QUEEN'S CANADIAN FUND DONATIONS

Repeated bombing raids on British port areas and the industrial Midlands has attracted fresh attention to the rightful sufferings of the many thousands of civilians in Great Britain who are harried from shelter to shelter and finally driven into the open country by successive raids. Eventually places are found for them all, places of relative security, but their belongings of all kinds are destroyed. The task of emergency feeding alone is difficult. The task of setting them

up once more with some quantity of clothing and bedding is much more difficult.

To meet these enormous needs, funds have been started in various parts of the world. Her Majesty use of her name in connection with the Dominion campaign, which is officially known as "The Queen's Canadian Fund for Air Raid Victims."

Every dollar contributed to the Queen's Canadian Fund goes without deduction to the Lord Mayor

of London for distribution to the homeless and needy.

Contributions from this Province should be forwarded to the Royal Trust Company, Charlottetown, which reports the following receipts to date:

Received yesterday: John Munroe, Milton Station \$2. Total to date \$4,945.

ECONOMICAL

Two women were discussing disarmament. One had a small boy with her, and the conversation

suddenly took a very practical turn. "To tell the truth, said the mother of the boy, "I don't want them to abolish the Navy just yet—not until my Johnny has had a bit more wear out of his new sailor hat, anyway."

HIGH HONORS OF AIR

LONDON—(CP)—Acting Sqdn. Ldr. Francis Soper who joined the R. A. F. at 16 as aircraft apprentice now holds the Distinguished Flying Cross in addition to the Distinguished Flying Medal and is credited with 14 enemy planes.

In addition to anthems by the choir special features will be a solo "The Prayer Perfect" Speaks by Audrey Gillis. At the morning service and in the evening a solo "Hold Thou My Hand, Dear Lord", Briggs, by Mr. Douglas Watt. An arrangement of the old favourite "Jesus Lover of My Soul" for men's voices will be given. A short organ recital precedes the evening worship. A cordial invitation is extended to all.

PARTRIDGE SEASON ENDED.—Once again native and Hungarian partridge in the province will be able to traverse the highways and by-ways without fear of forfeiting their lives, as the official hunting season on the birds closed yesterday. Sportsmen were baffled by the scarcity of Huns this year. A bad nesting season and an abundance of skinks caused the coveys to become smaller. In addition to this, the birds seemed to have perfected their scheme of hiding on the men with the guns. Hunters were wondering if the Partridge had improved their camouflage as day after day they returned from long treks through the country with only a few of the Huns.

The WEEK at S. D. U.

The mid-term examinations began Friday with the result that the week has been one of extensive study. Other activities have thus been limited considerably.

FOOTBALL: The Saints defeated the R.A.F. 15-8 Saturday afternoon. The High School team, light but tough, held the heavier P. W. C. squad to a 6-0 score on Monday. This afternoon the Saints will play the R. A. F. in a return engagement on the S. D. U. field.

At a meeting of the S. D. U. A. A. Monday afternoon John Hughes was elected Secretary of the Association. "Johnny" takes the place of John Horgan, who has been forced home due to the illness of his father.

Today being the Feast of All Saints, classes have been cancelled for the day.

Visitors at the college during the week were Rev. Harold Croken, P. F. Rev. Thomas Hynes, S. J., Rev. P. Carroll, Halifax, and Somerled Trainor

Tuesday witnessed the extermination of an unwelcome visitor at the college. A member of the stork family, in his wanderings, ambled to Main Building and took up his residence beneath the front steps. Finally, asphyxiation failing, a gun was employed to put an end to the animal.

BUTTERED SPINACH

The amount of spinach required for 6 servings depends on your family's appetite for the stuff. For some families 2 pounds would be sufficient, where other families would require 3 pounds. Wash the spinach thoroughly, first trimming off any roots or coarse stems and damaged leaves. Cook spinach covered, adding no water, as the amount that clings to the leaves is sufficient. Allow about 1-4 teaspoon salt for each pound of spinach being cooked. The spinach should be cooked, or thoroughly wilted in 10 minutes. Drain well and pour on melted butter.
