Did You Ever Think of This?

The following is an interesting comparison: "Suppose that a farmer raises 4000 bushels of wheat a year, and also sells this to 4000 persons in all parts of the country, a great portion of them saying, 'I will hand you a dollar in a short time.' The farmer does not want to be small and says 'all right.' Soon the 4000 bushels are gone and he has nothing to show for it, and he then realizes that he has fooled away his whole crop, and his value is four thousand little dribbles. Subsequently he is seriously embarrassed in business because his debtors each owing him one dollar, treat it as a small matter and think it would not help much. Continue the business year in and year out, as the publisher of a newspaper does, how long would he stand it?"—Exch.

All Men Prize Muscle and Strength.

Paine's Celery Compound Build Up the Weak and Broken Down.

It Has Special Elements That Purify and Enrich the Blood.

It Quickly Expels Disease Germs from the System.

Heaven's grandest and most glorious creation is the man who is physically perfect—blessed with iron nerves, brawny muscle and fullness of strength. Half-sick, weekly and broken down men make their homes unhappy and miserable, and as citizens they are, frankly speaking, of small value. To be useful to society and our country, and to become fit temples worthy of our great Creator, the weakly, sick and diseased should use every endeavor to acquire health and strength. Heaven, always kind to those who are willing to help themselves, has given to failing and ailing men Paine's Celery Compound, the greatest and grandest of health-giving, medicine. Millions are now using Paine's Celery Compound with mighty and happy results. High encomium and thankful letters come from physicians, lawyers, clergymen, bankers, legislators, business men, merchants and farmers who have been made well and strong after months and years of sickness.

ferent wards. The Government has the province in hand.

Coun. Crabbe said that the list is now open. It will be better to have the list with the City Clerk for a week. If the people do not come and subscribe then we then can wait on them.

Col. Moore thought that it should be remembered that many of the people have already given. The Island members of the contingent were all insured, while Montreal only insured the married men. The ladies have also collected and interested themselves in the matter. There are, however, a number who have not yet subscribed who will no doubt take advantage of this opportunity.

Mr. Geo. E. Hughes said that an executive committee should be appointed to aid in carrying out the movement. He would favor the Council and the Provincial Government harding the matter. Mr. Hughes then moved that an executive committee be appointed to represent the different wards. The following committee was then appointed:—Messrs. Chas. Lyons, W. A. Weeks, F. Carter, P. Blake, Chas. Gardiner.

- The following gentlemen then subscribed to the fund:—Lieut.-Gov. McIntyre \$100.00, Bishop McDonald 25.00, W. W. Sullivan 20.00, D. Farquharson 50.00, Mayor Warburton 20.00, Dr. J. T. Arrested for Spitting.

The man who carries the dread germs of consumption, and who deliberately, or carelessly expectorates in public places is certainly deserving of punishment. Any person who is afflicted with a cough or cold is very susceptible to the germs which float in the air (and the air is crowded with germs), cast off by Consumptives and suffering from kindred disorders. A great many cases of Consumption arise from this most reprehensible habit. If you are suffering from a Cold and Cough the only safe-guard is to heal the irritated condition of the throat and lungs which the cough has produced. Shiloh's Cough and Consumption Cure is the only sure remedy—it is guaranteed to cure. If you do not feel satisfied with the results by the time you have used two bottles of the bottle take the remainder back to your druggist and he will refund you the whole of the money you paid him. But soon 'take it back, you will have been much benefited.

One in Seven Dies ... of Consumption

And Consumption Begins with a Cold Cough Could Be Cured by Dr. Chase's Syrup of Linseed and Turpentine.

That one in every seven persons die of consumption is proven by government statistics, and when it is remembered that it is usually the young man and young woman who succumb to the effects of this terribly fatal disease, the ravages of consumption are more fully realized.

Consumption always begins with a neglected cold, and how dreadful must be the misery of every mother whose dear one has prey to this monster as a result of her neglect to cure the cold.

It is rarely that consumption is cured, but it can always be prevented by a timely use of Dr. Chase's Syrup of Linseed and Turpentine, the most popular and best known remedy for throat and lung disease. Dr. Chase's Syrup of Linseed and Turpentine is composed of the best ingredients ever used for coughs and colds. It is pleasant to take, prompt in its action, and a positive cure for croup, bronchitis, whooping cough, sore throat, hoarseness, asthma and coughs and colds of every description. 25c. a large bottle at all dealers, or EDWARDS, BATES & Co., Toronto.

"THE WHITE MAN'S BURDEN!"

What more appropriate name could be applied to that most insidious and universal of diseases --Catarrh--which affects nine hundred in every thousand of our People

Dr. Agnew's Catarrh Powder has proved itself a wonderful power in lifting the burden—a dove of peace in the battle for health.

It makes life worth living—it helps in a hurry and it cures permanently—relief in 10 to 60 minutes.

So-called cures come and go and hardly a week passes but some new claimant as a cure for catarrh presents itself, only to fall in its mission, add another disappointment to the long list of disappointments in the line of permanent cures for this most universal and distressing disease.

Dr. Agnew's Catarrhal Powder has been for many years before the public as the surest, safest, most harmless, quickest and most permanent: treatment for Catarrh, Hay Fever, Cold in the Head, Sore Throat, Influenza, Catarrhal Deafness, Headache and Tonsillitis. That it has proved its worth thousands of times, east, west, north and south, over the whole continent, is allowed by the thousands of uncollected testimonials that have been received by those who have suffering from the Catarrh Malady in all its

forms, and for periods of suffering, whether the limit of a few days of Influenza or Cold in the Head to the cure of stubborn and deep-seated Catarrh of the Head and nose, covering the almost incredible period of fifty years.

Apart from the splendid evidence of the curative powers of Dr. Agnew's Catarrhal Powder received from people of all ranks and conditions of men, from the laborer in the street to the judge on the bench. The most eminent nose and throat specialists concede it the greatest cure, gave it their unequalled endorsement and show their practical faith in it by using it in their daily practice.

Dr. Agnew's Catarrhal Powder goes right to the seat of the trouble. It attacks the disease, removes the cause, cleanses and heals the parts, quickly and permanently. The treat-

ment is simple, the applications are easily made, perfectly painless, and in ten to sixty minutes after applying, relief follows. It's so wonderfully searching, and yet so soothing, comfort comes like magic.

Mrs. M. Greenwood of 204 Adelaide street west, Toronto says in substantiation of the claims of Dr. Agnew's Catarrhal Powder: "I am so well pleased with Dr. Agnew's Catarrhal Powder and the good results derived from it, that I hardly know how to express myself. For years I was a great sufferer from Catarrh in the Head and Throat. I tried many remedies without getting relief until I began using Dr. Agnew's Catarrhal Powder. A few applications gave me great comfort and relief. I continued using it, and now every vestige of the trouble has gone, and words fail me to express the gratitude I feel at being freed from the loathsome disease."

Dr. Agnew's Ointment.—When the skin seems fairly on fire from itching skin diseases, one application will give quick and permanent relief.
