..\*SCHOOL WORK.—The semi-annual examination of the Seal River school was held in the schoolhouse on February 11th. A large number of the rate payers were present and were very much pleased with the progress of the pupils in the different branches of education, and expressed great satisfaction with the well kept appearance of the school room and surroundings. The pupils were examined in the various branches by Capt. Sigsworth, Messrs. J. J. Campbell, A. A. Johnston, the teacher Miss McNeill, and others. A treat of home-made candy furnished by the Teacher, was served to those present by the public and was much enjoyed. At the close of the examination addresses were given by Capt. Sigsworth, and Mr. J. J. Campbell, followed by a vote of thanks to Miss McNeill for her ability as teacher in the various branches, especially of Rural Science, fancy work and drawing. The examination was followed by a school concert on the same evening during which a very creditable and amusing programme was rendered by the pupils to a large crowd who were present notwithstanding the extreme cold. Each number was performed with the skill of professional players, due to the careful training given by Miss McNeill. During the intermission music was furnished by Mr. J. M. McKenzie, with his up-to-date Victrola. At the close of the programme a sale of baskets followed by the capable auctioneer, Capt. Sigsworth, by which a neat sum was realized, which will go towards the improvement of the school house and grounds. The following is the programme: Opening remarks by Chairman; Chorus; "Do Your Bit." Recitation by Katie Blanchard; Dialogue "Bounding Around." Recitation by Anna McKenzie; Duet; "Now We Wear the Khaki." Fancy Drill; by a number of small girls. Reading by Anna McKenzie. SAGE TEA TURNS HAIR DARK

This is Grandmother's Recipe to bring Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundred-fold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's Sage and Sulphur Compound" now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.
