Royal Edward Chapter I.O.D.E. Meets

The regular monthly meeting of the Royal Edward chapter of the I.O.D.E. was held yesterday afternoon with the regent, Mrs. R. J. Gordon presiding. The meeting was well attended and satisfactory progress was reported in the different lines of work.

Some members are already acting in the Aircraft Detection Corps, but a request was made for more volunteers.

Mrs. E. G. Saunders reported for the Navy League committee saying that the Fairmile Q-90 had been allotted to the chapter for adoption.

Reference was made to the adoption of the frigate, H.M.C.S. "Charlottetown" by the city. Comforts which had previously been voted for the corvette "Charlottetown" are to be given to this new ship.

Mrs. Saunders and Mrs. Wm. Brehaut were appointed representatives of the chapter on the Citizens' Committee.

Mrs. R. S. P. Jardine reported a great need for more magazines, books, games to be sent to the distributing centre in Halifax.

Through the kindness of Mr. J. M. Murley, the Telegraph office is to be a receiving station for donations from anyone interested.

Mrs. G. T. Hardie and Mrs. J. R. Paton, reporting for the Wartime Hospitality committee said they had received the names of conveners of similar committees in all provinces except Manitoba. Any member of the chapter wishing to have hospitality extended to a member of the armed forces stationed in these provinces may do so by applying to Mrs. Hardie or to Mrs. Paton who will make the necessary contacts.

Memebers of the Canadian Women's Army Corps will stand shoulder-to-shoulder with their brothers-in-arms during the progress of the loan.

Officers and men at the Petawawa (Ont.) training centre will hear Gracie Fields sing Tuesday night, especially for them, by a radio-telephone hook-up from Hollywood, where she is making a film.

Gracie Fields' contribution will highlight a special Victory Loan show being put on at Petawawa at which military centre a Victory Loan objective of $200,000 has been set. The originial figure was $150,000 but Brig. Tremaine, officer commanding, reported that the first day's response was so enthusiastic that he decided to increase the figure by $50,000.

proved situation of the Allied forces in the various theatres of war.

First there was the degree of enemy resistance which is still in evidence in the Far East, where the threat to Australia still exists, in Russia, on the continent of Europe and in the tip of Africa still held by the enemy. This indicates, he pointed out, how grim the struggle will be before the United Nations can achieve that final, complete and overwhelming victory on German soil where it must be gained.

And secondly, he stressed, the advance from the defence to the offensive stage brings the need of an infinitely greater amount of equipment and other material resources.

Material Resources

Canada now has more than 700,000 men in the armed forces. Their bravery and competence is realized fully, but these would be completely unavailing in the struggle if they did not have the backing of the necessary material resources. Now that they are on the offensive these material resources are necessary in an ever-increasing amount.

We are asked to loan our money at the reasonable rate of interest of three per cent. to the Dominion Government on the security of the Dominion of Canada. It is, after all, a very small request, he stated, when we consider that "The most we can lend is the least we can do."

It is up to us to see that the Dominion objective of $1,100,000,000 is realized without any hesitation and with the greatest possible degree of success, the Premier emphasized.

Owing to the large number of guests in attendance the meeting was held in the main dining room of the hotel. Representatives of service clubs, fraternal and patriotic organizations, and Loan campaign chairmen throughout the Province were in attendance.

Rotarian Dr. W.J P. MacMillan expressed the thanks of the club to Premier Campbell for his fine address and paid a warm tribute to the Premier, whose appointment as Chief Justice of the Province, was announced on Saturday.

R. H. Rogers, president of the Rotary Club, presided

The three-act comedy was directed by Mr. J. Pius Callaghan and produced by kind permission of Samuel French Ltd.

To single out any one performer for special mention would be unfair because each and every member of the cast turned in a good performance.

Several of them were seen in former plays in the city and on each occasion left nothing to be desired.

The cast included:

J. Pius Callaghan as Bill Fuller
D. E. Noonan as General William Fuller
Leo P. Callaghan as Christopher Cutting
Loman MacAulay as Ned Hemingway
Somerled Trainor as Doctor Hastings
R. A. Macdonald as Zack
Aileen Byrne as Mary
Frances Kelly as Harriet Sterling
Margaret Macdonald as Dorothy Dare
Marjorie McCarville as Mathilda Lillian Wells as Isabella Dare

Specialties between acts included entertainment by the following artists: tap dancing by Teresa Costello: solos by Mrs. F. M. Nash; tap dancing by Miss Mary Arsenault; solos by Miss Phyllis Blanchard, Sgt. Frank McIntyre and A. J. Young. All received hearty encores.

Before, during and after the play popular music was supplied by an orchestra under the direction of Miss Kathleen Hornby. Orchestra members included 1st violin, Kathleen Hornby; 2nd violin, Marion Puncher; Piano, John Inch; Trumpet, Bill Moreside; Saxophone Art Cantwell; Drums, Jimmy Coady.

