ANGLER LANDS FREAK TROUT

Some prize fish stories have been coming out of New Brunswick lately. First of all a Saint John County angler hooked a one jawed "salvianus frontinatus" which to the uninitiated is highbrow brook trout, according to information reaching the Fish and Game Department of the Canadian National Railways. One jaw was enough, however, for the angler to hook the freak fish.

which has been presented to the New Brunswick Museum in Saint John City. This should have been enough to break into the news but well, another angler went down to take his boat out fishing on Loch Lomond and on looking into it found a nice trout about a foot long lying on the bottom. The only rational explanation for a fly and misjudged its distance with the result that he landed on the bottom of the boat. Now you tell one!

-CANADIAN LEGION-The regular monthly meeting Canadian Legion B.E.S.L. (O'Leary Branch) met at the home of Comrade Chester Woodside, Springfield, Monday, August 13th with a large number of members present. The regular business was carried out in the usual manner. At the close of the business meeting a very enjoyable evening was spent in dancing, during which time lunch was served. Plenty of good musicians were in attendance, as well as some good step dancers, which made the evening such a success, as Mr. and Mrs. Woodside are so capable of putting on. At the close of the evening a vote of thanks was extended to the host and hostess, every one departed feeling they had spent a most enjoyable evening. The next regular meeting will be held at Comrade Mathews in O'Leary, Sept. 10th. There will be considerable business to do that evening, and a large attendance is requested.

-NEW BUILDINGS AT RICHMOND-New buildings at Richmond are replacing some of those which were razed to the ground during the disastrous fire there early in the summer, that wiped out almost all the business section of the village. Mr. Donald Brown is putting up an up-to-date warehouse. Mr. John P. Gaudet is erecting a new store on the site of the old one occupied by Arsenault & Gaudet. These buildings are nearing completion and will soon be ready for occupation. S.

-COUNTY COURT - In the County Court at Summerside on Wednesday an inter pleader issue was tried in the case of Arsenault vs. Cahill. In this case an automobile was seized by the Sheriff and was claimed by the execution debtor's father under a bill of sale. The execution creditor claimed that the bill of sale was void within the statute 13 Eliz., Chap. 5, the same being voluntary and fraudulent. After hearing argument, judgment was reserved until September 12th inst. Mr. Heath Strong, K.C., acted for the Sheriff; Mr. Adrian P. Arsenault for judgment creditor and C. D. MacCallum for claimant. S.

-MONTHLY MEETING C.W.L.-The regular monthly meeting of the Summerside Branch of the C.W.L. was held on Wednesday evening, Mrs. Callaghan, the president, presiding. There were about thirty members present. The chief discussion was on the preparations for the Island convention which is to be held in Summerside next week. It was announced that the Grand National President, Mrs. J. Coffee, would speak at the opening meeting and that His Excellency Bishop O'Sullivan would also be present and address the meetings. After plans had been thoroughly gone over a drawing for a rug took place, Mrs. Sarah MacInnis being the lucky ticket holder. S.

-SPORTS AT MONTAGUE-The boat racing season on the Montague River is over with for this year, and the P.N.O., owned by Jack Irving and Arthur Campbell, has successfully defended the Ontario Cup. Great enthusiasm was shown in the racing this year and there was some keen competition. Last year the P.N.O. was taken to Montague by tractor and won the Ontario trophy-the beautifully designed cup donated by Mr. L. H. Johnston and Mr. E. Morse of Montague and the "Onawa" owned by Mr. Coffin and Mr. Sinclair. This year the Montague boats were completely overhauled and every improvement possible added in an attempt to bring the cup to Montague. The Onawa was sailed around to Charlottetown to do battle with the invincible P.N.O. on August 2 but returned rather broken in spirit for a time, having had to bow to defeat a second time by the P.N.O. The Onawa was taken back by tractor. The Adele owned and sailed by Captain Fitzgerald of Georgetown accompanied the Onawa to Charlottetown and was accompanied on her return by the cruising yacht "Restless," Capt. Hall Bourke, of Carvell Bros., Charlottetown, and the "Roamer," Mr. Malcolm Irwin. The yacht spent eight days on the Montague river, however Montague boatmen are still determined to bring that cup home and plans are already underway to accomplish it.-H.
