For the third time this season All Stars baseball team dropped a decision to the Navy squad by the margin of one run and once again it was a slow start by the civilian team that was responsible for their defeat.

• • •

Navy's four-run outburst in the top half of the first inning enabled them to ride through to their victory with the losers' threatening all through the latter part of the game in an encounter that went the full nine innings after both teams had gotten away to a slow start.

• • •

As has been the case in games all season long between these two squads, they both played a better than fair brand of ball. Errors which figure largely in the scoring by both teams again made their appearance but at other times sparkling plays both in the outfield and infield made up for any misses that were evident.

The Charlottetown Tennis Club tournament is expected to be finished either this coming week-end or at the latest the first part of next week, President Ned Wran stated yesterday, and with its ending will come to a close one of the best club tournaments staged by the Club.

• • •

The long list of games that have been played have produced a good brand of tennis with competition being very keen. Especially has this been true in the doubles competitions where changes made in the draw this year have made for more evenly matched encounters. Then again the members have been very enthusiastic all year long all of which has gone to make up a very successful season.

• • •

The Holy Redeemer Tennis Club tournament is also progressing rapidly and has been the case in the Charlottetown Club play upsets have been frequent with both the junior and senior divisions having their share of them. Even more are promised before the various titles are decided and tennis followers are looking forward eagerly to the matches still to be played.

• • •

Summerside race track will be the scene of their second harness meeting this afternoon and the four classes that are to be raced should give race followers another good afternoon of the "Sport of Kings". Horses have been classified as evenly as possible and close, exciting finishes should be the order of the day.

• • •

Red Cochrane, hit the deck again Friday night when Rockey Graziana flattened him in the final round. Referee Leonard had to stop the fight and it is evident that Cochrane is almost through now as a top line fighter. There was some talk a while ago about matching Greco and Cochrane. They may go through with this match though Greco is going to be busy for a while reclaiming his lost laurels.

• • •

Montreal Johnny is reported to have fought a very stupid fight in his last engagement. He didn't have his regular second in the ring with him. He didn't have his regular second with him when he lost to Ruffin. Apparently Johnny can't keep going at top speed unless he has a smart mentor in his corner.

• • •

Whitey Bimstein, is not exactly a dumb cluck in fistic matters and he seconded Johnny but the latter places absolute reliance on Doyle who has been master minding him right along, and apparently was all at sea. Now he has to start on the wearisome road back and is going to take a lot of work.

• • •

Detroit Red Wings will have Johnny Mowers back in their nets. They will also have Stewart and Abel back on their line. Thus in one move they add a lot of strength to their club for the ensuing hockey race.

• • •

Maple Leafs get Gaye Stewart, Dickens, Polle and Mayer back and in addition to McCool have Bastien for goal even if Turk Broda doesn't get out of the army in time to start the season.

• • •

Billy Taylor, who has ballooned up around 180 pounds is anxious to get back into action. So Leafian prospects are pretty good. Of course every club is strengthening and Canadiens apparently have landed a good player in Peters. He is big and a two way player.

• • •

Reports have it that Ray Getliffe and Murph Chamberlain will retire. Getliffe will likely pack in his kit because he is well employed now and in addition has been offered a chance to manage a business with an assured future so he will probably decide on business.

• • •

Chamberlain, though, isn't ready to retire as yet. He has been farming all summer, is in tip top snape and as he had an operation after the hockey season which was highly successful he may surprise quite a few who have been relegating him to the discard.

• • •

Reports from Boston say Cain and Shewchuk have been traded for Bob Dill of Rangers. Cain is a prolific scorer and if he goes to Rangers they are going to pick up a lot of goals. Dill is the kind of player Ross likes and in the glittering company Art expects to assemble he may show a lot more than he did for Rangers where his main asset was a willingness to mix with all comers.

Kennel Club Dog Show Gets Underway At The Forum This Morning

Everything was in readiness last night for the opening this morning of the Charlottetown Kennel Club's third annual show, a show that is expected to be the biggest of its kind in the Maritimes this year.

With Capt. Will Judy, internationally known figure as judge and with over 150 entries taking part which includes 41 different breeds, dog fanciers, not only from this Province but from many points outside, are looking forward keenly to the judging which gets underway this morning at 10 a.m.

The show is attracting widespread interest with the breeds ranging from the tiny Chihuahuas to the massive Great Danes. Last night the Forum, the scene of the show was a beehive of activity as local officials put the finishing touches on the preparations for the show, preparations that will bring the entire proceedings up to as high a standard as is enjoyed in other much larger centres.

Navy Team Edge Out All-Stars 7-6 In Last Night's Encounter

Accounting for four of the six safe blows they garnered all through the game in the top half of the first inning, and taking advantage of two damaging errors to send four runners across the plate navy baseball team last night chalked up a 7-6 victory over the All Stars in an exhibition game played at the park diamond.