During the intermission Hon. Dr. W. J. P. MacMillan on behalf of the Sisters of the hospital thanked the audience for their attendance and all those who took part in the evening's entertainment.

Victory Loan Meeting At Mt. Stewart

A rousing meeting held last night in the Legion Hall at Mt. Stewart marked the opening of the Victory Loan Campaign in that community. Mr. Russel Clark, M.L.A., District Chairman, was present and the meeting was presided over by Rev. W. T. Mercer.

Mr. J. J. Trainor, of Bedford, President of the P.E.I. Federation of Agriculture was the chief speaker. He referred to the many boys who had joined the services from Mt. Stewart and vicinity and the fine account they have given of themselves. Mr. Trainor felt that in spite of the difficulties caused by shortage of farm labour, the farmers would continue to subscribe to the Victory Loan campaign to the best of their ability.

He referred to the opening of the Second Front and the vast amounts of materials required and the large sums of money necessary to provide these. He told of his own son now in the R.C.A.F. in England, making operational flights over Germany and said that he felt it his duty to do all he could for the Victory Loan for his sake and the sake of the other boys from the Province who are serving.

"If we home folks fail to do our best then we are letting the boys down," Mr. Trainor stated.

Mr. E. M. Bagnall, Organizer for Queen's County, outlined the different types of bonds, and the periods over which the payments could be spread. The total expense of putting over the last Victory Loan campaign, including advertising, salesmen's expenses, etc., was less than 1 per cent of the amount raised, he stated. He said that the quota for Queens County was $1,250,000, $850,000 of which was allotted to Charlottetown, and the remaining $400,000 to the rest of Queen's County. He urged the people to be ready with their subscriptions when the salesmen came along.

Mr. B. Graham Rogers, the next speaker, referred to the enviable record made by this Province in all previous war efforts. In speaking of the food situation he commended the farmers for their efforts to increase production of food, which is so vital. He felt that they would not fail to raise the vital dollars either, which will provide equipment so greatly needed. He spoke of the Provincial government's contribution of $250,000 to the campaign as announced yesterday by Premier Thane A. Campbell.

Mr. Rogers showed four films, One Day of War, All for These, Drive for Victory and a community singing film in which the audience heartily joined.

Rev. Mr. Mercer also emphasized the importance of putting forth every effort to make the campaign a success.

ATTRACTS ATTENTION —The Town Crier, Mr. W.H. Beaton and his coachman, Mr. R.E. Parkman attracted much attention yesterday as they drove through the city streets announcing the opening of the Fourth Victory Loan Campaign. The crier was driven in an old-fashioned English gig and a remarkable feature of the conveyance is that the horse "Silver King" which drew the carriage was sired by "Saint Sylvester"—a horse born in His Majesty, King George's stables. The dam of Silver King is Parkman's Queen, whose ancestry originated in the Roval stables and was brought to this country by Mr. Parkman's grandfather.

Protein For Cattle Feed In Short Supply

Feeding of protein foods to poultry and livestock must be given the greatest attention and should be done with the view of preserving present stocks, Prince Edward Island farmers are warned by Mr. J. G. Davidson of Montreal, director of Feed Administration in the Maritime Provinces and Quebec, who was in Charlottetown yesterday conferring with feed dealers.

In an interview he explained that all imports of protein feeds are cut off from the United States due to the increased production there and supplies are not now available from South America because of lack of shipping space. To overcome this situation best use must be made of all animal and vegetable proteins available. This can be done by more scientific feeding methods. In the case of young stock this may be accomplished in part by making greater use of green feeds or better pastures.

Protein feeds are now, by government order, on lower levels than in pre-war days. Mr. Davidson expressed belief that there would be enough protein feeds for starting and growing needs but warned that if the greater production program is to be a success the protein supply must be guarded to assure the fulfilment of next fall and winter's supply.

This morning he will confer with Mr. W.R. Shaw, deputy minister of Agriculture and will visit Summerside before leaving this evening for Moncton, N.B. Mr. Davidson was in Charlottetown for a period of three years at one time as head of the Poultry Branch of the Dominion Department of Agriculture.

two allied states," charged flatly that the Germans had killed the Polish officers.

The territorial question also was involved. The note charged that the Poles, by falling in line with Nazi propaganda, hoped to gain some territorial concessions in Russia.

(Polish Government offices in London were closed over the Easter holiday, and those officials reached in the city said the government had not yet received the statement. Diplomatic sources emphasized that the note would be given the deepest consideration and some took it for granted that Britain and the United States would be consulted before any action was taken or any reply made.

(British sources said the break constituted a temporary success for Nazi propaganda, which long has been directed at splitting the United Nations.

(These British circles, who may not be identified by name, said however that the situation is not "impossible" and held hope for eventual reconciliation between the governments of Russia and Poland.

(In Washington, United States State Department officials expressed regret over the break, but declined further comment.)
