"Stand By For Action" Tells Heroic Story Of Convoy Duty In Pacific

Battle and high adventure on the high seas, the exploits of a gallant old destroyer and her crew on convoy duty under fire in the Pacific, provide thrills galore, amid which comedy is mingled, in "Stand By For Action," which opens to-night at the Prince Edward Theatre. The picture presents Robert Taylor, Charles Laughton and Brian Donlevy at Naval heroes, amid fights with enemy aircraft, rescues and attack on a battleship under smoke screen.

Taylor plays a young lieutenant assigned with an older officer, played by Donlevy, to a recommissioned destroyer." They are assigned to guard a convoy, and amid amazing adventures, including the rescue of twenty babies in drifting lifeboats (which forces all hands to turn amateur nursemaids) bring their charge safely to port. Laughton plays an American admiral, and his address to the men on the destroyer, with its tribute to John Paul Jones, is an inspiring moment in the thrill-packed production.

Deftly Directed

Robert Z. Leonard directed with deft skill a picture that is a sharp contrast to his "Great Ziegfeld" and such pictures for which he has been specially noted, and he and C. O. Dull acted as co-producers.

Walter Brennan injects comedy as a veteran yeoman, Chill Wills provides more laughs, and Richard Quine, Douglas Fowley, Marita Lingen, Marilyn Maxwell and Inez Cooper are other principals.

The story was by Commander Harvey Haislip, U. S. N., and R. C. Sherriff. Technical tasks in depicting the sea action are almost miraculous, and photography by Charles Rosner is outstanding. Action is almost entirely at sea under battle conditions.

R. C. A. F. Mobile Recruiting

The R. C. A. F. Mobile Recruiting Unit will be in town on June 28th and 29th for the purpose of enlisting men and women for service in the R. C. A. F. The Unit will be located at St. Peter's Church Hall and any citizens who desire information or advice only, may feel free to visit the personnel and obtain such information without feeling under any obligation to enlist.

In addition to requiring young men to train for Air Crew duties, applicants are also urgently needed to fill vacancies in the following trades: Wireless Operator (Ground) Service Police, Wireless Mechanics, Metal Workers, Carpenters, Electricians, Diesel Fitters, Motor Boat Crewmen. In the Women's Division, enlistments will be effected for Stenographers, Clerks, Cooks, and Standard Tradeswomen.

Any man or woman who is an expert in any trade whatsoever will find a place in the Air Force in which their talents can be utilized to advantage, even though that trade may not appear in the list above.

Plan to visit the Mobile Recruiting Unit when it arrives and offer your services to the Country's cause.

P. E. I. RE-REGISTRATIONS — 593 single men liable for compulsory military training re-registered in Prince Edward Island between Jan. 1 and March 15, 1943, according to figures given in the House of Commons by the Minister of Labour. Prosecutions for non-compliance with the regulations were nill in this Province. Cases in police hands for tracing number 27. The totals for all Canada are 144,973 re-registered, 1,351 prosecutions, and 14,932 cases under public investigation.

MILITARY CALL-UPS — The following military call-up figures for Prince Edward Island are for the period March 20, 1941 to April 16, 1943: Called for medical examinations, 8,167; examined, 5,061; asked postponements, 3,107; given postponements, 2,568; postponements in effect, 1,794; called for military training, 2,891; reported, 1,738; accepted, 1,255. The figures were given this week in the House of Commons by Labor Minister Mitchell, along with details for other administrative districts.

SALVAGE OPERATIONS — Salvage material marketed in Prince Edward Island during the twenty-five months period from May, 1941 to May 31, 1943 totalled 2,024,366 lbs. iron and steel, 1,564 lbs. other metals, 275,718 lbs. paper, 16,403 lbs. rags, etc., 302,585 lbs. rubber, and 281 lbs. unclassified. Total P.E.I. materials marketed represents 1.03 per cent of the Dominion total. The Island figures are unchanged since the last official report was issued a month ago, indicating that no further salvage has been marketed in this Province. The other provinces all show increased totals.

Miss Ernest Baker of Morell leaves on Thursday morning on a visit to Montreal. She will be the guest of her daughter Edith, who was married in that city in February last to Mr. Gaston Dupuis in the Wesleyan United Church, by the Rev. Mr. Brown.

REARDON — MacDONALD WEDDING

A pretty wedding of interest to many was solemnized as St. Bernard's church yesterday at 8.00 a.m. when Rev. Angus MacDonald united in marriage Miss Caroline Rose daughter of Paschal MacDonald, Hunter River, P. E. I., and the late Mrs. MacDonald and Charles Reardon, son of Mr. and Mrs. James Reardon, Mountain Road.

Miss Mary Bourque, Moncton, was bridesmaid. The groom was supported by Albert Reardon, Halifax.

The bride was attractively gowned in a two-piece Queen's blue dress with flowered hat and matching accessories. She carried a bouquet of Better-time roses.

The bridesmaid wore a dress of rusty rose with flowered hat and matching accessories.