Away to their big lead the "Tars" however had to come through with some smart defensive ball to keep their lead intact as the civilian team threatened strongly in the last two innings but could only draw up to within one run of their opponents. It was the second time in a row that the All Stars had been shaded by one run by the "Sailors" and the Navy victory saw them take a 3-2 lead in games played between the two squads this season.

Dr. L. Morton Retains Maritime Sr. Golf Crown

KENTVILLE, N.S., Aug. 28 — (CP)—Playing a uniformly steady game to keep ahead of an unimpressive field, defending champion Dr. L. M. Morton of Yarmouth, N.S., today shattered precedent by marking up his third consecutive victory in the Maritime senior golf championships, which concluded today on the nearby Ken-Wo course.

Dr. Morton carded an 83 today, which with his first day's 79 gave him a match score of 162 gross.

He was three strokes ahead of Sydney Powell of Chester, N. S., last year's runner-up, and William Graham of the Algonquin Club in St. Andrew's, N.B. They tied for second with 165. James Garrett of the Ken-Wo Club, who led the first day's play with 77, ran into trouble today, and posted a poor 90, to place fourth with 167.

D.B. Scott of Lawrencetown, N. S., wrested the second division lead from J.W. Wood of Halifax, stroking 92 against Wood's 94, and taking a one-stroke lead with his total of 180. K. T. Creighton of Riverside tied with 180.

F. M. Dayton of Moncton, N. B., maintained a comfortable lead in the third division, adding 89 to his first day 90 of two-card of 179. He was nine strokes ahead of J.E. MacKenna of the Abercrombie Club at New Glasgow, N.S.

K.I. Campbell of the Riverside Club led the fourth division with 189 on the two days play followed by Robert Gascoigne of Liverpool, N.S., with 191 and F.G. Wilson of Riverside with 193.

First division scores included: J.T. Wade, Riverside, Saint John, N.B., 175; W.V. Murley, Riverside, E.B. Marley, Riverside, 178; W. G. Stears, Riverside, 179; W. E. Cotton, Charlottetown, 182; L. A. Titus, Riverside, 189;

Second division scores included: K.T. Creighton, Riverside, 180; N.B. Humphrey, Riverside, 185; F. J. Likely, Westfield, Saint John, N.B., 188; W.V. Gale, Riverside, 189; A.C. Burke, Riverside, W.J. Georges, Riverside, 203; H. S. Morton, Riverside, 205.

Mellish Lane Visiting City

One of the Maritime's best-known sports figures is visiting this Province on holiday. Mellish Lane, former great baseball pitcher with college and senior teams, is recalled as the "work-horse" of the mound, particularly during the years he played with senior Halifax teams.

A big, rugged type of pitcher he possessed tremendous speed and was tireless in his work. Mellish played in Charlottetown on two occasions in senior playoffs and prior to graduation from college roamed over Eastern Canada and the United States one summer with a barn-storming team of collegians.

He is visiting the Island, accompanied by Mrs. Lane, the former Marjorie Kennedy, and their children, as guests of Mrs. Lane's parents, Mr. and Mrs. J. D. Kennedy at their summer home at Rocky Point. Mr. Lane expects to return shortly to resume his engineering duties at Windsor, N.S.

St. John Man Heads Golf Ass'n

KENTVILLE, N.S., Aug. 28 — (CP) — Frank J. Likely of Saint John, N.B., was elected president of the Maritime Senior Golf Association tonight at the 21st annual meeting held here in conjunction with the annual championship tournament at nearby Ken-Wo Golf Club.

An invitation was received to hold next year's tournament on the Pines Hotel course at Digby, N.S., but no action was taken.

Deny Schmeling License To Write Book

BUNDE, GERMANY, Aug. 28 — (AP) — Max Schmeling, former world heavyweight champion, who said he wanted to publish books to "re-educate the youth of Germany," has been denied a licence to publish by the British Control Commission, it was disclosed today.

British authorities were expected to start a probe soon into reports that Schmeling's elaborate publishing plan had the backing of high British army officials, as well as monied interests within Germany.

The German pugilist—the only man to knock out Joe Louis—is living with his actress wife, Anny Ondra, at Hamburg.

A high-ranking British officer on the Control Commission said "Schmeling was noting more than a political champion—he was used as a symbol of Nazism throughout the war for the German youth. We don't want such a man publishing books for what he contends will be the re-education of German youth now that the war is over."

The refusal of his publishing application was regarded in military circles as putting Schmeling "in his rightful place" for the first time since Germany's surrender.

Reached by phone at his home, Schmeling said: "I'm very disappointed—a British major in the Military Government told me not to worry my licence would be approved.

"It is absolutely untrue that I was used during the war for Nazi propaganda. I have no idea what I'm going to do now."

