THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block, Charlottetown.

THE train arrived last night at 9.30.

THE Northumberland arrived last night at 5.40.

MISS HELEN MCARTHUR, of Prince Edward Island, is on a visit to Moncton.

MRS. A. E. HOGAN will be at home at the residence of Mrs. R. S. Hogan, Prince Street on Wednesday and Thursday afternoons of this week.

DEAN SOUTHWICK of the Emerson College of Oratory, will give a recital in the Opera House on November 20th, one week from tonight.

THE schooner Dayspring from Cape Breton with a load of coal, sprung a leak in St. Peters Canal last week. The cargo will have to be disposed of on the spot as it will be impossible to bring the schooner to this port.

THE correspondence in The Guardian regarding purity of elections was referred to by Rev. Wm. Dobson on Sunday night in the Methodist Church, The Rev. gentleman upheld in strong terms the principles which were being advocated.

J. D. BAYER and his brother-in-law, Fred Fuller, Lower Meagher's Grant, were in town for a few hours on the 9th coming here to meet for a few hours Mr. Fuller's sister, Mrs. Weeks, who was en route from Prince Edward Island to Colorado. It was much regretted that their time was so short in Truro, but the talented "Fiddler" and his ever-genial companion managed to get a few minutes to drop into the News Office.—Truro News.

AFTER weeks of constant and faithful practice carried on with commendable vigor and determination, despite the inclement condition of the weather, the St. Dunstan's College football team now stand ready to brave the battle for supremacy tomorrow. The team which will don the crimson and white on Wednesday and which is confidently expected to live up to the best traditions in the athletic history of their Alma Mater will be made up as follows:

Full Back—Dan McDonald.

Halves—D. F. McDonald, F. J. McDonald, J. Gallant, L. J. McCarthy.

Quarters—Ray Gillis, Chester McCarthy (Capt.)

Forwards—A. I. McIntyre, P. McDonald, F. H. McDonald, J. J. Sark, J. Fleming, J. McCarthy, A. Blanchard, J. A. McDonald, H. McKenna.

THE mate of the Sovinto who has been very ill from pneumonia at Priest Pond, since the casting away of his ship is reported to be improved. The Captain and the remaining survivors of the crew will likely remain at the scene of the wreck for some days yet. It is not probable that any practical means of saving the vast amount of deals which comprise the cargo of the Sovinto can be adopted. The lumber is scattered for about 40 miles along the shore and much of it has drifted into places inaccessible to teams. The planks will probably be lying here and there along the shore for months to come

MISS PAULINE JOHNSON (Te-ka-hion wa ke), the Iroquois Indian poet entertainer, presenting her own poems of Red Indian life and legend, and Walter McRaye, Humorist; in sketches from Dr. Drumond's folk lore stories of French Canada are to appear in the Opera House in this City beginning on the 28th inst., in the same program which was so successful in London. With Miss Johnson's clever and entertaining work many readers of The Guardian are familiar, and there is little doubt but that those who heard her when she was here before will gladly avail themselves of the opportunity to hear her again. Miss Johnson's companion Mr. Walter McRaye, is a Canadian humourist and his special study has been the quaint French-Canadian, with his baffling patois and charming simplicity Mr. McRaye's pieces are from the pen of Dr. Drummond, and are excellently rendered and enthusiastically received.

SAYS the St. John Telegraph:—There were two passengers on the outgoing Boston train Saturday evening who may have been fortunate to get away without an encounter with the police. One was a woman, who said she was going to join her husband at Houlton. She had missed the train the night before; and she candidly admitted the reason was that she had been drinking. She, however, was inclined to blame the railway officials, and referred to them in terms which were not couched in the most admirable language. A man from Prince Edward Island was also in a condition vulgarly known as "jigged," and made incessant inquiries as to the trains. To a reporter he imparted the information that he was rather "green," and such a fact was quite capable of belief. A brakeman asked to see his ticket and it was produced only after a number of papers, such as old envelopes, baggage checks and receipts, had been offered for inspection.

Our Iron Blood Pills makes good rich blood, strengthens the nervous system and builds up the body in general. This is the time of year to take them 25c per box. A. W. Reddin, Phem B, The Central Drug-store.

IN the Supreme Court yesterday a rule for certiorari in the case of Sarah Jane Higgins and also for Mrs Essery was refused. In the case of P. P. Gillis the rule was allowed.

A MEETING of the congregation of Zion Church was held last night. Owing to the inclement weather there was not a large attendance, but a call was extended to the Rev. Geo. A. Ross, of Maitland, N. S., who has been on the Island a large portion of last summer. The call will be signed by the elders here and forwarded to the Halifax Presbytery, and then referred to the Prince Edward Island Presbytery.

A RECENT San Francisco paper had an account of the Sheridan the United States transport which recently went ashore on a reef outside Honolulu, It will be remembered that among this ship's company was an Islander, J. D. Mason, and there also served on her at an earlier date one of the sons of Thomas Flynn of this City. The Sheridan has been towed into Honolulu harbor for repairs sufficient to enable her to be taken safely to a dry dock.

A crowd of passengers came over from Prince Edward Island yesterday says the Moncton Transcript, and went through to Bath, Maine, where they will depart for the lumber woods. As stated in The Transcript a few days ago, a Maine lumber dealer was looking for axe men and it seems he found the majority of them on Prince Edward Island. The Prince Edward Island men, who went through yesterday were fine, sturdy, sober looking chaps, In the party were six teamsters. They will work in the Maine lumber woods till about the first of May, when they will return to their native home, in time to do their farm work.

MORAL Reform was the theme of a strong sermon on Sunday evening, in the Baptist Church by Rev. G. R. White. He based his sermon on some incidents in the life of Nebuchadnezzar of whom the question was asked. "Is this the man that made the earth to tremble that did shake kingdoms"? and of whom it was said that "he turned the gardens of the earth into deserts." The preacher said that the great Nebuchadnezzard had long since passed away and his palace was a ruin, yet there were men and forces which were working moral destruction in the land today. He pointed out three great evils that are working ruin in our time—viz—bad government such as that of Russia and the unspeakable Turk; political corruption such as we read of in our own land; and the saloon. In the course of his remarks the preacher said that all good citizens should join with Dr. Jenkins in his move toward the removal of political corruption which is a blot on the name of our fair country. He said he was not talking partly politics for both parties were guilty. He said we have the best government, the best laws of any country under Heaven and it ought to be administered in the purest fashion. The existing political evils he said were being winked at by the people and taken as a matter of course. Admitted to be wrong by one party but excused by the fact that the other party does the same, instead of both parties rising in their might and saying by word and action, "These things ought not so to be" and they must not and shall not be.

BE A STRONG MAN.

Increase your vitality and nerve energy, restore vim and force to your overworked body. Ferrozone will do this as it did for Walter Wood of Beauport, N. B., who writes: "I can say Ferrozone has given me a new lease of life. A year ago I suffered so from nervous exhaustion I was scarcely able to drag myself around. My appetite was gone, I had no color or ambition and felt used up. One box of Ferrozone started me back to health. I took a number of boxes and my health was completely restored." For men who are tired, pale, nervous and thin-blooded nothing compares with Ferrozone, 50c per box at all dealers.
