# LOCAL BRIEFS

PRINCE STREET School has donated 20 dollars to the Patriotic Fund.

THE program for the Patriotic Concert will be issued on Monday morning.

DR. HONEYWELL of Hunter River was among the visitors to the city yesterday.

Bentley's Liniment cures Whooping Cough.

MR. MacSwain's paper upon the Anatomy of Birds at the meeting of the Natural History Society next Monday evening will be most interesting.

MR. STANLEY COMPTON, St. Eleanors, has disposed of the handsome black fox skin, recently secured by him, for the sum of 200 dollars.

THE ladies of St. Vincent de Paul Sewing Circle, desire to acknowledge a donation of clothing and flannellettes from the firm of Messrs. Prowse Bros.

WHILE a gentleman was returning to the city yesterday morning his horse broke through the ice near North Point, West River, and the horse, sleigh and harness were lost.

THERE was handed the Treasurer of the Patriotic Fund yesterday the sum of 63 dollars contributed in 25 cent subscriptions by a number of the employees of the several departments of the Prince Edward Island Railway.

THE program to be given at the Y. M. C. A. to-morrow afternoon ought to attract a large audience. Prof. Hawley will preside at the organ and some excellent musical numbers will be rendered. Mr. Turner will preside. Address to be given by Rev. R. F. Whiston. Come to the hall for one hour to-morrow afternoon. Men and women alike invited.

GOOD SUGGESTION.—"Chaplain Lane suggested to us the other day that we should advise those who are writing to members of our Canadian contingent in South Africa to put with their letters an extra sheet or two of note paper and an addressed envelope. This will enable the receiver to sit down at his earliest moment of leisure and write an answer. Often at the front it is hard to get paper, envelope or pen, but by sending an extra sheet and envelope it will be right at hand, and if the envelope is carefully addressed to the home address in ink before enclosing, it will perhaps be all the better."—Wesleyan.

MR. OSWALD HORNSBY, who has been in ill health for some time, died at an early hour yesterday morning. Mr. Hornsby was respected by all who knew him. During the past few years he conducted a stationery and bookstore in the city. He was the father of Mr. Oswald A. Hornsby, of the Merchant's Bank of Halifax, New York, Mr. Walter Hornsby, of the staff of the Charlottetown agency of the same Bank, and of Mr. Frank J. Hornsby of the firm of Driscoll & Hornsby. THE GUARDIAN tenders its sympathy to the bereaved.

THE O. Y. B.—concert in Kingston on Thursday evening was a marked success. As is usual the concert given by the O. Y. B. was thoroughly up-to-date and the many performers were heartily applauded. Mr. John S. McLeod acted as chairman and auctioneer and he did splendid. A large number of pies was handed over to the auctioneer and good prices they brought fully warranted the kindness of the ladies of Kingston. The snug sum of \$1 dollars was realized. The O. Y. B. wish to thank King William Lodge committee and the ladies of Kingston for services rendered. This concert will be repeated at Long Creek in connection with a pie and basket social on Feb. 22nd.

LETTER FROM REV. T. F. FULLERTON

The following letter has been received by Mr. John McPherson, of the P.E.I. Railway, from Rev. T. F. Fullerton:

CAMP BELMONT, South Africa, Jan. 13th, 1900.

MY DEAR MR. McPHERSON,—I write late as it is to express the hope, that Mrs. McPherson and you, may have a Happy New Year. A year of such physical health at your age you might naturally expect, and a year of ever deepening spiritual life. I pray that as you near the homeland you may both have a closer and fuller realization of the Master's presence. I cannot say anything of the war that you do not know fully better than I could tell you. We are all in hopes that now Lord Roberts is on the spot there will be a speedy termination to such a fearful loss of life. The Chaplain of the Highland Brigade informed me that at the "Battle of Magersfontein, his Brigade alone lost 800 men in killed, wounded and missing." What a sad disaster to befall our brave young Scotchmen. All agree that they fought as heroically as ever Highlanders fought in the past. [If we had such loyalty in Christ's Kingdom—so many young men devoted to the cause, how soon the world would be revolutionized.]

Our men are in excellent health and spirits and all too eager for the fray. They may see fighting, and I think they understand that the accidents of war may suddenly bring them face to face with God, but a regiment of young men is not the easiest place to testify for Christ. Yet the Island boys attend our meetings well. We have three on Sunday and one if possible every evening.

Remember me to the Kirk people and to your family and grandchildren.

Again, wishing good health to you and Mrs. McPherson, and commending you to God and His grace.

I am, your truly,  
 T. F. FULLERTON.
