Good-bye, Old Backache, Nervilene Will Fix You!

STIFFNESS IS RUBBED RIGHT OUT EVERY SIGN OF PAIN DISAPPEARS

Go, whiz—think of it! No more stomach dosing necessary to ease your lame back.

Every trace of lameness, every bit of stiffness, every sign of weakness in the back's muscles can be rubbed away for all time to come by good old "Nervilene."

No other liniment can do the work so quickly, so penetrates, so deeply, can bring ease and comfort to the back-wearer sufferer as Nervilene so variably does.

Backache isn't the only malady Nervilene is quick to cure. For lumbago or sciatica you would go far to find relief so speedy as Nervilene gives. For chronic rheumatism there are pain-destroying properties in Nervilene that give it first rank.

Where you have an ache or pain anywhere, if you have a sore back, a stiff neck, a stiff joint, a strained muscle, if you have lumbago, congested chest or sore throat, just try Nervilene. Rub it on plentifully—it won't blister, it can't do anything but cure you quickly. The large 60¢ family size bottle is the most economical, of course, but you can, from any dealer, also get the 25¢ small size of Nervilene, the king of all pain-relieving remedies.

If you need a new evening Dress, or some well Dress Ornament, you can get either or both at Reddin's, 2165-4-25/26.
