GLACE BAY, N. S., Jan. 1.—(CP)—North Sydney Victorias retained their grip on second place in the Colliery Hockey League tonight as they held Glace Bay Miners to a 2-3 overtime tie. The draw left Vics two points up on Glace Bay. With the teams tied at 2-2, McGibbon got the first overtime goal for Glace Bay with his second goal of the night. Clifton scored the equalizer, also his second goal. It was the first tie played in the loop this season.

(Continued from page 1) sels that carried them across the Atlantic. Cameramen rushed alongside the first ship to dock, taking pictures of the waving, cheering men on the decks. A radio microphone was thrust into the hands of those nearest the rail to record messages that will be broadcast in England tomorrow.

All Regions Represented

The arrival took place just 13 day after Winston Churchill, First Lord of the Admiralty, announced the arrival of Canada's first contingent. Anthony Eden, secretary for the dominions, met both contingents. Mr. Eden was watching as the first second-contingent boatload to disembark brought ashore men who enlisted in almost every region of Canada.

The majority of those first ashore, however, were members of the Royal Canadian Regiment of Toronto and the second Echelon Records Branch of Ottawa. Corporal Leonard Banks of Ottawa had the distinction of being the first of the eager throng to set foot on British soil. While the men were lining up on the quay, Mr. Eden and Vincent Massey, Canadian High Commissioner in London, passed along the ranks chatting with the men to the strains of "Hail, Hail, the Gang's All Here" and "We're On Our Way," a song written for the Canadian troops by Capt. Met Plunkett, originator and producer of the famous "Dumbells".

Makes "Break"

Corporal Earl Lee of the Signal Corps, Ottawa, was singled out by Mr. Eden for a long chat. Lee told the minister that the troops had had a somewhat rough voyage and that he was glad to get ashore. Not recognizing the minister, he said: "There seems to be a lot of big-shots around here, I wish we could get going."

Mr. Eden smiled and replied: "We'll do just that."

When Lee discovered the identity of his interrogator he almost keeled over. "What a fine break that was," he remarked. While the men stood at rigid attention, Mr. Eden on behalf of the British Government and the British people at large.

"There isn't a man or woman throughout the length and breadth of this country who wouldn't wish to join in this greeting with a full heart," said Mr. Eden. "Together with those who preceded you by a few days, you form the active service force which Canada has sent to fight side by side with those other members of the British Commonwealth and our allies in a common cause."

An Inspiration

"A nation of the new world is offering its help to challenge tyranny in the old. Your example is a guarantee of final victory but it has been more than that. It is an inspiration to freedom-loving peoples everywhere."

Curling Gets Away To Fine Start With Staging Of Big Bonspiel Saturday

Curling, the Roarin' game, got away to a roaring start at the Charlottetown Curling Club on Saturday afternoon when upwards of 150 curlers took part in the opening Prize Bonspiel of the season.

To say that the season just opening has all the earmarks of success would be putting it mildly. Excitement Saturday was at a high pitch from the moment the first stone was rolled at 2 o'clock until the final one went sliding down at around 9:30 in the evening.

Competition was of the keenest with the different winners in most cases just edging out hairline decisions and the brand of curling displayed was exceptionally good considering that it was the first Bonspiel of the season.

Not content with their lengthy opening session several impromptu matches were staged yesterday, New Year's Day, when the club again resounded to the shouts of the broom and stone artists.

Island Bonspiel Mooted

Enthusiasm is at a high pitch and already several of the McDonald-Brier teams are getting their limps ready in preparation for the elimination matches to decide the team that will represent the Island at the big Dominion Tank-

ard matches at Toronto. Also an Island Bonspiel is being mooted for the latter part of this week and if this becomes a reality teams from Summerside, Montague, Alberton and Charlottetown will be seen in action, much of course depending whether or not the roads will be open at that time. The opening supper of the season was held on Saturday evening and this added greatly to the successful season opening of the Club. Results of Saturday's matches were not available last night.

Southern California Wins Rose Bowl Football Classic From Unbeaten Tennessee

PASEDANA, Calif., Jan. 1.—(AP)—Scoring touchdowns in the second and fourth periods and out-playing its rival almost throughout, Southern California defeated Tennessee 14-0 today in the 25th Rose Bowl football classic, witnessed by 92,000 fans.

One savage burst of strength in the second quarter broke the Tennessee record of never a score against it, much less a defeat, in 26 games, and when the Vols, turned loose a whirl-wind parade late in the fourth period luck was against them.

A fumble Southern California recovered—and the warriors of Troy, ringing up their sixth triumph in this post-season classic, travelled 85 yards in 20 plays for the second touchdown. Hero of the Trojan victory was Ambrose Schindler, who scored the first touchdown and passed over the goal line for the second.

Tennessee with its star back, George Cafego, playing intermitently but never up to his old form, was unable to get across the 50-yard stripe until early in the final quarter. The offence that had whipped 23 teams in succession couldn't penetrate the Trojans.

MacNeil And Lifford Fight To A Draw

SYDNEY, N. S., Jan. 1.—(CP)—Maritime welterweight boxing championship was still at large tonight after Johnny Lifford of Saint John, N. B., and Ronnie MacNeil of Glace Bay, N. S., had sparred their way to a 10-round draw in the main bout of a New Year's day boxing card here.

Although both men fought cautiously the match was a good one from a point-scoring angle. Neither fighter was floored throughout the battle and when the final bell rang a small cut over MacNeil's eye, opened by the New Brunswick boxer's chopping left late in the final stages, was the only visible sign of damage to either. Both judges gave draw decisions with referee Johnny Gillis, former lightweight champion of the maritimes, voting for MacNeil. Both tipped the scales at 142 pounds. Lifford victor over MacNeil in a Halifax match last spring, was content to fight cautiously throughout. Bruising in-fighting featured the first few rounds, with MacNeil landing one of the hardest punches in the fourth when he caught the Saint John fighter flush on the jaw with a looping right. Lifford's leg wobbled but he recovered quickly. Exchanging flurries of punches during the next few rounds, Lifford showed up best during the eighth, ninth and tenth when he landed telling blows to MacNeil's face and body.
