Happyland, Summerside, has a complete change of pictures and new illustrated song for tonight. The illustrated songs are now being sung by Frederick Dillon of the Scotch Perry Hotel, Wellington Station, where the band boys presented their leader A. J. Poirier with a most complimentary address and presentation. The presentation, which consisted of an elegant pipe was made by Zeno Poirier son of the Hotel proprietor, who is one of the junior members of the band. Mr. Poirier completely taken by surprise made a most suitable and appropriate reply heartily thanking them for their consideration of him. He expressed himself as only too pleased to be able to render them the service he was doing and that he was sufficiently rewarded by the lively interest manifested by each member and the progress already made by the band. Emmanuel F. Gaudet and E. T. Poirier proprietors of the Hotel followed with a few well chosen remarks, speaking in praiseworthy terms of Mr. Poirier's conduct and painstaking efforts in behalf of the young men of Wellington Bay and Miscouche bands a few years ago during the time he taught school at both places successively. Following is the address which was read by the Secretary of the band W. T. Cosgrove. We the members of the Wellington Cornet Band, have assembled here tonight to do you honor, and to endeavor to convey to you the respect and appreciation we feel for such a valued friend and teacher. The untiring zeal and energy you displayed, which resulted in the organization of our band, is most commendable and although we may not be able to voice the sentiments we feel, yet let us assure you dear friend that we are sensibly aware of being under a great obligation. The position of bandmaster which you so competently fill and which you voluntarily accepted, asking nothing in recompense for your labor but the constant attendance of us members, is nothing short, in our estimation, of self-sacrifice. The labor involved and the many discouragements that attend the teaching of a band, you have condescended to take upon your shoulders, as few would have done. We cannot help but think that the many evenings spent in teaching us when you are probably fatigued from your labors of the day, would be more acceptable to you if spent at home in rest or study. You have not confined your energy and ambition in our behalf only to the organization and teaching of our band, but it is wholly due to your efforts that we are fast taking a prominent part in the choir singing of our church. Truly yours is taught, but "A Labor of Love." In view of all this together with our personal feelings towards you, we ask you to accept this New Year's gift as a slight token of our friendship and esteem. The band members all join in wishing you a happy and prosperous New Year, and ask you on their behalf to tender the compliments of the season also to Mrs. Poirier. Signed in behalf of the members of the Wellington Cornet Band by W. T. Cosgrove, John H. Gallant, Com.

Physician Tells How He Treats Rheumatic Patients

A Distinguished Specialist Given Valuable Advice.

In the first place I always impress upon my patients the importance of careful living and regular habits. Moderation in eating, keeping the feet dry, and wearing plenty of warm clothing are some of the precautions. No amount of medicine will cure if even help, unless attention is paid to these few simple rules. I have had perfect results where patients followed these instructions, assisted by the following blood tonic and rheumatic specific: Fluid Extract Cascara 1/2 oz. Carriana Compound 1 oz. Compound Syrup Sarsaparilla 6 oz. Dose: One teaspoonful after meals and at bedtime. It is advisable to drink plenty of water during the treatment. A prominent local merchant who has used this treatment states that it relieves backache, bladder trouble, and urinary troubles almost immediately and has a gentle but thorough action on the kidneys. All readers should keep this prescription. The instructions are valuable.
