Disfiguring Face Sores

How To Cure Them.

Pimples, face sores and the kindred eruptions common to late winter and early spring, are the worst disfigurements the fair sex have to bear. The inhaled life of winter has caused impure matter which the skin should get rid of for the blood, to remain in the pores; the process of exhalation, which is the general complexion suffers, and just where the bad matter collects, pimples, ulcers and sores quickly appear. To remove the impurities, the pores must be opened and the functions of the skin stimulated, by the vigorous applications of Zamb-Buk morning and night, and washing frequently with Zamb-Buk Medical Soap. Zamb-Buk reaches the root of the disease by soaking through the skin and tissue and its powerful germicides expel disease and make the skin clear and healthy. It can be done simply by the use of internal medicine. Miss Ellen Smith, of St. Mary Ave., Toronto, says: "My face was greatly disfigured by a skin eruption which annoyed me dreadfully for months. I was advised to try Zamb-Buk and I am glad I did for it quickly removed the trouble and my face is now clear of all eruptions. Zamb-Buk contains no animal fat what ever, but is a pure healing salve. It cures cuts, burns, chafings, cold sores, itch, eczema, running sores, ringworm, piles, bad legs, inflamed patches, and all the kindred ailments and irritated conditions of the skin. Obtainable at all drug stores and stores, 50c, or post-paid upon receipt of price from Zamb-Buk Co., Toronto.
