HAMILTON CREW SHARE HONORS AT HENLEY

(Canadian Press)

PORT DALHOUSIE, Ont., July 30—The big crimson crew of Hamilton Leanders, world record holders at 2,000 metres and last summer only a half-boat length away from an Olympic championship, held the most prized title of Henley today, but most of the glory won in three days of rowing at the 61st annual regatta here went across the border.

Shaky at the start of this season under Jim Rice's guidance, the great boatload gathered and built into one of the strongest crews on the continent by big Bob Hunter came from behind with a rush here Saturday to whip the boilermakers of Wyandotte, Mich., and Buffalo's West Sides in the feature senior eights final.

Joe Wright Jr., and his young vault clubmate, Russ McMillan, scored a pair of brilliant final-day victories between them but it was too late to keep the club championship from Buffalo. West Sides marked up three wins Saturday to bring their total to 10 in the Henley's 25 events programme. The New Yorkers scored a total of 36 points to 24 for Argonaults, 18 for Toronto Dons and 17 for Leanders.

Wright and McMillan, however, scored in the senior singles and doubles. Young Joe, who on Thursday captured the quarter mile dash, withdrew from the singles to allow McMillan to battle for a triumph. The Argo youth won over Johnny Durnan of Dons after a close struggle over the full distance.

"Hallo, Got a dog, I see—thought you didn't like dogs."

"I don't, but my wife picked up a lot of cheap dog biscuits at a bargain sale."

The Next Big Race Meet

New Annan, one of the fastest tracks on P. E. I., is famous for many things—perhaps the most outstanding being the debut of many of our fast Island bred horses. Jacqueline, the fastest Maritime bred pacer was in her first race on this track. Billy Cope, of first money fame and others also started their racing careers here. Fiddling and dancing contests, which have since become so popular were first staged at New Annan Races many years ago. New Annan holds the record for attendance at a rural race meet, —over four thousands on different occasions.

Don't miss the big race at New Annan, Wednesday, August 2nd.

Prominent Tennis Players To Take Part In Tourney

Outside Entries Highly Encouraging For Island Tennis Tourney August 7th. To 12th.

Outside entries for the annual tennis classic to be played at Victoria Park Aug. 7th to 12th are highly encouraging. Tennis fans will have the privilege of witnessing even a finer tournament than was held here a year ago.

Prince Edward Island's champion Laird Watt, and his formidable opponent in the finals last year, Georges Leclerc, will not be present owing to their having been selected by Quebec and Ontario respectively to represent those Provinces at the Dominion Championships now being played at Vancouver. Watt and Leclerc will be greatly missed but Charles Peters, Watt's partner in doubles last year, is heading another splendid aggregation from Montreal consisting of R. T. Bernard, Ian Ross, A. E. Lavery, Miss Effie Billing and Miss Doreen Beck. Miss Billing is the present Quebec Province lady champion. Barnard is in Watts' class and already this season defeated Roland Longtin, Canada's 5th ranking player.

Commander J. C. I. Edwards and "our own" Eddie Condon and Stewart Sharpe are assured from Ottawa as are also Mrs. Beer and Miss Rykart, W. L. Rennie and J. C. Little are now on their way here from Toronto. Another outstanding new lady player will be Mrs. J. C. I. Edwards. Halifax, the tennis centre of the east, will be represented by Douglas Grant, Harry Roper, Cliff Wiswell, Mrs. Woodbury, Miss Currie, Miss Martell and others. Grant is particularly outstanding and will be one of the most dangerous entries in the tournament. Miss Margaret Henderson, former New Brunswick lady champion, is already in the city, the guest of Miss Lelia Worthy, and has sent in her entry. Mr. Ganong, St. Stephen, N. B., is already entered and other New Brunswick stars are expected direct from Moncton where the New Brunswick championships are being played beginning today.

Commander Edwards was present in the city over the week end and spent Saturday afternoon at the Charlottetown Courts which he declared to be as fine as he has seen anywhere in Canada. The grounds committee are making every effort to make the courts what they should be for such a splendid array of players as are visiting this Province.

No better source of advertisement for our city and province can be had than in a meet of this sort. It must be remembered that the C. L. T. A. of which the Charlottetown and Summerside clubs are members, is an amateur organization. All visiting players are here on their own expenses. They came here for the love of the world's most popular sport and to enjoy a holiday. It is gratifying to note that practically all last year's outside entries are returning again this year and bringing others with them. The few who are not returning are those whose vacation will permit them only to take in two of the three Maritime tournaments which are being held on consecutive weeks.

