Misses Florence and Cora Blanchard, Newcastle, N. B., are spending their vacation with relatives in Charlottetown, P. E. I.

The lady who lost her watch soon found it by advertising in The Guardian's Classified columns, and the ad cost her but ten cents.

Jenkins and Joe have leased from Adam Murray for a term of five years the right to use his gangway to get easy access to the rear of their store.

The country was blessed with a heavy rain early yesterday morning, although hardly noticeable by ten o'clock, the ground being so dry the rain was quickly absorbed.

Capt. Wells, Pictou, has command of the S. S. Amelia, while Chas. Campbell is in charge of the engine department. Mr. King is the new pursuer. The above gentleman are well known in this Province.

The Guardian has received the program of the rivetown congregation centennial to be held on Sunday July 19. Many prominent speakers are to take part and a very fine program has been prepared.

Fraser G. Marshall of New Glasgow drove out to the permanent site of the Maritime Boys' Camp on Saturday to make arrangements for the boys' outing. Mr. Marshall who is recovering from a recent illness has many friends in this City.

There will be no services in the Presbyterian Churches at Little Sand's and Murray River next Sabbath. A service of song will be held in the Presbyterian Church, Murray Harbor South next Sabbath evening commencing at nine past six o'clock.

Rev. L. J. Wason, Mt. Stewart, will conduct services on Sabbath next, July 19th at Pleasant Valley, at 11 a. m., Wheatley River, 3 p. m., Hunter River 7 p. m. The sacrament of the Lord's supper will be administered at Wheatley River during afternoon service.

Rev. Mr. Stebbins, who was lately transferred from Tryon, P. E. I., to the Gibson Methodist circuit, Fredricton, met upon his duties on Sunday last. In the morning he preached at Kingsclear and in the evening at Gibson, making a very favorable impression.

From a communication received by Wm. Mombourquette agent here for manager of the undermentioned mines states the following:—On Monday last the workmen of the Lake Coppe Mining Co., at Copper Lake in Antigonish Co., at the bottom of the 10-foot shaft, broke into the hanging wall of the eight foot fissure vein now being exploited. They made the extraordinary discovery of large quantities of native copper (Virgin Metal) in ten inches of selvage. The percentage of copper in the material here found is phenomenal. The vein proper continues to show higher values as the development proceeds.

The Opera House will be used all next week by that well known actor Daniel Ryan. A Halifax paper thus speaks of this company:—"The second act of the week of Daniel Ryan's engagement will open at the Academy of Music tonight, with a beautiful presentation of "Ingomar." Nothing but praise has been heard on all sides regarding the productions during the past week, and this evening will be no exception to the rule. It has been some time since Mr. Ryan appeared in his favorite role in Halifax, and no doubt many of our theatre-goers will be glad to see him repeat his former success as "Ingomar," the Barbarian. Mr. Ryan is ably supported by a well-balanced company and a splendid performance may be anticipated."

Mrs. Neil McDougall of Quincy, Mass., who has been absent from the Province for the past twenty years, arrived last week on a visit to her brother, Norman McLeod, Clyde Station.

Advertisers say that there is no better medium than the Rural Daily (formerly the Weekly) Guardian. The reason is that it circulates everywhere throughout the country districts of the Province, reaching an entirely different class of readers from that of the Morning Daily.

The P. E. Island Soap Works yesterday delivered an order of over twenty-two hundred pounds of soap for one customer. That certainly ought to put a lot of dirt out of sight and anyone who has occasion to buy such a quantity at one time must know that the quality of the P. E. Island Soap Works output is all right.

What might have been a fatal accident to Miss A. K. Henry of Grandville, happened on Tuesday last. She fell from the barn loft cutting her head very badly. Drs. Simpson of Stanley and McKay of Kensington on examination found that the skull was not fractured, as was first thought. Mrs. Henry is badly bruised about the chest and neck, but her friends will be glad to know that she is doing as well as can be expected, and hopes are entertained for her recovery.

Advertisers are requested to have their "changes" in for the Morning Daily and The Rural Daily not later than 10 a. m. on both Friday and Saturday of each week as part of the big Saturday paper has to be printed on Friday and Guardian employees have a half holiday each Saturday. The news and editorial departments which will open at 10 a. m. on Saturday, are closed from 1 p. m. to 7.30 p. m. but the advertising and subscription departments are open from 8 a. m. to 6 p. m. on other days.
