NAVY LEAGUE OF CANADA IN ANNUAL MEETING

P. E. Island Represented by Mr. J. O. Hyndman. The Island's Record a Proud one. Good Progress Reported in Other Branches.

(Special to The Guardian.) TORONTO, June 3.—The Navy League annual meeting was held in the King Edward Hotel, P. E. I. was represented by Mr. J. O. Hyndman. Satisfactory reports were received from all branches. The representatives of Nova Scotia, and New Brunswick reported a falling off in the interest in the work in those provinces and suggested that an organizer could do much good on the Atlantic seaboard. Mr. E. I. reported great progress, the membership being increased almost ten fold during the last twelve months, but the assistance of an organizer would also be appreciated there. In New Brunswick the activities of the League were mainly devoted to assisting sailors, while in Prince Edward Island the work among the boys has been the object of much of the effort. Considerable amazement was expressed by all the delegates, except Mr. Alsoph of Halifax, when in presenting the budget from Nova Scotia he referred to an item of \$100,000 to complete the Navy League Home in Halifax. Commodore Aenilius Jarvis, who presided, immediately drew attention to the fact that the Dominion Council had only promised \$175,000 for this purpose and that the Nova Scotia branch had taken too much for granted in assuming that another \$100,000 would be given toward the project. Mr. Alsoph was not certain as to whether Nova Scotia had considered a previous \$100,000 granted or not, and the matter was finally dropped when the chairman stated that most of the divisions had a beer racket and a wine taste. The Halifax building was admitted to be a national one but was those at Port Arthur and Vancouver, and could not expect to get money which should be spent in another way.

Western Farmers Want To Control 1920 Wheat Crop

(Special to The Guardian.) WINNIPEG, June 3.—Asserting that the Canadian Wheat Board cannot exercise control over the 1920 crop unless its authority is renewed at the present session of parliament, the executive committee of the Canadian Council of Agriculture tonight telegraphed the Dominion government urging that the necessary steps be taken to have government control of the wheat crop continued for at least another year. The resolution asserts that there is no indication of the lifting of government control of buying on the part of consumers so as to affect the marketing of the next crop.

ADDITIONAL TROOPS ARE BEING SENT TO IRELAND

Situation Becomes More Serious. More Barracks have been Raided. Two Battalions Taking on Troops at Plymouth

(Special to The Guardian.) LONDON, June 3.—Despite the recent dispatch of strong military reinforcements to Ireland, the movement of additional troops was imminent today. The battalions Valiant and Warspite have arrived at Plymouth where it is said 1,200 Marines and more than 1,000 members of the Devon regiment would embark for Queenstown Friday. There is no sign of abatement of Sinn Fein attacks on military barracks and other government posts in Ireland. Within the last thirty-six hours eight barracks in four counties were attacked and although the garrisons were successful in repelling all assailants the attackers operating in bands of two or three hundred used rifles and bombs with effect and set fire to several buildings through the use of flaming petrol. The most violent attacks yesterday and last night were against barracks in Blarney, County Cork, and Fenit, County Kerry. At Blarney the raiders commanded the hotel adjoining the barracks and placing explosives against the barracks wall blew up the building. Depend on U. S. Irishmen. ROME, June 3.—John O'Keely, of the Irish Republic Ambassador to France, who has been in Rome as a member of the mission which presented the case of Ireland to the Pope, declared in an interview today that Ireland considers herself in a state of war with England. He said it would be war with parties on both sides for the Irish vote which is powerful enough to prevent the election of a president opposed to Irish independence.

The Women's Missionary Society Proceedings of the Second Day's Session of Convention.

