WEDDING BELLS.—A marriage of more than ordinary interest took place at 81 Fitzroy Street, on Saturday, when Lieut. Cyrus Martin, of the 55th, and Miss Jeanetta McDonald, were united in wedlock by the Rev. Geo. C. Taylor, of Zion Church. Both of the young people are of Springton. The study was appropriately decorated with draped flags and crossed swords, while the improvised altar was covered by a Union Jack. After the ceremony the new-married couple left for Springton.

LARGELY ATTENDED FUNERAL.—The funeral of Mrs. Hugh Cousins, of Stanley Bridge, who died on May 5th, was held on Friday, 7th, at 2 P.M. The service in the Methodist Church and at the grave were conducted by the Rev. L. J. Leard, pastor of the Church, and the Rev. John Stirling, Presbyterian minister, of Cavendish. A large number of people gathered to pay their respects to the late and esteemed lady who had reached the age of 85 years. Mrs. Cousins is survived by three daughters and three sons. "Blessed are the dead who die in the Lord."

RECORD FUNERAL.—On Saturday, the remains of the late Peter Arsenault were laid to rest in the presence of a large gathering of friends and immediate relations. Since the first of the year nearly thirty grown-up persons have been buried in Tignish. This breaks the record of former years. The funeral services over the remains were conducted by Mr. Dugald McDonald, and music was furnished by the Tignish Choir. The pall-bearers were, as follows:—Messrs Peter Chaisson, Archie Bernard, Malime Blanchard, Sylvain Gaudet, Jerome Perry and Eugene Martin.—Z.

OVERSEAS BATTALION.—Yesterday the acting Adjutant of the 82nd Regiment received word from Officer commanding the 55th Overseas Battalion that Lieutenant Stewart B. Simpson, of "A" company, 82nd Regiment, son of Rev. Canon Simpson, had been recommended to take the place of Lieutenant C. B. Martin in the 55th who has been ordered to go forward with the reinforcement company from that Battalion. The O. C. 55th Battalion stated that he was much pleased with the number of men recruited on the island and hoped that more would follow. Captain Campbell left yesterday morning with seventy-six men for Sussex, N. B. He had hoped to secure one hundred and twenty, and as the Battalion is not yet fully recruited there is yet a chance to make up the shortage. Young men of Charlottetown and rural districts should ask themselves "Dare I stand aside in the hour of my Empire's distress?" Some of the young men cannot go, but many more can answer the call to duty than have done so, and it is to those who can the call comes strongly. The country's safety is at stake. She needs the aid of every man who can pull a trigger today! Those wishing to enlist may find in their names to Captain T. E. MacNutt, Acting Adjutant, 82nd Regiment, Charlottetown.

Last evening in the League of the Cross Hall about 30 of the younger members of the Society, who compose the football, hockey and basketball teams of Queen Square School, were given an entertainment and banquet. Besides the boys there were present His Lordship the Bishop, Father Frank McQuaid, Father Pius McDonald, Spiritual Director of the Society, and a number of the older members of the League of the Cross. Mr. W. J. Doucette, President of the Society, occupied the chair. The following was the programme of entertainment: Band Selection.—Master John Connolly. Vocal Solo—James R. Curran. Vocal Solo—James P. McInnis. Recitation—J. Austin Trainor. Band Selection. Presentation of prizes to "Invincible" basketball team, namely, Lorne Howatt, Martin Sinnott, Roland Howatt, Wm. Praught and Urban Pineau. His Lordship the Bishop presented the prizes and congratulated the boys on their showing and said that the boys of Queen Square School were as efficient in every way as any in Charlottetown, Prince Edward Island or any in Canada. He exhorted the boys to continue their energetic efforts, not only in athletics, but in their scholastic work. His Lordship told the boys to always continue their connection with the League of the Cross, as this was an important factor to their success. He announced that two substantial prizes were to be presented to the two most successful boys in their school work this year. Splendid speeches were also made by Father Pius McDonald, Father Frank McQuaid, Messrs A. Joy, Peter Doyle, J. Francis, P. A. Smith, G. J. McCormac, M. Francis and the chairman. Mr. G. J. McCormac intimated that he would give a prize of ten dollars

in gold to the best all-round athlete of the school; while the chairman announced that Father G. J. McLellan, D.D., parish priest, and Mr. W. J. Brown had donated a baseball outfit to the boys. Master Lorne Howatt, captain of the Invincible basketball team, replied on behalf of the boys, expressing appreciation to all who had in any way helped the boys and saying that they would endeavour to do credit for what they had received. The boys then retired to partake of a splendid repast provided.

