Rev. O. H. Peters performed the ceremony. The bride looked winsome in blue silk with bridal veil, and was given away by her father. The groom was supported by John A. Buchanan, while Miss Myrtle Cuffie, of Fredericton, acted as bridesmaid. After the ceremony the wedding party sat down to a sumptuous supper, the guests including the immediate friends of the bride and groom. WHIST TOURNAMENT.—The Whist Tournament under the auspices of Catholic Women's League was held Wednesday night in Rosary Hall. It was the intention to have had this the last one of the season, but at the urgent request of a number of the players it was decided to hold another tournament each Wednesday, beginning next week for three weeks with prizes each evening and a capital prize at the end for the winner of the highest points during the series. Mrs. E. Croken won the ladies' prize last evening and Mr. H. Morgan the gentlemen's. The capital prize was won by Mr. Joseph Praught, who made the highest points during the series; Miss M. Lappin winning second. The hall was given away each evening and the committee in charge are to be complimented on the success of the Tournament.

BUYS ANOTHER THEATRE.—The Kentville Advertiser says: "An important real estate and business transfer was consummated locally Thursday, when Mr. F. G. Spencer, St. John, purchased the Strand theatre and business block, formerly the property of Mr. Perry Bishop, and the contents of the theatre from Messrs Clark and Hillz, the lessees, who have been operating a successful business there since the erection of the building five years ago. Undoubtedly the Strand block is one of the best located and valuable in the town and when Mr. Spencer makes the proposed alterations on the theatre proper, Kentville will doubtless have a really creditable place of amusement."

Nervous Tortures

Irritation by Day and Sleeplessness at Night the Result

There is no torture more intolerable than nervousness. The sufferer starts at every noise, is shaky and depressed. The least thing produces a feeling of irritation and nights are often sleepless. Often although in a completely exhausted condition, the patient is unable to sit or lie still. The nerves are in this jaded condition because they are being starved by poor, watery blood and to restore them to a normal condition the blood must be made rich, red and pure. For this purpose no other medicine can equal Dr. Williams' Pink Pills. They act directly upon the blood; they bring to it the elements necessary to enrich and purify it, thus bringing new health and strength to run-down, nerve-worn people. There is no doubt about this; thousands have testified to the blood-improving, nerve-restoring qualities of these pills, among these is Mrs. Aubrey Caldwell, Melanson, N. S., who says:—"I was badly run down, and my nerves were in a terrible condition. I would start at the least sound and often faint away. I could not sleep at night, and only those who have been in a similar condition can tell what I suffered. At my mother's request I began taking Dr. Williams' Pink Pills, and after taking them for several months I am surprised at my present condition of good health. My nerves are as sound as ever; I can sleep well and eat well, and have no more fainting spells. I can only say that I cannot praise Dr. Williams' Pink Pills too much for what they have done for me." You can get these pills through any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Better Bread

IT is no secret that bread made with Beaver Flour is better than—"just good bread" and has a taste and flavor all its own.

The reason for this is: Beaver Flour contains all the richness and goodness of selected Ontario Winter Wheat combined with the strength and body of Western Hard Wheat.

The scientific blending of these wheats is the feature that makes Beaver Flour so much superior to other brands, and enables it to impart to bread a delicious nutlike, homemade flavor.

BEAVER FLOUR

is not something new—for the past fifty years it has demonstrated to Canadian housewives that it is the ideal flour for all baking purposes.

Ask your grocer for Beaver Flour and use it in your next baking—the results will surprise and delight you.

Beaver Flour is ideal for all baking purposes.