That a great deal of interest is being taken in the 35th annual meeting of the W. M. S. is evidenced by the large attendance at each session of the convention now being held in the Heartz Memorial Hall. Yesterday morning's session opened with devotional exercises, followed by the reading of the minutes of the last year. The reports of the district superintendents were most satisfactory, showing a generous increase in both membership and financial support, and a most encouraging outlook for future work. Mrs. H. A. Goodwin of St. John gave an intensely interesting report as superintendent of the Christian stewardship, using a chart to great advantage. Mrs. E. A. Westmoreland of St. John, in giving her report as secretary of Department of Strangers, emphasized the necessity of paying more attention to the welcoming of strangers in their midst and the suggestions will no doubt help materially in this branch of work. At eleven o'clock a quiet half hour was enjoyed, led by Mrs. S. H. Rice, and this was followed by the reading of a paper which quite a number took part. Greetings were received from the different churches in the city to welcome the visitors; also one from Miss Harriet S. Stewart, a former energetic worker of this district. This was answered by telegram by Mrs. Sanford. Another greeting much appreciated was sent from Mrs. R. Johnson, one of the senior workers, who through illness is laid aside and is at present in the P. E. I. Hospital. Mrs. Johnson's interest in this society, in which she took such an active part in former years, never wanes and her kind words will be an incentive to many to continue with greater interest their missionary work. Mrs. Jessie Lutes of St. John was sent by Mrs. Thompson accompanied by some exquisite flowers expressing the regret felt over Mrs. Johnson's inability to be present with them. During the morning session two young ladies, Miss Jessie Lutes of the Union District and Miss F. G. Fitzmaurice of the Sackville district, who have offered themselves for the missionary field, gave short talks on how they came to make their decision. These young people who ever they may be sent, will always have the prayers and support of this large missionary convention of the Maritime Provinces. AFTERNOON SESSION The afternoon session opened with the regular devotional exercises. Mrs. E. A. Westmoreland gave a very instructive address on "Our Silent Helpers," using the literature and leaflets which were distributed. A pleasing feature was the presentation of a beautiful bouquet to Miss E. G. Chase, returned missionary upon the occasion of her birthday. The presentation was made by Miss Margaret Clarke of Newcastle. "New Life Currents in China" was the title of a very interesting address given by Mrs. J. Gough in which she referred to the great progress along the lines of education, industry and religion in that country. Another pleasing incident was an exercise by the St. John District demonstrating "Tithing" which was very instructive. A consecration and memorial service followed, led by Mrs. C. Hickson, of St. John at the close of which Miss Carter rendered a solo very pleasingly. The meeting closed with a hymn and benediction. EVENING SESSION The evening session opened at 8 o'clock. The reports of the Circle and Band were read by Mrs. W. H. Barker of St. John in the absence of the Secretary Mrs. J. Humphreys and Mrs. P. S. Williams, showing a decided increase in both members and financiers. The junior choir of the Methodist Church then rendered the Holy City very effectively. A pageant the Difficult Choice, in two scenes was given by the members of the Charlottetown Circle showed splendid training and was much appreciated. The address of the evening was given by Miss Alice Strothard returned missionary from Japan whose subject was Christianity's Present Opportunity in Japan. The speaker made a strong appeal for more workers in the missionary field of Japan; she referred to the terrible conditions existing there, where girls from 11 to 20 years of age are compelled to work in factories for 16 hours a day under conditions which are anything but sanitary. In the course of her remarks she said without doubt Japan as a nation admired the great military machine of Germany, because they believed that machine would bring Germany out victorious in the Great

PROBABLE RESIGNATION OF THE FOREIGN SECRETARY

Earl Curzon is Opposed to British Dealing with Russian Bolsheviki and Predicts Disastrous Consequences to Russia and the World From Such Dealing.

(Special to The Guardian.) LONDON, June 3.—The possibility of Earl Curzon of Kedleston resigning from the cabinet, is foreshadowed by the Daily Mail today, which says the Foreign Minister is entirely opposed to dealing with the Russian Bolsheviki. It is an open secret, says the Daily Mail, that Earl Curzon said there would be disastrous results from coquetting with Gregory Krassin the Russian Bolsheviki Minister of Trade and Commerce, and that he warned his colleagues that Bolshevism was dying out but that it would be revived by such actions to the immense misfortune of Russia and the world. His opinion was flouted but he still is nominally the head of the Foreign Office.

Mexican Rebels Make Demonstration

(Special to The Guardian.) MEXICO CITY, June 3.—Accompanied by a band of a dozen hands of the lifting of government control of buying on the part of consumers so as to affect the marketing of the next crop. The resolution asserts that there is no indication of the lifting of government control of buying on the part of consumers so as to affect the marketing of the next crop.

