Lecky, on Thursday Aug. 17th, and invite their friends. To their surprise, the news spread, and many from the near parishes came for an afternoon's outing. Motor boats also arrived and offered to take the visitors for pleasure sails. This made the members get busy and with help they soon secured pleasant accomodations. Ice-Cream, home made beer, candy, oranges, and even a dancing booth were soon in readiness. The members opened their lunch baskets and all enjoyed the contents. The Institute wishes to thank those who helped to make the afternoon successful for all. The neat sum of $20. clear profit was realized. Boat owners handed over the fees collected, and all goes to purchase knitting yarn and socks for Island soldiers.

Like A Boy at 50 Bubbling Over With Vitality---Taking Iron Did It

DOCTOR SAYS NUXATED IRON IS GREATEST OF ALL STRENGTH BUILDERS— OFTEN INCREASES THE STRENGTH AND ENDURANCE OF DELICATE, NERVOUS FOLKS 200 PER CENT. IN TWO WEEKS TIME.

NEW YORK, N. Y.— Not long ago a man came to me who was nearly half a century old and asked me to give him a preliminary examination for life insurance. I was astonished to find him with the blood pressure of a boy of 20 and as full of vigor, vim and vitality as a young man; in fact a young man he really was notwithstanding his age. The secret he said was taking iron—nuxated iron had filled him with renewed life. At 30 he was in bad health; at 40 carewern and nearly all in. Now at 50 a miracle of vitality and his face beaming with the buoyancy of youth. As I have said a hundred times over, iron is the greatest of all strength builders. If people would only throw away patent medicines and nauseous concoctions and take simple nauated iron. I am convinced that the lives of thousands of persons might be saved, who now die every year from pneumonia, grippe, consumption, kidney, liver and heart trouble etc. The real and true cause which started their diseases was nothing more nor less than a weakened condition brought on by lack of iron in the blood. Iron is absolutely necessary to enable your blood to change food into living tissue. Without it, no matter how much or what you eat, your food merely passes through you without doing you any good. You don't get the strength out of it and as a consequence you become weak, pale and sickly looking just like a plant trying to grow in a soil deficient in iron. If you are not strong or well you owe it to youself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary nuxated iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous run-down people who were ailing all the while, double gains were offered in many instances their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days time simply by taking iron in the proper form. And this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old forms of reduced iron acetate or tincture of iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like nuxated iron if you want it to do you any good, otherwise it may prove worse than useless. Many an athlete or prizefighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the affray, while many another has gone down to inglorious defeat simply for the lack of iron.— E. Sauer, M. D.

NOTE.— Nuxated Iron, recommended above by Dr. Sauer is not a patent medicine nor secret remedy, but one which is well known to druggists and whose iron constituents are widely prescribed by eminent physicians everywhere. Unlike the older inorganic iron products, it is easily assimilated, does not injure the teeth, make them black, nor upset the stomach; on the conarary, it is a most potent remedy, in nearly all forms of indigestion, as well as for nervous, run-down conditions. The manufacturers have such great confidence in Nuxated Iron that they offer a forfeit $100.00 to any charitable institution if they cannot take any man or woman under 60 who lacks iron and increase their strength 200 per cent. or over in four weeks' time, provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is dispensed in this city by Geo. E. Hughes, Apothcaries Hall and E. A. Foster, Central Drugstore, and all other druggists.
