Red Pimples

Many an otherwise beautiful and attractive face; many a cheek and brow in the mould of beauty, have been sadly defaced, their attractiveness lost by the presence of skin eruptions.

Pimples are caused by the blood being in an impure condition, and are a source of embarrassment, and many of those so afflicted are ashamed to go out in company.

Burdock Blood Bitters drives out the impurities from the blood, and leaves the complexion clear, smooth and healthy.

Miss PHYLLIS TWINDY, Ivanhoe, Ont., writes:—"Last spring my face and back began breaking out in large, red pimples.

It was very embarrassing for me to go out in company, and people began to avoid me.

I tried several kinds of blood purifiers, but none of them seemed to help me. I heard of Burdock Blood Bitters. I took three bottles, and my friends wondered where all the pimples had disappeared to."
