CANADIAN NATIONAL THEATRE

English Actor Regards it as Imperial & Need

In an address on "The Empire and Drama" which Mr. Martin Harvey delivered at the Empire Club, Toronto, the English actor spoke of the awakening interest in dramatic art in Canada and the need of a National Theatre.

The speaker went on to say that Canada was beginning to realize its position in every way, and that the time had come for the young country to express itself in its own art.

They the foundation of a chain of National Theatres would do more to tighten the bonds of Empire than all the utilitarian and political schemes put together.

GLORIOUS HAIR

Always Attracts—Use Parisian Sage. Thin Or Faded Hair Becomes Abundant and Radiant With Life.

Girls and women of all ages want to be charming, beautiful and attractive—it's their birthright—but unobtrusively, thin and lifeless hair detracts half the beauty of a pretty face.

If your hair is not attractive, is falling out, streaky, full of dandruff, too dry, or if the scalp itches and burns, don't delay—use Parisian Sage Rub it well into the scalp. It will go right to the hair roots, nourish them, and stimulate the hair to grow strong and luxuriant.

Parisian Sage gives the hair just what is needed to make it soft, fluffy, thick and gloriously radiant. It is sold in fifty cent bottles only by toilet counters. Look for the trade-mark. E. Hughes and all drug and department stores.

NOTICE

THE FIRST OF MAY J. J. Gay & Son, will again resume business in the Charlottetown market, at the old stand, which has been thoroughly renovated.

They have not been hibernating this past winter like bruin as many may think, but have been very busy preparing for Spring business, and have even now hundreds of thousands of plants starting up, many thousands of celery, tomato, cauliflower, cabbage, lettuce, peeping above ground, and in different stages of growth.

There is no doubt that they are in a better position than ever before to supply the wants of the public in their line of trade.

They would remind the public, (farmers in particular) that they will have as usual vegetables, including parsnip, carrot and beet. Farmers are finding these last named vegetables more profitable every year, and many acres are being annually planted for shipping purposes. Be sure to buy their seeds and secure results.

34 YEARS IN MINE

Chinaman—Make Pile and Become Citizen

Out of the Omineca after 34 years spent in gold mines, Ah Luk, a Chinese, has returned north to his Siwah wife and young son.

In Vancouver Ah Luk made application to become a Canadian citizen as he never intends to return to China. He plans to send his young son to Vancouver to school.

Ah Luk went into the Cariboo mining district when he was 17 years old. Later he travelled into the Omineca, where he has been placer mining ever since.

Twelve years ago, the lonely Chinese miner fell a victim to the charms of Josephine, a belle of the Babine Indians and they were married by a missionary priest of that country.

From Hazelton, Ah Luk marched to his cabin, a distance of 187 miles, with supplies for the trip carried on his back.

The Province of Alberta has a coal area of 16,218 miles, with an estimated quantity available for consumption of 90,000,000,000 tons.

Practical Fashion Hints

The new moires this season are particularly fascinating. Instead of the old indelible watermark, we have unusually effective designs.

Another shows a butterfly and there are numerous others. This material is no longer heavy and stiff, but as soft and supple as any of the other new silks.

It is quite a fad nowadays to wear a lace blouse in which there is not a trace of the color of the skirt for afternoon. It is an economical and as one might say, made to serve with several blouses.

Moire averages 42 inches in width and may be purchased from \$2.00 a yard and up. This skirt may be made in size 24 with two and seven-eighths yards of 42-inch material. The pattern is cut in five sizes, 22 to 30.

THIS IS A PERFECT PATTERN. Be sure to give the right size measurements. The waist is slightly gathered, the lower part of the waist and loosely around the widest part of the hips.

It may be obtained by filling out the coupon and enclosing 15c in stamps or money to the Pattern Department of the store.
