CASTORIA

THE CENTAUR COMPANY, NEW YORK CITY.

MONDAY.

NEW BUILDING.— Mr. William Brown, and son Willie, of the Florida Hotel, Pownal, are busy getting out wood and lumber for a henery, as they intend going largely into the hen business.—Com.

DEATH IN NEW YORK.—There died at Fordham Hospital, New York City, on March 16th, 1913, Roderick A. McDonald, aged 45 years. The late Mr. McDonald was a son of Mr. Ronald McDonald of Cherry Valley. He was a quiet, unassuming man, much respected by all who knew him. He leaves a widow and three sons.

AMBULANCE.—The ambulance was out twice on Saturday. The first time to take a patient, formerly of Mimiigash, P. E. I., from the Earl Grey to Falconwood, coming from the hospital at Halifax. The second time it was to take Mrs. Henderson from Mrs. (Dr.) Beer's residence to the railway station on her way home to Bedeque.

CADETS SHOOT.—On Saturday afternoon the Queen Square Cadet Corps shot in the competition for places on the Imperial Cadet Team for 1913. This competition, which is open to Cadets all over Canada, is shot at each local corps' headquarters with a 22 rifle, range 25 yards. When all the returns are in the five highest scores, the possible being 280, will be chosen to go to Bisley, as each year a certain number are privileged to go. The shooting took place at the Agricultural building and resulted as follows:—L. McKenna, total 218, W. Maddigan, total 208; C. Monaghan, total 196.

ARTISTIC PAINTING.—A very artistic oil painting is on display in the window of James Paton and Co's store. It was very cleverly painted on canvas by Mr. Paton's daughter Mrs. John Fraser of this city. The picture is one of St Dunstan's Cathedral when it was wrapped in flames on the night of the fire when the roof had fallen and the most of the walls standing and both spires burning. It is attracting much attention and very favorable comment on Mrs. Fraser's skill as an artist, and Charlottetown may feel proud of having one capable of painting so real and cleverly a picture of that memorable event.

Cure Your Sore Throat Nerviline Will Do It

Blessed Relief Comes Quick, You Get Comfort, Every Pain Disappears.

"Experience has taught me that the quickest way to cure a sore throat is with Nerviline," writes Mrs Enoch P. MacLean. "My children always seem to get wet feet and stay out in the cold, and in consequence I have to keep a good household remedy handy. I rub in Nerviline almost every hour, give the children say ewenty drops in hot sweetened water, and make them gargle with it. I have yet to see the cold this won't break up quickly."

From the La Have Islands, N. S., Mrs. John Walfield writes:—"We have been using Nerviline for about nine years, and find it excellent. When we find any of us getting a cold we take Nerviline in hot water. It is a sure relief for it, and is also an instant relief for internal pains of any kind."

The remarkable pain-subduing power of Nerviline and its ability to check colds, influenza and sore throat is unequalled. Every home should have Nerviline handy on the shelf for sudden illness at night, like cramps or internal pains. Large family size, 50c; trial size 25c., at all storekeepers or druggists, or The Catarrhozone Co., Buffalo, N. Y.

CHIEF SARK.—Chief John Sark, a full-blooded Indian of the Micmac tribe, Lennox Island, P. E. I., has arrived at Quebec on his way to Ottawa to present a petition to Hon. Robert Rogers requesting him to put a gasoline launch or steamboat on the ferry between Lennox Island and Prince Edward Island. He paid his respects to Lieut.-Governor Langelier, Moncton, and left for Montreal, en route to Ottawa.

SUCCESSFUL EXAMINATION.—Mr. Chas. J. Mitchell, operator at the People's theatre, Charlottetown, has just received notice from the Provincial Secy. of New Brunswick, that he has successfully passed the examination entitling him to an operator's license. Mr. Mitchell took his examinations before the New Brunswick Board during his recent visit to St. John. The Guardian congratulates Mr. Mitchell upon his success.

ROCKY POINT FERRY.—The Tug Wm. Aitken, Capt. Batt, was to start running between Charlottetown and Rocky Point yesterday, but owing to the large amount of drift ice floating in the Harbor the sailing was postponed until today.

MRS. (CAPT.) GALLANT.— Sad indeed are the circumstances of the death of Mrs. (Capt.) Frank Gallant of Palmer Road, which took place at the City Hospital Saturday. The deceased had been attending the Short Course in Domestic Science in Charlottetown and was stricken with paralysis, and taken to the hospital for treatment. She continued very ill and death was not unexpected. She was 42 years of age and leaves to mourn besides her husband, two sons and three daughters, her parents, Mr. and Mrs. Richard Elward, Waterford.

A WRECK.—A wreck upon the Grand Trunk Railway, forty miles this side of Ottawa, occurred on Thursday morning, at ten o'clock. On board the train at the time returning to the Capital from the Island, were Senator B. C. Prowse and Senator Dr. Murphy. It was reported in the Ottawa papers that Senator Prowse had been seriously hurt, but all will be glad to learn from a telegram received by his brother Mr. L. E. Prowse, that although the Senator was injured in the wreck, it was not serious. The despatch further states that he is resting easy and expects to be all right in a few days. Nothing is reported about Senator Murphy so the presumption is that he escaped without injury.

$5,000,000.00 FOR PEERLESS WAY POULTRYMEN

Into the pockets of the users of The Peerless Way last year went five million dollars made from the poultry these people raised. Yet chickens are scarce in Canada and eggs are the scarcest of all food commodities. That is positively the fact.

To-day there are not enough Canadian CHICKENS or EGGS to go around. Thousands of chickens and hundreds of thousands of dozens of eggs are being shipped into Canada from the United States and other countries to help meet the demand.

Yet there is a shortage! Eggs are commanding a tremendous price—chickens are worth dollars.

Now is the time to take advantage of this situation and make money out of it yourself. You can raise and sell 600 chickens this next year, and you will find a quick and sure market for every one of them. You can get the top notch price for all the hundreds of dozens of eggs that your poultry lay.

Let us tell you how!

Poultry raising is the best business for any farmer, any farmer's wife or farmer's child. The poultry crop is the one crop that never fails. It pays better for the time and money invested; the profit is surest; it isn't overcrowded and never will be.

Our book "When Poultry Pays," will show you. Let us send it to you. It is interesting; it is instructive, and it contains the proof.

You need this book. It will be mailed free. A post card will bring it.