Calls Sugar Profiteers Parasites

OTTAWA, June 3.—That \$564 untaxed profit was made on 2000 bags of granulated sugar, and more than \$2,000 when the bags of brown sugar are included, was stated by Commissioner Murdock at the conclusion of this morning's hearing into the alleged unfair profits taken by speculators on two cars of sugar purchased by the Ottawa Wholesale firm of Provost and Allard from Robert Anderson of Montreal, and Joseph H. B. Marshall, an Ottawa broker. "Speculators," said Commissioner Murdock, "I go further I call them parasites, and I think they ought to be removed from the realm of business. For an outrage to modern civilization to have returned soldiers forced to come here and complain that they have been charged unfair prices. This is only one of thousands of cases going on all the time." The hearing was marked this morning by the concentration of Mr. Marshall from complexity in the deal on evidence being submitted which he returned his commission charge of \$163.00 to Mr. Anderson because the case was taken up by the Board of Commerce. The board will open its session at 2:30 p.m. Monday at 2:30 p.m. to hear the evidence of Mr. Anderson, Joseph Ward and Vaughan Bros., all whom if it is alleged, handled the sugar before it reached Provost and Allard. That there is no justification for white sugar selling for more than 22 cents a pound is the opinion of Commissioner O'Connor and Murdock of the Board of Commerce and made public in a statement issued today.

Also that Summerside contributed the largest amount according to its population than any other city or town in the Dominion of Canada. The celebration was brought to a close by the singing of the National Anthem and three rousing cheers and a tiger by Mayor Campbell for King and victory. U. S. Will Not Trade With Russia

(Special to The Guardian.) WASHINGTON, June 3.—The United States Government has dismissed all thought of trade with Soviet Russia in near future, it was learned today. There is no prospect that the embargo on ships from Russia will be lifted, it was made known by officials who know President Wilson's mind on the question of trade relations with Russia. This embargo is maintained by the war trade board section of the State Department. The termination of an economic and commercial boycott against Soviet Russia, is at variance with the policy of the principal allied powers.

TORONTO, June 3.—W. J. Hevey, a former Secretary of the Toronto District Trades and Labor Council, obtained a verdict at the Assizes here this afternoon against James Simpson, editor of a labor paper here and a well-known advocate of labor and prohibition, for \$4,000 damages for libel and slander. Hevey sued for \$10,000 damages. The suit was the outcome of a charge made by Simpson at a trades council meeting here some months ago that Hevey and Arthur E. O'Leary, a former President of the Toronto District Trades and Labor Council, had conspired with representatives of local manufacturers during the numerous strikes last summer to accept \$5,000 with which to start a labor paper, that would not be so antagonistic to the employers as the paper edited by Simpson. O'Leary also brought an action against Simpson for \$10,000 damages, and the O'Leary case was tried a short time ago. The jury in that case awarded the plaintiff \$1,500 damages. O'Leary's counsel had his bill taxed at Osgoode Hall at \$922.40 and Simpson's will have to pay in addition to the \$1,500 damages and Simpson's own counsel.

To Hold Tight Reins Over U. F. O. Members

TORONTO, June 3.—A tight rein is to be kept on the U. F. O. members of the Provincial Legislature, as well as the Ontario representatives of the U. F. F. O. not by his own personal views. They showed their confidence in Secretary Morrison by doubling his salary. A statement handed to the Canadian Press tonight by the U. F. O. directorate concludes as follows: "This Association stands foursquare, over and above everything else, for the full and unequivocal acceptance of democracy in government. That there should be the fullest and freest discussion of all questions of public policy, and that in all such matters the matured judgment of the majority, and not the will of any one man, group of men, or government, should control."

SUMMERSIDE, June 3.—The German gun won by the citizens of Summerside in the Victory Loan competition with our neighboring city Charlottetown was officially presented to the town of Summerside Thursday morning. The stores being closed from 11 o'clock to 12 o'clock to celebrate the event. At sharp eleven o'clock with bells ringing and whistles blowing, the Summerside High School Boy Scouts led the procession to the Public Square where the gun was then placed. Mr. John E. Campbell Mayor of the town of Summerside gave an opening address. In a few well chosen words he explained to the populace the great event we are celebrating. The obstacles which the Victory Loan Committee had to overcome but through their untiring efforts and the generous contributions of the citizens of Summerside, the German gun, which was presented to the town of Summerside, was placed in the hands of the citizens of Summerside. Among other prominent speakers were Messrs H. T. Holman, A. E. Arsenault, Creelman MacArthur and A. C. Saunders. One of the speakers spoke very highly on the fact that our objective was placed at \$25,000.00 more according to our population than other cities, making the objective \$125,000 where it should have been \$100,000 making that seven times over making it \$750,000. Also that Summerside contributed the largest amount according to its population than any other city or town in the Dominion of Canada. The celebration was brought to a close by the singing of the National Anthem and three rousing cheers and a tiger by Mayor Campbell for King and victory. The following is the address read and the inscription on the shield presented to Mayor Campbell by Mr. Neil McLeod, K. C. Summerside, P. E. I. 3rd June, 1920. To His Worship John E.