In addition to the book-publishing business, Schmeling was planning to resume publication soon of the German newspaper Nordesche Allgemaine Zeitung which had a pre-war circulation of 250,000.

K. Of C. Softball

The softball series between the Aces and Tigers to decide the team to take on the Wings for the championship of the Knights of Columbus Recreation Centre is all tied up at two games each. The final and deciding game will be played on Friday night.

The girls team is going to Summerside today where they will meet a team from the Western Capital. From all accounts the westerners have a bang-up team. As this is the first year the Charlottetown Recreation Centre has had a girls team it is not possible to make any prediction as to the outcome. However, the Charlottetown girls will have a lot of fun, a nice outing and a social hour with their western sisters.

Cubs Make It Happy Birthday For Grimm By Emerging From Slump

Manager Charley Grimm was 46 yesterday and his first-place Chicago Cubs made it a happy birthday by emerging from their five-game National League slump and beating the Pirates 6-3 before a crowd of 23,335 in Pittsburgh.

Harry (Peanuts) Lowrey's fourth-inning homer with two aboard provided the winning margin after the Cubs had trailed 2-0.

Hank Borowy, acquired in mid-season from New York Yankees, won his first game since donning a Cub uniform as he scattered 10 hits. The Bruins, meanwhile, collected eight swats from Fritz Ostermueller.

Brooklyn Dodgers made it 13 out of 14 for the season over the lowly Phillies when they romped to an easy 7-1 victory and increased their league third-place margin over idle Giants to two games.

Art Herring, who left the game after two innings because of a shoulder kink, and Les Webber kept the Phils' eight hits well scattered as the latter received credit for his fourth straight win since rejoining the Dodgers after a stay at their Montreal farm.

Goodie Rosen, a big factor in the Dodgers attack until lately, was benched on his 32nd birthday because of a hitting slump.

Cincinnati Reds surprised themselves and the National League generally defeating the pennant-hungry St. Louis Cardinals 3-2 in a game decided by shortstop Eddie Miller's eighth-inning home run.

The Cincinnati victory gave the Cardinals' hope of catching the league-leading Chicago Cubs a cold-water treatment as Chicago moved ahead 3 1-2 games in the standings by their 6-3 triumph over Pittsburgh.

Quoit Play At K. Of C. Centre

The Knights of Columbus quoit play got underway last evening. Improvements to the tennis courts and the adding of a new softball diamond took so much time that the quoit play suffered as a consequence and only now is getting started.

Former champion Leonard McDonald was on deck and said he did not intend to lose the silverware this year. However, he was getting some stiff competition from Leo Doyle.

After the boys get the kinks straightened out the unfinished play of last season will be staged. Also the juniors will have their innings. Anyone wishing to get into the play should be on hand.

K. Of C. Track, Field Meet On Sept. 8

The Knights of Columbus will stage their annual track and field meet on Saturday, Sept. 8, it was announced last night. The events will be run off at the Recreation Centre, Victoria Park.

Races for boys from seven years to 16 will be scheduled, with other events including high jump, shot put, running broad jump, horseback race, wheelbarrow race, boot race and softball throwing.

All boys desiring to compete should hand their names in to the lecturer, Mr. Leonard MacDonald at once, stating their age and the events in which they will compete.

In the case of any event being over filled the race will be divided and prizes for each half will be given.

Newhouser Wins 21st Game Of Season

Too many home run balls for St. Louis pitchers and too many strikeout pitches from Lefty Newhouser spelled defeat for the Louis Browns last night as the Detroit Tigers took the first of a two-game series, 10-1.

It was Newhouser's 21st victory of the season and he set the home team down with only four hits and struck out nine.

In the third Hank Greenberg making his first appearance here since rejoining the Tigers, hit his eighth home run with Doc Cramer on base and Boby Maier followed in the same frame with another four-bagger with Cullenbine on board.

In Philadelphia, Washington Senators defeated the Athletics 5 on Rick Ferrell's first home run of the season, a low line drive that bounced off a railing into the stands in the ninth inning.

Ferrell's wallop came as an anti climax to an uphill fight by Mackman which saw them erase a four-run deficit in the fourth inning and take a one-run lead in the sixth.

New York Yankees put together a combination of fives in whipping Boston Red Sox 8-7 despite three homers that accounted for five of the Sox's runs.

For the Yanks it was their fifth straight victory and for Walt Dubiel it was his fifth successive win over the Red Sox.

While Johnny Lazor, Eddie Lake and Skeeter Newsome were hitting homers for the Sox, the Yanks made the most of their 11 hits, all but one of them singles off four Boston hurlers.

The second women's marathon swim was staged at Toronto Canadian National Exhibition 10 years ago today. Martha Norelius of New York spashed home in front over the 10-mile course to win the $10,000 prize money. Ethel Hertle of Bronx, N.Y., won the first marathon for women the previous year.
