GIRLS! USE LEMONS FOR SUNBURN, TAN

Try It! Make this lemon lotion to whiten your tanned or freckled skin.

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best freckle, sunburn and tan lotion, and complexion whiten-er, at very, very low cost. Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands and see how quickly the freckles, sunburn, windburn and tan disappear and how clear, soft and white the skin becomes. Yes! To Continue in Public Service— The Navy League of Canada Needs \$760,000

Since the money must come from the people, explanation is due to them of the need for it. The work of the Navy League is:

To Continue the Sea-Conscious Spirit in the People and in the Government.

To enlighten people upon the importance of the sea; so that Canadian products may be shipped, through Canadian ports, in Canadian ships, officered and manned by trained Canadians.

To Continue the Sea-Conscious Spirit in the Schools.

As a Merchant Navy is the first step to sea power in any nation, so is the seed-sowing of fundamental national ideals in the schools, the first step to national greatness.

To Continue Training 2,000 Canadian Lads for the Sea.

The continuous training of over two thousand Canadian lads, in the Boys' Naval Brigades of the Navy League of Canada, is to-day having an effect upon our maritime future.

Since May last, sixty of these lads have completed their training and passed into the Canadian Merchant Navy. Fifty more have gone to England to man the new ships of the re-organized Royal Canadian Navy.

Under the guidance of Experienced Sea Minds, it is being planned to give chosen lads from the Boys' Naval Brigades an ocean-going education second to none, so that Canada will have efficient master seamen.

To Continue to Relieve Distress of Canadian Merchant Sailors.

After this year the League expects to cease asking for funds for the relief of the Canadian dependents of Merchant Sailors who were killed on Active Service. With the trust funds now in hand, together with the sum set aside in the Budget, to be raised by public subscription, it should be possible to establish an endowment, the income from which will be sufficient to provide these dependents with a pension equal to that granted to the dependents of Naval men killed on Active Service.

As many of these dependents are young children, the endowment must continue for a number of years, until the children become self-supporting.

To Continue Upholding Every Sailors' Home, Institute and Sailors' Welfare Society in Canada.

The Navy League seeks to make life comfortable for our sailors when ashore. After all, Canada is their home; and the home, while they are here, of the sailors of other lands.

The Navy League endows, maintains or assists in maintaining every Sailors' Home, Institute and Welfare Society in Canada. And every dollar subscribed for the maintenance of these Homes and Institutes will be money well invested and redound to our national prosperity.

These objects can only be achieved through an organization representative of public responsibility and outside party politics.

The obligation is apparent, simple, easy! Borne in proportion, from coast to coast, the weight is felt, but not the strain. The public expect this work to continue and to be maintained by public subscription "until it yields the true glory."
