GOLDEN TEXT.

The Son of man is come to seek and to save that which was lost.—Luke 19, 10

LESSON HELPS.

1. "And Jesus entered"—Still continuing his last journey toward Jerusalem. The end came fast, "Jericho"—A rich and influential city and a centre of trade.

2. "Zaccheus"—Probably a Jew by birth (see verse 9), but because he had engaged in a business so infamous in the eyes of the Jews he was considered a mere heathen.

3. "He sought"—Literally, was seeking "The verb expresses vividly the oft repeated attempts of the little man to get a glimpse of the prophet as he passed."

4. "Zaccheus make haste"—Our Lord by divine power evidently read Zaccheus' heart. From the beginning of this last southward journey he had acted as a monarch; he no longer enjoys secrecy upon his apostles, and his peremptory command to Zaccheus is in keeping with the triumphal entry to Jerusalem which was so soon to follow.

5. "They all murmured"—Till a man is converted he can never be pleased with the way God dispenses his favours. "A sinner"—A sinner in the sense of the term, he was an outcast from society and regarded as a traitor to his country, an unscrupulous official, and a grinder of the poor.

6. "And Jesus said"—Apparently both to Zaccheus and listening Jews, "Salvation"—The Messiah himself, and the pardon which he had spoken. "A son of Abraham"—Doubtless he was a Jew and therefore descended from Abraham, but this phrase would seem to imply something deeper.

7. "To seek"—We learn from this that, though Zaccheus seemed to seek the Lord to see him, yet the Lord was secretly seeking Zaccheus.—Sadler. "Lost"—Who can measure the depths of this great word?
