**HORSEMEN ATTENTION.**—A meeting of the Charlottetown Driving Club will be held in Mr. J. S. Woodlock's Office, Canada Post Exchange, tonight at 8 o'clock.

**SAFE ARRIVAL OF CORPS.**—Mr. W. S. Newson received a telegram yesterday from his son Ray, announcing the safe arrival in England of the Dalhousie Medical Corps, with which he is connected. They sailed from St. John on Jan. 1st.

**HAMPSHIRE.**—Mr. Frank Tremere, Hampshire was in the City yesterday. Mr. Fred Larter is busy thrashing with his gasoline engine around Hampshire. He is winding up the thrashing and preparing for sawing wood. Mr. and Mrs. Lyman Tremere were visitors to the city yesterday.

**SERVICES APPRECIATED.**—The thanks of the Committee instrumental in arranging the Patriotic Whist and Dance on Monday last are due to the Manager of the new 5 and 10 Cent Store, Beer & Weeks, Paton & Co., 82nd Regiment Band, to the Press and to all who contributed to the success of the evening.

**TRAVELLING BY ICE.**—Mr. Harry Tweedy, Earnscliffe, was in the city yesterday. He came across the ice from his own shore to Mr. J. H. Judson's, Alexandria, and is the first party to cross over this route this season. Mr. Tweedy reports the travelling on the ice excellent, but very thin in some places.

**THE STANLEY.**—The welcome blow of the Stanley was heard in Charlottetown Harbor about 11.20 yesterday morning, the steamer having left Pictou at 7 a.m. with twenty passengers, seventy-two tons of freight, one ton of express and seventy sacks of mail. She leaves on return this morning.

**THE LADY SYBIL.**—The North Sydney exchange says:—The steamer Lady Sybil, purchased from Mr. McLure of Pictou, by Mr. R. T. Sainthill of this town, acting for Crosby & Co of St. John's, who will put her on the route formerly covered by the Sagona arrived in port yesterday and is loading coal at the Scotia pier for St. John's. The Lady Sybil is practically a new boat, being built six years ago by a company of gentlemen belonging to the Magdalene Islands, to ply between that place and Pictou, one of the largest shareholders being Capt. John Arsenault, of Alder Point. Her original cost was \$94,000. Shortly after her arrival a misunderstanding occurred between the Government and the company regarding the amount of the subsidy, and as a result she was sold to Mr. McLure for \$75,000, after he had secured the contract for the service. It is understood that Mr. Sainthill could have secured up at least \$20,000 on his bargain before leaving Halifax Saturday, but the scarcity of steam craft in Newfoundland as well as other places did not let the inducement tempt him, and the Sybil will hereafter ply in Newfoundland waters. The loss of the Sybil will be a blow to the people of the Magdalene Islands, as it will be difficult to replace her on the route so far as known the only boat possible is the Anelia, which formerly ran on the route, and it is not unlikely she will soon change hands at an early date, as negotiations are at present under way between her owners and the owners of the Seneca, which was destroyed by fire recently while lying at the wharf at Sydney.

VINOL is the best tonic we know of to create strength for all run-down (ragged out condition), feeble old people, delicate children, convalescent from chronic coughs, colds and bronchitis. It does you good or costs you nothing. \$1.00 bottles, E. A. Foster, Sale Agent. Mfr.

(London Times.)

Some of the best stories of the war comes from the base hospitals, and are bestowed on the doctors in the same spirit that grateful patients bestow gifts on their medical attendants in civil life. One told recently has traveled from the farthest outpost in Mesopotamia. A Turkish officer, captured in the Mesopotamian campaign, asked and received permission to telegraph to his wife when he was brought to Basra. His message read "Safely captured."

**ISLAND SOLDIERS WELL AND CONTENTED IN ENGLAND**

The following brief letter has been received by Mr. Ewen McKinnon and family, Lewis, Lot 60, from their son, Alexander, who is in the Siege Battery, England, dated, Dec. 15th, 1915:  
Horsham, England.  
Dear sister,—I take pleasure in writing you to tell you that I have arrived safely in England. I am enjoying splendid health and like this country fine. We had a nice trip across the Atlantic. We left Halifax Harbor on the S. S. Lapland Sunday morning at 7 o'clock and we arrived at Plymouth at 8 o'clock the next Sunday morning, boarded the train at 3 o'clock, arriving at Horsham about 10 p.m. Saw some beautiful sights along the railroad; there is certainly some lovely scenery around here and you can imagine how muddy it is, as it is raining every other day and for three days at a time. It is not cold but seems like a cool summer to me. We have fine sleeping quarters here but do not know how long we are to stay in this place. I expect to go to London on my Christmas holidays as we get a week off then. Kindly write soon. Hope you are all well. Wishing you all a Merry Christmas and a prosperous new year. With much love I remain  
Your loving brother,  
ALEX.