The expense of such championship tournaments to the Charlottetown Club has been heavy. A small fee will be charged this year to spectators in order to defray the necessary expense of such a splendid exhibition of clean sport.

He said the sides of Miss America hav been replaced with laminated wood set diagonally, and other steps taken to remove weaknesses discovered in last year's contests. :"The craft," he said, "will be three or four times stronger than it was last year, and through more rigid construction, it will be possible to operate it 'wide open.'"

Pari-Mutual Betting At New Annan

Pari-Mutuel betting on heats has become "the vogue" at race meets in Canada and the U. S. A. It is licensed by the states and provinces. It is considered the fairest of all betting methods. As the name implies, it is a mutual division of the money bet on the losing horses, by the ones who were lucky enough to bet on the winning horse. The machine will be set up at the southern end of the grand stand at New Annan Aug. 2nd.

Mother Country Takes Three-Two Victory For Title

Perry's Great Win After Stubborn Duel With Merlin Gave Great Britain Set, Match, Series & Cup

(By Melvin Whiteleather, Associated Press Staff Writer)

AUTEUIL, France, July 30—Great Britain captured the historic Davis Cup for the first time since 1912 today, ending a six-year international tennis reign with a three-two victory in the challenge round.

The British triumph robbed France of a chance of tieing the record of seven successive Davis Cup victories and took from Paris the silver bowl which almost had become identified with the national honor.

Perry Defeats Merlin

Frederick J. Perry, the galloping steed of the British squad, rounded off a great victory in the final and deciding match, beating cocky Andre Merlin, French youngster, 4-6, 8-6, 6-2, 7-5, after Henri Cochet had defeated H. W. (Bunny) Austin in a stubborn duel, 5-7, 6-4, 4-6, 6-4, 6-4 to square the series count at two-all.

The bitterness of defeat was softened somewhat for the French by Cochet's gallant come-back after his unexpected defeat in singles Friday and by the plucky fight Merlin made against Perry.

Capacity Crowd

There were times when the French thought a fairy hand was reaching over the court to give the weaker player victory over the stronger. A capacity Sunday crowd yelled, screamed and applauded their former hero, Cochet, and passed to moments of virtual delirium when Merlin played magnificently to win the first set from Perry.

The youngster, aided by the crowd, rattled Perry from the first game which the Frenchman won at love. The newcomer to cup play launched into an accurate volleying and lobbing game which swept the Englishman from his feet and caught him time and again at the net.

Cochet's Style

Playing Cochet's style of game, Merlin used many of the ex-champion's customary shots more effectively than Cochet used them today. Letting nothing pass, Merlin kept this sensational streak up to the fifth game of the second set when Perry found his strokes and his courage and began the drive which took the cup to England.

With the luck of youth behind him, Merlin ran to two set points in the 10th game but Perry's racquet was becoming more and more trustworthy and the Briton ran out the set at 8-6 and moved into the third set with growing confidence and considerable more respect from the hilarious stands.

Great Battle

Merlin won his first service as he did in every set but dropped three straight. He halted Perry's rally temporarily in the fifth game but Perry wrung out three more for an easy 6-2 victory.

But Merlin declined to let the cup go so easily. He scrapped to the bitter end and to the 10th game of the last set wagers were being made freely that the youngster would come out on top. In the 10th game he staved off match point and then lobbed to square at 5-5. The Englishman was annoyed but put on steam and ran out at 7-5, breaking the Frenchman's service at love for 6-5 and then sliding out on his own service for the game that won set, match, series and cup.

WINOOKA WINS EASY VICTORY

SAN BRUNO, Calif., July 30—(C. P.)—A possible worthy successor to the mighty Phar Lap tonight was seen in Winooka, Great Australian thoroughbred following his victory Saturday in the match race against Hueu over the five furlong course for a purse of $10,000.

Some 6,000 fans gathered at Tanforan track saw the big bay son of Windbag out of Kanooka gallop home to an easy victory over the Hawaiian bred-California owned Hueu.

The time was 1:00 2-5, two fifths of a second slower than the 10 year old track record, but it was apparent the Australian invader ran only fast enough to win.