Following the ceremony a reception was held at the home of the bride's sister, Mrs. Joseph Chapman, Waterloo street. Four girl friends of the bride served. Mrs. George Walton and Miss Ella Reardon poured.

The table was beautifully decorated with white tapers and sweet peas centred with a three tier wedding cake.

Mr. and Mrs. Reardon left on a honeymoon trip to Montreal and on their return will reside on Church Street. Mr. Reardon is employed here with the C. N. R.

For travelling the bride wore a navy blue and white suit with Kolinsky squirrel fur.

Out of town guests at the wedding were Gerald MacDonald, Petawawa, brother of the bride and James MacDonald, bride's brother, Hunter River, P. E. I., Mrs. William Howard and Miss Ella Reardon, Summerside, Albert Reardon and Mr. and Mrs. George Edgar, of Halifax.

The bride was the guest of honor at several showers and received many lovely gifts.—Moncton Times.

IN MEMORIAM

MR. FRANK GAUDET

It was with sorrow and deepest sympathy that the people of Bedeque and surrounding district learned of the death of Mr. Frank Gaudet on April 5th, 1943. The late Mr. Gaudet was working at the home of Mr. George Henderson, Fernwood, tending a circular saw and appeared to be in good health up to the moment of his death. He was talking and joking with those present, suddenly he staggered and fell backward. Death was probably caused by a stroke or heart attack the Doctor said.

Mr. Gaudet was 60 years of age and had lived in Bedeque most of his life. He will be missed in the district where he was respected and admired by every one who knew him, but more so in the home where he was a kind husband and loving father.

He leaves to mourn his sorrowing widow, the former Mayam Barnett of Summerside; Mary, Mrs. Rod Ford, Oyster Bed Bridge; Louise, Mrs. Edgar Peters, Oyster Bed Bridge; Julia, Mrs. Frank Arsenault, Summerside; Mabel, Mrs. Ernest Richards, Summerside; Margaret in Sherbrooke; Gladys at home. The boys are Charles and Cyrus in the Air Force stationed at Camp Borden, Ont. John and Ben in Western Canada. George at home. Two brothers John and Cyrus of Bedeque also survive. The whole countryside mourns with the above for his chair is vacant and can never be filled but Heaven is richer and God much nearer since our loved one was called to a higher service. His funeral which took place on April 9th to Seven Mile Bay Church was followed by a large circle of mourners and acquaintances. The pall bearers were his two sons Charles and Cyrus, his two sons-in-law Edgar Peters, Ernest Richards, Josh Arsenault, Frank Rowe. All that was mortal of a dearly beloved husband and father was tenderly laid to rest there to await the resurrection morn. May his soul rest in peace. 6-25-1i.

Airmail Service Shows Big Service

WINNIPEG, Man., June 24 — Trans-Canada Air Lines since its inception in September 1937 has carried more than five and a half million pounds of mail, representing two hundred and seventy five million letters.

This was revealed at operating headquarters of Trans-Canada Air Lines here on the twenty-fifth anniversary of the establishment of air mail in Canada. On June 24, 1918, Captain Brian Peck carried the first mail by plane from Montreal to Toronto. His mail load consisted of 124 letters.

Air mail carried during 1943 is expected to pass all previous records, according to T.C.A. officials. Based on carryings to date it is anticipated that a million and a half pounds of mail will have been handled during the first six month period.

Air mail service was established between Montreal and Moncton August 1940, and Moncton, Sydney and St. John's, Nfld., (Torbay airport), as part of hemispheric defence communications system on May 1, 1942.

Two airmen, adrift in an R. C. A. F. rescue dinghy, send aloft a hydrogen filled balloon to which is attached the aerial for their "coffee grinder" radio transmitter. When the 300 foot aerial is let out, the transmitter can send out an SOS that can be heard 150 miles away. The new set is one of the latest additions to R. C. A. F. rescue equipment and it can be adjusted to send an automatic SOS or a full message may be tapped out on its built in telegraph key. The balloon is filled from a special generator which is included with the transmitter; the entire outfit can be dropped from rescue aircraft by parachute, and many larger aircraft carry them as part of their emergency equipment.

Heart of Hitler's western industrial area is this Ruhr-Rhine region —target of the heaviest allied raids of the war. Thousands of tons of blockbusters have fallen on the bombed cities shown on map as the RAF blasts area from which comes much of the steel, chemicals, synthetic oil and munitions for the German war machine.

"COFFEE GRINDER" RADIO IS LATEST RESCUE DEVICE

This picture shows one of the latest rescue devices to be put in use by the R. C. A. F. It is the "coffee grinder" radio transmitter which sends out an automatic SOS signal when the crank is turned. Dropped from rescue aircraft by parachute, the new set comes complete with aerial, which is raised by a hydrogen balloon or box kites, and a signal light for night. The set can send an automatic signal or can be used to send complete message. It is effective up to 150 miles. The airmen in the dinghy are equipped with the latest flame-proof flying suits and new ration bandolier which contains, jackknife and fire tablets for making fires in wet weather. (R. C. A. F. Photo)
