## SUFFERING WOMEN

Made Well and Strong by Dr. Williams' Pink Pills.

Every dose of Dr. Williams' Pink Pills makes new blood. Every drop of pure blood brings the ill-disheartened woman nearer to health and happiness. Dr. Williams' Pink Pills have brought the glow of health to thousands of sufferers who gladly bear testimony to that effect. One of these is Mrs. Elizabeth Danham, of Welland, Ont., who says: "For more than a year I was greatly run down. I had sickening headaches and my heart would palpitate so violently that at times I feared death was near. I was under the care of a doctor, but instead of improving I lost strength and my weight decreased from one hundred and forty to one hundred pounds. I was discouraged, but finally decided to give up the doctor's treatment and try Dr. Williams' Pink Pills. I am glad I did so, for after using the Pills a few weeks I could see a marked improvement in my condition. The headaches left me. I regained strength; the distressing heart palpitation ceased and at the end of two months I was fully restored to health and felt better than I had for the past twenty years. Dr. Williams' Pink Pills are truly a marvellous medicine and I cannot praise them enough."

Heart palpitation, anaemia, headaches, loss of appetite, general weakness, backache, weariness and a host of other troubles are all the outcome of bad blood. Dr. Williams' Pink Pills make new, rich red blood—the pure blood does the rest. That is why these pills cure all troubles due to watery blood or weak, shaky nerves. There is not a nook or corner in Canada where you will not find some grateful person who has been cured by the use of Dr. Williams' Pink Pills. Of the word of your neighbor we ask you to try this medicine if you are weak, ailing or run down. The pills are sold at 50 cents a box or six boxes for \$2.50 at all medicine dealers or from The Dr. Williams' Medicine Co., Brockville, Ont.
