

BOYS' SCHOOL SUITS

Is the subject of conversation by women just now, and where to buy them is more important still. We have sold more Boys' Suits this season than ever before—there must be a cause for it. Our last season's suits must have given satisfaction. Our new suits are now in to fit little lads of 4 to 10 years, only \$1.50. Just think of it, the cloth alone would cost you that. For lads from 10 to 16—we have 3 piece suit—Coat, vest and pants, made of good tweed, nice colors, will give good satisfaction—the price is only \$3.25. See them in our window to-day.

Baloon Ascension
—AT—
EXHIBITION
CHARLOTTETOWN,
Wednesday and Thursday
23rd and 24th September.

The greatest sensation of the age. A lady and gentleman will ascend in the baloon and drop from the baloon in a parachute and drop again from the parachute into another parachute. Never on this Island before have two people ascended in a baloon and made parachute descent and never a lady and gentleman making the two descents. This, with the other attractions in another column, every one should come to the exhibition to see.

An interesting case of matrimony is reported from a western section of the province. A young couple most interested in the event, it seems, had only been together once prior to this week when their marriage took place. As near as can be learned it was a case of "love at first sight." About one year ago, it is said, they met (twas in a crowd) and the meeting, or at least their companionship, was of short duration—only a day's association deciding their fate as far as single life is concerned. During the intervening period, from their first meeting until the present week, their correspondence cleared the veil from the lives of single blessedness and the day was set for a union of "two hearts that beat as one." The young man again came to the Island from Boston a few days ago and for the second time met the lady of his choice. Little is known of the formality of the greetings exchanged—excepting what was seen at the foot of the gangway of the Northumberland—but to the public is given the climax of a somewhat unique courtship. The happy couple have The Guardians congratulations and good wishes.

A LAKE CAPTAIN'S EXPERIENCE.

Capt. McDonald, one of Kingston's most prominent men writes:— "For years I have battled with the agonies of Bronchitis Asthma oftentimes so bad that I could not sleep for nights at a time so I spent hundreds of dollars on doctors and quacks without getting relief, but one dollar's worth of Catarrhoxone perfectly cured me." The above testimonial was given two years ago and as the Captain lately stated he was still quite free from Bronchitis, it proves Calarhoxone a reliable specific. Catarrhoxone two-month's treatment, guaranteed to cure Bronchitis, price \$1.00, small size 25c. Druggists or Polson & Co. Kingston.