SILVER ANNIVERSARY.—The W. M. S. of the Methodist Church, Kensington, held an interesting meeting at the Parsonage on Wednesday, May 5th, it being the 25th anniversary of their society. This auxiliary was organized in April 1890 by Mrs. (Dr.) Richard Johnson of Charlottetown and has accomplished a good work through all those years. Only one charter member was present, Mrs. James Essory. The present year has been one of the most successful in the history of the society. The officers counted up the results of their work. A special feature of the meeting was the presentation of a Life Membership certificate to Mrs. Donald Stewart, one of the faithful workers. A Life Membership Certificate in the society was presented to Mrs. John McPadyen who has been President of the Circle. The Auxiliary and Circle together with a host of friends regret very much the removal of Dr. and Mrs. McPadyen from their midst, where they by their kindness and helpfulness endeared themselves to all and trust that in their new home they may find the same opportunities for helpful service and hospitality. Rev. George and Mrs. Morris have also rendered invaluable aid to the society in many ways. At the close of the meeting ice cream and cake was served.

Mr. Peters has already a considerable experience in this business and has started into active training to be prepared to sail with the next Contingent for Europe.—H.

HOME GUARDS.—No. 2 Company Home Guard had an excellent drill last night at the Drill Hall under command of Captain Landrigan and Lieutenant Baird. About 30 responded to the Roll call. After an hour and a half of company drill Colonel Moore, who was present, addressed the men, congratulating them on their drill and their patriotism. In the defenceless condition of Charlottetown at the present time, he said, there was need of a larger response to the Home Guard movement and he was in hopes that at least 300 or 400 men would respond to the call for service. He regretted that the men who had signed the service roll had not been more faithful in turning out, and hoped that next Thursday and Tuesday the men would all turn out to the parade. An effort will be made to have the company drill in the future, and the militia authorities will be asked to grant this request. It is hoped that all the men who have signed the roll will realise their duty and attend to the drills Thursday and Tuesday next.

HEADACHE?

Thousands of persons who have never known a day's sickness of any other form are subject to frequent attacks of Headache that almost drive them mad.

Whatever the nature may be and the cause, the immediate condition that produces the pain is a congestion or filling up of the blood vessels of the brain with blood, thus causing a pressure on the brain cells and nerve filaments.

In treating all forms of Headache the first thing to do is to relieve the congestion of the blood vessels of the brain. Abbey's Effervescent Salt in laxative doses does this promptly. Sold everywhere at 25c. and 60c.

Full blooded people who are subject to frequent attacks of Headache can be entirely relieved by taking laxative doses of the Salt every morning. Headaches from Indigestion and Biliousness are also entirely banished by continuing the use of the Salt until the normal action of the liver and stomach is restored.

Sold by George E. Hughes.

ISLANDER DEAD.—Many friends will regret to hear of the death through wounds received at the front of Charles L. Plitts, formerly of Charlottetown. The deceased resided here for some years, his mother being a daughter of the late James Reddin who married Mr. D. H. Plitts of Halifax, N. S. The deceased was a member of B. Section 2nd Field Ambulance, Canadian Army, Medical Corps, and was a nephew of Messrs J. H. and L. J. Reddin of this city.

SERMONS APPRECIATED.—Rev. Mr. Whitehead, of the Central Christian Church, Charlottetown, preached on the York and Winslow Circuit on Sunday last and was much appreciated by the large congregations that were present. His subject at Pleasant Grove in the morning was on Heaven, and where it is. In the afternoon at Stanhope, he spoke on Home and what constitutes the Home, and in the evening at York he gave a very able discourse on Paul before Felix from the text "Go Thy Way for This Time and at a More Convenient Season I will call for Thee." Mr. Whitehead made a most favorable impression by his earnestness and all have expressed the wish that he may visit this circuit again in the near future.

NEWS FROM VIENNA.—The following is an extract from a letter dated April 11th, from Vienna, received by Rev. Canon Simpson, Charlottetown, from his sister, who is a resident there: "Today the bread tickets came in for the first time, everyone, rich and poor is allowed a certain limited quantity of bread or flour. This is printed on a bit of paper full of little squares and wherever you go to buy bread you must let the baker take one of the squares off. Even if you go to a cafe or restaurant you must bring your own bread on a ticket. The street car tickets have economical cooking receipts printed on the back. In every way possible people are requested to save, nevertheless, every theatre, the opera and every music hall is sold out every night. A man who keeps a night bar-room in the city made 5,000 Krona (\$1000.00) in one night. The streets are full of soldiers of course many wounded are about too. You can see the street boys playing soldiers and pretending they are wounded. They limp and run about with their coat sleeves dangling down empty. Today we are going out to dinner, our hostess will not have bread enough, so we must take ours with us. The police go to the peoples houses to see how much flour they have, and woe betide him or her who does not tell the truth." (Did not a certain person with a German name want a similar law in P. E. I.?)"

ANOTHER ISLANDER.—Among those enlisting for the front abroad is Mr. Robert Small, who is now with Boyle's Yukon Contingent, Hastings Park, Vancouver, B. C. Mr. Small formerly belonged to Prince Edward Island and is a son of Mrs. Jane Small, "Bob," as he is known among his friends, left here about thirteen years ago for the Yukon, where he served his time with the Canadian Northwest Mounted Police.
