Clearing out all Imported Model Hats
 Worth \$7.50 to \$15.00 for 2.45 each

NOW AFTER ALL WHAT can we add to the headline to make this bargain any plainer—any clearer than it is now. It just means that all these imported models which have been used during the early part of the season to copy from, are to be turned into immediate cash, and at once. It further means that you have a chance to add to your wardrobe one—maybe two or three new hats at a price that is ridiculous. Many styles—many colorings—many interesting designs. The whole lot, worth as we have stated, from 7.50 to 15.00 each out on a long table in the millinery show room, ready for your attention, and for your selection, and you choose \$2.45 at each

The Great Annual Hope River Tea Party
 will be held this year on Saturday the 13th Day Of July on the beautiful ground right beside the church. Year by year this annual event has grown in general favor and attractiveness, until it is today one of the most popular mid summer outings of this province. This well deserved popularity it owes first to the location, which is an ideal one for a day of pleasant recreation, and secondly to the long established reputation of the ladies and gentlemen of the parish in conducting successful tea parties.

As the coming tea-party will mark the exterior completion of the magnificent new church, which has been in course of construction for over a year, no effort will be spared to make it worthy of such an important event. Indeed the opportunity which the tea-party will afford visitors of inspecting this really imposing "Romanesque" Church structure will more than satisfy them, apart altogether from the numerous other attractions which are being prepared for their entertainment. Should Saturday, the 13th day of July, prove unfavorable the tea party will be held on Monday 15th or the first fine day coming.
