A PLEASANT event occurred at the hospitable home of one of the oldest and most esteemed pioneers of St. Peters Mr. Wm. Bowley, on the celebration of his eighty-sixth birthday, which occurred on July 2nd. Mr. Bowley has lived most of these years on his farm facing the beautiful water of St. Peters Bay. Many friends assisted in the celebration of the above event, and Mr. Bowley received some beautiful presents. A beautiful easy chair from his nephews is worthy of special mention. The community in general wish Mr. Bowley many more years of continued prosperity and happiness.

EASTERN NOTES.—Summer weather arrived two days ago. The country rustic has got off his overcoat and mits, and our rural swells have put aside their fur coats for a season. The heat has aroused the potato-bug to action, he is coming out of the earth in myriads and joined by fresh recruits from over the sea who are arriving in countless numbers, their veins probably enriched with the vigorous blood that would be produced on the picturesque hills and and mountain air of stern Mabon and rugged Judique. As soon as the latter get their wings dried, themselves arranged, and the effects of their ocean voyage obliterated, they immediately start inland in quest of the potato patch, and to consort with their insular friends who spent the winter among us.—Fishing continues dull, cod fishing is over, a few hake are arriving, the body of mackerel we had here have apparently left, and the lobster fishermen discouraged by so many storms breaking up their traps are largely giving up the business.—Daniel J. McDonald of South Lake, died on the evening of the 10th inst, after a few days illness. Tourists in considerable numbers are arriving in our midst to enjoy our cool sea-breezes sequestered groves and unrivalled beaches.

Sterns' Fashionable Livery

Fashionable Livery means stylish rigs; that they are rubber tired, drawn by live and well groomed horses; that we have every style of waggon and carriage that a man of reason could ask for—in fact rigs that compare favorably with those from the finest private stables in town. Our turn-outs haven't got that "Livery stable-rig" stamp about them.
