Mr. THOMAS R. WRIGHT and daughter-in-law—Mrs. J. J. Wright of Sulton N. Y. arrived by yesterday morning's express from Charlottetown. Mr. Wright was formerly a resident of Searlton and his many friends will be pleased to welcome him to his native place once more. He is at present spending a few days with Mr. and Mrs. J. A. Wright at Bedouque.

A good deal of annoyance is frequently caused by the present arrangement, by which the evening train for Charlottetown leaves direct from the Railway wharf without calling at the Station. Monday evening a lady arrived by the Northumberland, with considerable luggage including two valises, a large hat-box and a good sized baby. Her destination was Charlottetown with a stop off at Summerside for the night. She was advised by some one who had evidently been educated on the old time table—to take the train to the station—luggage and all, but at the last moment was told by a disciple of the new school that the train went right through and that consequently she had better take a cab or walk. She concluded she would walk. Two young ladies—kindly offered their services, and "taking up the white woman's burden" each staggered painfully but pluckily under a heavy valise, until they landed the thankful mother and child at the depot. Such acts as these, while showing the stuff our girls are made of—show also with painful distinctness that the train arrangement is a miserable one, and should be re-adjusted.

### HERE'S A LITTLE NUT TO CRACK.

Just a grain of corn! The principle upon which Putnam's Painless Corn Extractor acts is entirely new. It removes the corn layer, by layer, without any pain whatever. It never fails either. Try it.

## Enough.

She—You should read this article about the passing of the horse. It's really pathetic.

"Don't want to read it. I know the whole thing pathos and all. I entered my trotter for the matinee races, and every other horse on the track passed him.

## "HE THAT ANY GOOD WOULD WIN"

Should be provided with good health, and everyone who would have good health should remember that pure, rich blood is the first requisite. Hood's Sarsaparilla, by giving good blood and good health, has helped many a man to success, besides giving strength and courage to thousands of women who, before taking it could not even see any good in life to win. Hood's Pills are gentle, yet effective.

## Surprised at His Ignorance.

"You are general passenger agent of the X., Y. and Z. railway, are you? That road is somewhere out west, is it not? I can't remember that I have heard of it."

## C. P. R. ENGINEER'S STATEMENT.

Ben Rafferty of Winnipeg Division says Dodd's Kidney Pills are O. K.

Winnipeg, Man., July 31.—Probably the most enthusiastic man in Manitoba in regard to Dodd's Kidney Pills is Ben Rafferty of the C. P. R. He is one of the drivers on the big trans-continental road and the jarring of the engine and long hours combined to bring on Kidney Disease from which Mr. Rafferty suffered for twenty years. He was cured by Dodd's Kidney Pills. His case is so well known throughout Canada that a Toronto gentleman wrote to Mr. Rafferty recently asking him if he could recommend Dodd's Kidney Pills. Mr. Rafferty wrote in reply.

Winnipeg, May 30th. 1899 Dear Sir—I received your note of yesterday. I will recommend Dodd's Kidney Pills at any time to any person with pleasure. They are O. K. Yours truly, B. RAFFERTY.

## Brooklyn.

Hicks—What a talker that man Brown is! I always regarded him as such a gloomy fellow, reticent fellow until two or three days ago.

Wicks—Yes; I understand that his baby has begun to laugh for the first time last week.

## OF LOCAL INTEREST.

To all who have felt the evil effect of deranged kidneys is the assurance that Dr. A. W. Chase's Kidney-Liver Pills are meeting with enormous sale and unparalleled success in this district. Backaches and aching kidneys are fast becoming a thing of the past where Dr. A. W. Chase's Kidney-Liver Pills are known. One cent a dose, 25 cents a box, at all dealers.

## Secret of His Failure.

"I've just discovered why Alfred Austin isn't a great poet." "Why is it?" "He makes his stuff to plain you can always tell just what he means."

## DONT TEAR DOWN BUILD UP.

The old-fashioned theory of tearing down disease was entirely changed by the advent of Dr. A. W. Chase's Nerve Food, which cures by creating new rich blood and nerve tissue. Through the medium of the circulation and the nervous system they strengthen and invigorate every organ in the human body.

## Tracing It.
