

There is a feeling of security, even though the baby is croupy or has a cough or whooping cough, when there is a bottle of Chamberlain's Cough Remedy in the house.

Mothers of small children have learned that it can always be depended upon, that it is pleasant to take, and that there is not the least danger in giving it, even to babies.

Wherever there are children there must be plenty of good bread.

Typhoid Victim Recovered Health BY REBUILDING HIS WASTED FRAME WITH FERROZINE.

If it is Health, Renewed Vigor, Well Balanced Nerves You Want, Try The Food Tonic Ferrozine.

No stronger evidence than the case of Joe M. Anslee is needed to prove that Ferrozine is unsurpassed as a tonic and builder. Writing from his home in Barre, Vt., Mr. Anslee says: "I had typhoid fever two years ago and for a long time could not get strong. I had fully given up my doctor's orders and for months took his medicine regularly but no rest or what I felt I could not get up enough strength to take up active employment again. Like most weak people I was also nervous and finally had to give up the doctor. I read of Ferrozine and decided to try it. I took the first box with fair result. I felt stronger. The second box astonished me and my strength returned very rapidly. I kept on using Ferrozine and my friend's health improved so quickly I was improving. This encouraged me to take more Ferrozine and my strength all returned in two months. When I started Ferrozine I gave up all other medicines and can say that alone rest and me. For weak, nervous people, Ferrozine will do more good than anything else.

Ferrozine is both a food and a medicine. It builds up the wasted tissues and strengthens the weakened nerves by giving the system a plentiful supply of pure nourishing blood. It puts new vigor into every organ of the body, dispels nervous sickness and lassitude. The person that uses Ferrozine will have a good appetite, healthy complexion, good digestion and a reserve of strength that protects you against any ailment that may attack you. Ferrozine is not a nauseous cod liver oil mix ure, but a chocolate coated tablet, combining the most strength giving elements in a palatable form. Very easy to take. Its salt base and mild flavor by far and no remedy to lay holds a higher place in the esteem of the public. The success of Ferrozine is due to its ability to give strength to the weak, and cure the sick of their troubles. It is on the ground Ferrozine when you look for it, and a face to deal with any ailment, why try it. Write at once to get some substitute affordable in the U.S.A. Price 50 cents per box, or six boxes for \$2.50, by mail from N. C. Paton & Co., Toronto, Ont., and Montreal, Que., U.S.A.
