Published by W.S. Louson

CHILDREN OUT AT NIGHT.

Many resolutions have been passed, many sermons delivered, many editorials written, and many suggestions made that the law dealing with children on the streets and parks after dark should be more stringent.

on either to his own home or to the Children's Shelter. Further, a parent who permits his child to violate this law will be fined even for the first offence, with increasing fines for subsequent contraventions of the law.

SERIOUS RIOT AT CAWNPORE, INDIA. CALCUTTA, India, Aug. 4.—There was serious rioting yesterday at Cawnpore, including the demolition of a mosque, in view of the necessity of widening a street. The police fired on the mob killing 13 and wounding 30.

PRINCE EDWARD ISLAND AS A SUMMER RESORT

THE LAND OF PURE DELIGHT FOR TOURISTS AND HEALTH SEEKERS

SOME OF P. E. I. ATTRACTION

Prince Edward Island is the best spot on earth in which to spend a vacation. It is more, it is the ideal land we've all heard and sung about in the halcyon days of childhood and youth.

A LAND OF BEAUTY.

Three hundred and seventy-eight years ago Jacques Cartier wrote: "All this land is low and the most beautiful. This is a land of the best temperature which it is possible to see."

A DELIGHTFUL SUMMER CLIMATE.

Gentle breezes laden with the breath of the sea blow from the south and the west all through the long summer days, dying with the red and gold amber and green of a gorgeous sunset.

A LAND OF HEALTH.

In no country does so large a proportion of the people live to a green old age. Only about one per cent. of the population dies each year.

Table with 2 columns: Age group, Number of deaths. 566 over 60 years of age; 411 over 70 years of age; 214 over 80 years of age; 42 over 90 years of age.

The infant mortality of other countries is almost unknown here. There is no other land under the sun where 40 per cent. of the population live to pass the seventy year span of life!

A LAND OF ABUNDANCE.

In no other country is there greater abundance of the best food and of clear, sparkling water in town and rural districts alike.

- Lamb of the finest flavor; Eggs, milk, butter and cheese; The most luscious oysters in the world; Lobsters in great abundance; Sea and brook trout, mackerel, cod, etc.; Wild geese, brant, plover, duck and partridge in their season; Strawberries, raspberries, blueberries, cranberries;

Apples and plums of rare excellence; cherries and small fruit are plentifully produced.

AGREEABLE SOCIAL CONDITIONS.

The Island is socially a land of the golden mean. Few are very rich and almost none are poor. The great majority enjoy comfort and prosperity.

In no part of the American Continent is there proportionately so little serious crime.

There are no tramps and beggars are unknown. Churches and schools are abundant.

POSTAL AND OTHER FACILITIES.

There are 468 post offices—one to every 4 1/2 square miles. Throughout a large part of the Province there is free delivery of the mails daily at the farmers' road gates.

SOME SPECIAL ATTRACTIONS FOR TOURISTS

ON THE NORTH SHORE.

The rampart of sand dunes, fifty miles long, thrown up by the waves. The long shallow lagoons inside the dunes, the haunts of fish and waterfowl. Scores of miles of broad, clean, hard sand beaches, the delight of bathers.

IN GENERAL.

Surf bathing and sheltered sea bathing; Shooting wild geese, duck, brant partridge and plover in their season. Fishing brook and sea trout, mackerel and other sea fish. Clam baking, picnicking, oyster digging. Boat sailing and rowing. Hundreds of motor boats.

IN CHARLOTTETOWN.

Victoria Park, 60 acres within ten minutes' walk of the Post Office. Beautiful walks and drives, tennis courts, cricket and baseball. The Belvidere Golf Links. Amateur Athletic Grounds. An excellent Free Public Library. The Legislative Building, seat of a Legislative Assembly older than the United States Congress. The Miacmac Encampment at Rocky Point. The old French Fort at the Harbor's mouth. Seventy miles of land-locked waters for boating, bathing, oyster fishing and clam digging.

THE FOX RANCHES.

Tourist visitors and investors will find great interest in seeing the scores of fox ranches that are thickly dotted over the western and central portions of the Island. There are upwards of 150 of these ranches. There are hundreds of these black and silver beauties, each with a present selling price of \$5,000 upwards. A single black fox represents the value of a good farm, with all its buildings, fences and live stock.

UP AGAINST CABBY. A certain peer who bears the reputation of being somewhat stingy in money matters hired a cab on a wet afternoon to take him to Victoria Station, where he handed the cabman a shilling as his fare.

"You came the longest way, as an excuse to extort money," declared the man of title. "Why didn't you go through St. James's Park?" "Cos St. James's Park is closed," said the cabby—"that's why!" "Nonsense! I know better!" his lordship objected sternly. Still the cabman, though he saw he was outdone, maintained a grave demeanour. "It's quite right, sir," he persisted. "They say Lord—" (naming a peer who confronted him) "dropped a shilling coming across the Park last evening, and the gates are closed until they find it!"
