Dr. C. M. Harlan, writing in the American Journal of Health, February 10th, says:—"Among the proprietary medicines deserving recognition is Dr. Chase's Ointment, as a remedy for Piles, Eczematous skin eruptions of all kinds, for which it has been used with marked success and has effected remarkable cures in many obstinate cases which seem to baffle the skilful medical attendant."

DR. A. W. CHASE LECTURING AT ANN ARBOR, MICH.

## THE MEDICAL PROFESSION

Recommend Dr. A. W. Chase's Ointment.

Dr. C. M. Harlan, writing in the American Journal of Health, of February 19, says:—"Among the proprietary medicines deserving recognition is 'Dr. Chase's Ointment,' compounded by THE DR. A. W. CHASE MEDICINE CO., Buffalo, N. Y., and Edmondson, Bates Co., Toronto, Ont., as a remedy for sores, eruptions, and skin diseases of all kinds, for which it has been used with marked success, and has effected remarkable cures in many obstinate cases which seemed to baffle the skilful medical attendant. The results were most favourable, proving the value of 'Dr. Chase's Ointment' as a curative agent in the diseases named. The manufacturers of the remedy are well-known as experienced pharmacists, careful and reliable, in addition to which we have made full examination, and find the article to be all that is claimed for it."

"It is not the practice of the medical profession to indorse indiscriminately the use of proprietary medicines, but while we condemn the bad and worthless, we are still more ready to indorse and recommend the remedy deserving the recognition."

"Neither the physician nor the responsible Journal of Health now refuses to acknowledge the claims of such proprietary remedies as 'Dr. Chase's Ointment,' which prove their virtues by curing where other agencies have failed."

"We know that 'Dr. Chase's Ointment' meets all requisitions of the highest standard of worth, that it will be held in high esteem wherever it is used, and consequently we indorse it as every reader."
