THE St. John Sun says the following of the death of Mrs. Allison. The announcement of the death of Mrs. Allison, wife of the president of Mount Allison University, will be read with sorrow by her own friends and the friends of the bereaved husband and family. During the two periods of Dr. Allison's service in the college presidency, Mrs. Allison was brought into close relations with hundreds of students. Her name will be held in loving remembrance by them all, and particularly any who through illness or other trouble had special need of kindly attention during their stay in Sackville. Though ready to do her part in all good works which make demands on the attention of energetic and intellectual woman, Mrs. Allison always found time for the exercise of the old fashioned gift of hospitality, and until the beginning of the weary illness that is now ended, her home was always open to the large circle of friends from all parts of the country. Mrs. Allison was a native of Kent county, and was a sister of H. A. Powell, M. P. She leaves a family of sons, the eldest of whom is a rising member of the Halifax bar.
