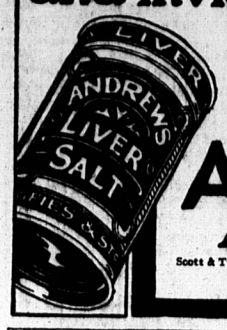
An exhilarating and invigorating drink



A bubbling glass of Andrews Liver Salt is an exhilarating drink—it seems to wash away that early morning staleness and leaves body and mind alike freshened and invigorated for the day's work. Just a glass of water and a spoonful of Andrews makes this pleasant drink of health.

ABLE TO DO HOUSEWORK NOW

Sick a Year. Got Great Benefit from Lydia E. Pinkham's Vegetable Compound

Bloomington, N. S.—"I took Lydia E. Pinkham's Vegetable Compound for pains and backache, also for nervousness, sick headaches and sleeplessness. I was troubled in this way for over a year, and a friend told me about the Vegetable Compound and induced me to take it. I must say I have received great benefit from it and am able to do my housework now. I recommend the Vegetable Compound myself and am willing for you to use this letter as a testimonal."—Mrs. WILLIAM MORSE, Bloomington, Annapolis County, N. S.

Do you know that in a recent canvass among women users of the Vegetable Compound over 220,000 replies were received. To the question, "Have you received benefit by taking this medicine?" 98 per cent. replied "Yes."

This means that 98 out of every 100 women are in better health because they have given this medicine a fair trial.

Mrs. Morse is simply another case of a woman receiving "great benefit." Women suffering from the troubles so common to their sex should listen to what other women say who have experienced the same sufferings and found relief. Give this dependable medicine a chance—and at once. It is sold at all drug stores. C

INSIDIOUS EYE STRAIN

We use this adjective advisedly.

Sufferers from Eyestrain may have perfect vision and therefore do not suspect the presence of any eye defect.

The motive power of the entire human organism is Nerve Energy.

Normal eyes, it is computed utilize about 20% of this Nerve Energy, but when Eyestrain is present, a much larger proportion is required. Hence defective eyes, through their consumption of an excessive amount of Nerve Energy may seriously affect the functioning of other organs of the body, and produce ill health.

..*CONCERT AND PLAY. —On Easter Monday night in the B. I. S. Hall, Souris a concert and play under the auspices of the Knights of Columbus was presented to a large and appreciative audience. The Rollo Bay Orchestra was in attendance and the audience received a treat in a series of sprightly pieces preparatory to the rise of the curtain. Mr A. F. McQuaid as chairman capably presided and announced in turn a number of vocal and instrumental selections which received fitting and incessant encores. Those who helped to make the concert a success with voice and instrument were. Revs B. Gillis of Cardigan, Theodore Gallant, Sturgeon, Messrs Frank McDonald, Charlottetown, Martin and Wurtzell of St. Dunstan's University. For Messrs Martin, and Wartztell it was their first appearance before a Souris audience and judging from the encores they will certainly ever be welcome should they come to Souris again. Following the instrumental and vocal overtures there was a brief intermission during which homemade candy was sold by popular young ladies. The curtain then rose upon a one act farce entitled "Pa's New Housekeeper" and which furnished a laugh at every turn, as well as kept the house guessing as to the possible outcome for upwards of an hour. The characters and actors were: Pa Jackson, a widower who has decided intentions. Mr Peter McLellan capably fulfilled this part, his acting causing much side splitting mirth. Jimmie Jackson, his son who disapproves of them. Mr James Keays had his lines well in hand and took this part with an ease that spoke well for the future. Jack Brown, Jimmie's chum who hopes to thwart then. Mr Louis McMillan presented this part considering that he had to appear as a certtain female—very well. Mattie Jackson, Jimmie's sister, who cannot understand them. Miss Anna McDonald displayed good talent conveying to the audience that which is meant by filial duties and sisterly devotion as well as being overly inquisitive re Jimmie's chum. Mollie Holbrook, her friend, who gets mixed up in them, Mrs A. F. McDonald's acting in this part merited no small amount of appreciation and the costumes of both ladies were very attractive and a big asset to the attractiveness of the stage. With the drop of the curtain Miss Elizabeth Paquet danced the Highland Fling in costume to the accompaniment of Mrs G. Townshend on the piano, followed by Miss Adele Morris dressed as a sailoress dancing "Sailor's Hornpipe, both received encores that spoke well for gracefulness and future appearances. The Masters Sweeney and Chevefe were then called on and to the delight of all danced the good old fashioned breakdown repeated in part after a floor damaging encore. The chairman then addressed the audience and thanked them for their attendance and also those who participated in the concert. The National Anthem was then sung and the floor cleared for dancing much to the delight of young and old and when the lively strains ceased the usual good night greetings exchanged all felt indeed that it was "The End of a Perfect Day."— L.
